Good to know

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and armchairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibres can withstand abrasion better than fabrics with only natural fibres. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your sofa of course.

	Washing instructions	Resistance to abrasion (cycles)	Light-fastness (1-8)
Hakebo	Machine washable at 40 C	55 000	5
Hillared	Machine washable at 40 C	30 000	5

You can do it yourself, but you don't have to

IKEA products are designed to be taken home and assembled yourself. But if you would like some help, we can offer you a range of services. For more information contact your local IKEA store or visit [IKEA.com.au](https://www.IKEA.com.au)

Assembly

Sometimes it's nice to have someone else put your furniture together. We're happy to do it for you.

Delivery

Can't take your furniture with you?
We'll bring it to your home or workplace.

Interest free finance available

To realise your dream today, we offer interest free finance* to approved customers. You can apply online, over the phone or in-store at our planning desks.

*Terms, conditions, fees, charges and lending criteria apply.

For the latest information regarding IKEA services including remote planning, contactless click and collect, contactless assembly and delivery visit [IKEA.com.au](https://www.IKEA.com.au)
