- Ultra-sharp picture. Vibrant viewing.

Give yourself a better view

- Defined picture sharpness and vibrancy with 4K QLED.

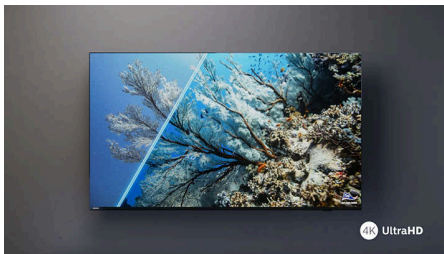

Highlights

4K QLED

Vivid colors. Ultra-sharp scenes. It's picture perfection at its finest. With 4K (UHD), this is 4K QLED TV that adapts to all your HDR formats. With every incredible moment, whether dark or light, played or streamed, you can devour each detail as you watch scene by scene.

Ultra-sharp picture

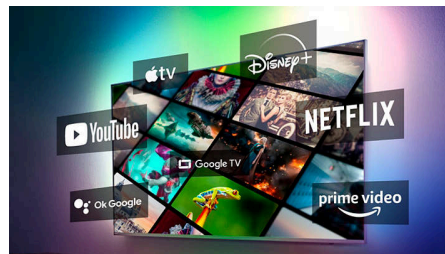

No matter what you watch, this 4K LED TV gives you a bright, ultra-sharp picture with vivid colors. Plus, the TV is compatible with all major HDR formats so you'll see more details, even in dark and bright areas, when you're streaming HDR content.

Dolby Vision and Dolby Atmos

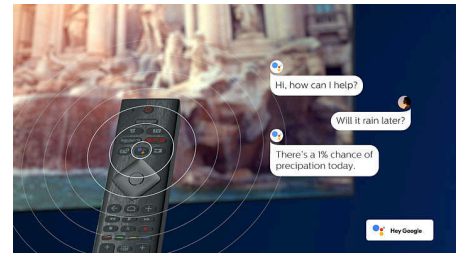

With Dolby Vision and Dolby Atmos on board, your films, shows, and games look and sound incredible. See the picture the director wanted you to see. No more disappointing scenes that are too dark to make out! Hear every word clearly. Experience sound effects like they're really happening around you.

Google TV™

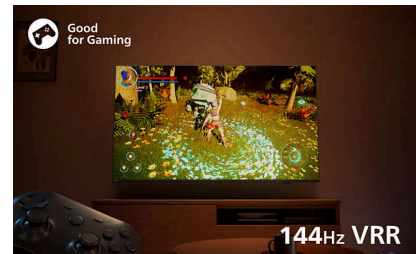

What do you want to watch? Google TV brings together movies, shows, and more from across your apps and subscriptions and organizes them just for you. You'll get suggestions based on what you like, and you can even use the Google TV app on your phone to curate your watchlist on the go.

Google Assistant. Control the TV with your voice.

You get a choice of voice assistants! Push the Google Assistant button on your remote and you can use your voice to find movies and shows, get recommendations, control compatible smart home devices.

Good for gaming. 144Hz, VRR.

HDMI VRR lets you get the best from your console, with fast gameplay and smooth graphics. Low-input-lag setting activates automatically when you turn on your console. Play without limits and immerse in QLEDs incredible realism! HDMI 2.1, a blazing-fast 144 Hz native refresh rate gets the best out of next-gen gaming gear with fluid, responsive gameplay, super-smooth natural motion, and great-looking graphics.

Compatible with HDR formats

Want to experience a perfect picture for every scene? Your Philips 4K QLED TV is compatible with major HDR formats, which means you get brilliant, sharp images. You'll see every detail, even in dark and bright areas.
