Bluetooth communication distance	≤10m
Working frequency	2402~2480 Mhz
Max power rate	<15 dBm

Warning

1. Don't place the product into a liquid environment or avoid the product exposed to high humidity.
2. Avoid extrusion to avert the damage to the product.
3. Don't attempt to dismantle the product. Put the product in a cool and dry place to keep it dry if stored for a long time.
4. Avoid touching the strong magnet to prevent the magnetic headset from being demagnetized.
5. Avoid the dusty, wet and dirty environment where the electronic circuit of the equipment may be damaged if being used.
6. Don't use the equipment at the moment of thunderstorm because the thunderstorm may incur equipment fault or shock hazard.
7. Don't use the equipment when riding a motorcycle or a bicycle, driving a car or crossing the road to ensure your safety.
8. Keep the equipment out of reach of children or pets to avert the damage.
9. Don't wash the equipment with chemical, cleanser or strong detergent.

Don't listen to the voice under high sound pressure and high volume for a long time to prevent the possible hearing impairment when the headset is used.

EU Declaration of Conformity (DoC)
Hereby, Realme Changsheng Mobile Telecommunications Corp., Ltd. declares that this earphone is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address:
<https://www.realme.com/global/support/eu-declaration>.

Battery warning

The built-in lithium battery of the product is forbidden to be disassembled, impacted, extruded or put into fire. The battery under the very low air pressure may result in explosion or flammable liquid or gas leakage. Avoid the battery in a high-temperature environment or being exposed to strong sunlight to avert explosion. Don't use the battery continuously in case of serious ballooning. The battery shall be handled pursuant to the local regulations and shall not be disposed as household garbage. Don't try to repair, remove or refill the battery. The explosion may happen if the battery is replaced by the one subjected to incorrect model. Don't compress or puncture the battery with hard object. The battery leakage, overheating or outbreak of a fire may occur if the battery is destroyed.

Waste Electrical and Electronic Equipment (WEEE)

This symbol (with or without a solid bar) means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, user has the choice to give his product to a competent recycling organization. Proper recycling of your product will protect human health and the environment.

* realme will seek shared responsibility and cooperation from customers in reducing the environmental impact of their products.
* realme will comply with all the applicable laws related to WEEE Management.

Reduction of hazardous substances

This device and any electrical accessories are compliant with local applicable rules on the restriction of the use of certain hazardous substances in electrical and electronic equipment, such as EU REACH, RoHS and Batteries (where included regulations, etc.
For declarations of conformity about REACH and RoHS, please visit our website
<https://www.realme.com/eu/support/declaration>.

Product Warranty Information

1. Service Terms
Thank you for using the realme earphone. We provide our product with comprehensive warranty services in accordance with applicable national laws and regulations. In the event of any conflict between the following policies and national policies or commissions, the national policies shall prevail.
1. It is very important that you fill out the earphone warranty card completely, correctly and faithfully, or else ask the seller to issue an invoice or purchase ticket so that you can keep it in a safe place.
2. Valid invoice or sales receipt: the invoice should indicate the serial number of the earphone, factory serial number (lot number) of the accessories (battery and charger), the model, the date of sale, the seller's stamp, the amount, etc.
3. The warranty card and valid purchase receipt or invoice is essential to protect your warranty rights. The information filled out on the warranty card must be complete, truthful and correct with no modifications. If you lose the warranty card and/or valid invoice or purchase ticket and cannot provide us with a photocopy of the same, we will provide you with a warranty service from the date of activation of your earphone or from the 90th day after the date of manufacture of your earphone.
4. Our warranty does not cover other product accessories (e.g. user manual, warranty card, etc.).
5. If the product is under warranty, you hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of realme.
6. Before warranty service is provided, you must take the following steps:
-Follow the service request procedures specified by service provider.
-Back up data and remove any confidential and/or personal information from the product. realme is not responsible for damage or loss of any program, data, or removable storage media.
-Remove all feature, parts, options, alterations, and attachments not covered by the warranty.
7. No Dealer/Distributor/Retailer has authority to vary the terms of above warranty.

Notice: The above warranty is only valid for products sold in this country, realme has the power to conduct a final review and interpretation of the warranty policy.

!This warranty does not cover the following cases:
-Warranty is expired.
-Without warranty card or purchase invoice, any alter on the warranty card or purchase invoice.
-Unauthorized modifications, repairs or installation conducted by unauthorized persons.
-Loss of or damage to your data by the product.
-Problems and malfunctions caused by the user's self-installing software and improper settings.
-Failure or damages resulting from misuse, abuse, accident, modification, unsuitable physical or operating environment, power surges, improper maintenance, or use not in accordance with product information materials.
-Damage due to incorrect installation or incorrect connection with peripheral devices (such as monitors, keyboards, etc.).
-Damage due to improper care (accident, misuse or negligence), exposure to water/liquids and damage caused by acts of god such as floods, fires or earthquakes.
-Damage to the product caused by third party software or virus, or there is software loss or data loss that may occur during repair or replacement.
-Products not purchased from realme authorized sellers (we recommend that you contact the point of sale for support).

realme reserves the right to interpret the provisions in this warranty information. The information in this warranty card may change without prior notice. Please visit the realme support site at <https://www.realme.com/eu/legal/warranty-terms> for current and complete warranty information.

FCC statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to try to correct the interference by one or more of the following measures:
--Reorient or relocate the receiving antenna.
--Increase the separation between the equipment and receiver.
--Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The SAR limit of USA (FCC) is 1.6 W/kg averaged over gram of tissue. Device types RM42120 (FCC ID:2AUFRM42120) has also been tested against this SAR limit.

NOTE: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications or changes to this equipment. Such modifications or changes could void the user's authority to operate the equipment.
