RANGER

RANGER: THE FOREMOST AUTHORITY ON FUN-TOUGH!

America's best-selling compact pickup

The stylish Ranger XLT Flareside in Black Clearcoat. Flareside is an option with XL and XLT.

The versatile, roomy Ranger XLT SuperCab in Portofino Blue Clearcoat Metallic.

What compact trucks are all about

Tough. Fun to drive.
Great to look at.
Ford Ranger XLT is shown here in Sapphire Blue Clearcoat Metallic.

RANGER 4x4: ONE VERY TOUGH CUSTOMER

Built Ford Tough

Rugged Twin-Traction Beam suspension

"Tread Lightly" is an educational program designed to increase awareness of land-use regulations and responsibilities in our wilderness areas. Ford joins the U.S. Forest Service and the Bureau of Land Management in encouraging you to preserve our national forests and other public and private lands by "treading lightly."

Above: Ranger Splash SuperCab 4x4 in Toreador Red Clearcoat Metallic.

When the going gets tough, the tough get the rugged performance of the Ranger 4x4. With two V6 engine choices, including the 160-hp 4.0 liter, you have all the muscle you need. Every Ranger 4x4 comes with the convenience and smooth operation of Ford's switch-on electric shift transfer case with auto-locking hubs.

Ranger XLT SuperCab 4x4 in Cayman Green Clearcoat Metallic.

Great look and feel

Big on room and comfort

Versatility and choice

Above: Ranger XLT SuperCab with 60/40 split bench seat in Medium Prairie Tan. SuperCab has 22.2 cu. ft. behind the front seats (18.3 in models with rear jump seats).

A 6-way power driver's seat is available in SuperCab with the optional sport bucket seats.

Right: Ranger XLT SuperCab interior with optional sport cloth bucket seats in Medium Prairie Tan. Some equipment shown is optional.

Below: Pivoting quarter windows and sliding rear window are available on the XLT, STX and Splash SuperCabs.

Whether you're tall or short, you can adjust the height of your shoulder belt to your own comfort needs.

THE INSIDE SCOOP

Ranger's new optional single-CD player includes a digital clock.

ABS brakes to help stop you

EQUIPPED TO PROTECT YOU

All Ranger models come standard with a rear anti-lock braking system (ABS).

4-wheel anti-lock brakes are optional with XLT, STX and Splash. Both systems help provide steering control while braking under most conditions, even on wet or slippery surfaces.

Wide choice of power

Available passenger air bag

Every Ranger comes with a standard driver's air bag to supplement the safety belts. A passenger air bag is available that includes a deactivation switch. To help protect the child, the switch should be used whenever a rear-facing child safety seat is secured in the outboard front passenger seating position.

Ford's 4x4 switch-on electric shift transfer case with automatic locking hubs lets you shift "on the fly."

POWERED TO MOVE YOU

The rugged, V6-powered Ranger XLT 4x4 is shown here in Bright Red Clearcoat.

The 2.3L 4-cylinder (below) is the standard engine for Ranger 4x2s. The spirited 3.0L SEFI V6 engine (not shown) is the powerplant for all 4x4 models.

The optional 4.0L SEFI single overhead cam V6 (shown below) delivers the ultimate in Ranger performance.

Designed to efficiently handle the power of the 4.0L V6, a new 5-speed automatic transmission is available for 1997. An exclusive in light trucks, its five forward speeds improve performance.

4.0-liter SEFI V-6	4.0/245	3.95 x 3.32	9.0:1	160 @ 4,200 rpm	220 @ 3,000 rpm

*All engines have Sequential Electronic Fuel Injection (SEFI).

DEALER ACCESSORIES FOR YOUR RANGER

Your dealer can show you many more

A wide range of Ford-brand accessories

This hood-mounted air deflector helps keep your windshield clear of bugs.

The high-density bedliner helps guard against damage and includes a protective tailgate panel.

You can add this quick-release tailgate lock to Ranger's long list of convenience features.

The tubular rear bumper not only adds sporty styling flair but also has heavy-duty construction.

The sport hood cover adds style while helping to protect your Ranger's paint finish.

Great factory options, too.

The power windows option has a

"one-touch-down" feature for the convenience of the driver.

Speed control has a feature to let you increase or decrease your speed in increments of one mile per hour.

Fog lamps are available on XLT and STX 4x4 models as well as on the XLT 4x2.

The optional CD changer lets you select up to six discs.

Preferred Equipment Packages

Ranger XL

Notable XL Standard Features

- Rear step bumper
- Dual foldaway mirrors — right-hand convex
- Tinted glass
- Easily removable tailgate
- Mud flaps

- Driver-side air bag
- Illuminated entry system
- A cigarette lighter and two 12-volt power points
- Interval windshield wipers
- Front dome light

Ranger XLT

864A (Reg. Cab)/853A (SuperCab)

- XLT Group (see pages 13-14)
- Electronic AM/FM stereo radio/cassette
- Power steering (standard on SuperCab)

Ownership Experience

ROADSIDE ASSISTANCE PROGRAM

Every new Ford includes the assurance of a 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile bumper-to-bumper warranty. Ask your dealer for complete details on this program which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your truck.

Ford Credit offers a wide variety of financing and leasing programs to qualified buyers which can be arranged right at the dealership. Ask your Ford Dealer for all the facts.

Optional Ford Extended Service Plans go beyond the basic 3-year/36,000-mile warranty.

Ask your dealer for complete details on the optional plans and for a copy of the limited warranty.

Using your Ford Citibank VISA® or MasterCard® could earn you hundreds, even thousands of dollars from Ford toward the purchase or lease of a new Ford, Lincoln or Mercury product. To apply or get more information, call 1-800-374-7777. Or visit a Ford or Lincoln-Mercury Dealer, or a branch of Citibank.

DEALER-INSTALLED ACCESSORIES

Your Ford Dealer offers a variety of quality Ford-brand accessories that meet or exceed our strict specifications.

PRODUCT CHANGES AND OPTIONS AVAILABILITY

Following publication of the catalog, certain changes in standard equipment, options, prices and the like, or product delays, may have occurred which would not be included in these pages. Your Ford Dealer is your best source for up-to-date information.

Ford Division reserves the right to change product specifications at any time without incurring obligations.

Options shown or described are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.

For more information, visit our Web site at <http://www.ford.com>
