

Use and Care

1.When using our products, avoid leaving them in a humid environment for an extended period of time, as this can accelerate rusting.

2.During use, please follow the product's functions for operation. Do not use the product in abnormal ways and avoid forcefully installing or disassembling it.

3.Please do not place flammable, explosive or corrosive liquids on the product.

4.If the product is damaged or broken, please send pictures or videos of the damage to our email. We will do our best to handle the issue for you.
