All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuance. Mercedes-Benz reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-U.S. equipment. Vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo.

Certain accessories may require professional installation and/or additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories. Speak with a representative at your local authorized Mercedes-Benz dealership for current pricing on Genuine Mercedes-Benz Accessories. Visit mbusa.com/genuineaccessories for more information.

Elegant.

The E-Class Sedan and Wagon were engineered to make history by redefining the future. Our wide selection of newly designed Light-Alloy Wheels and expressively styled accessories allow you to put your individual touch on your new E-Class.

Accessory wheels are only for specified tire sizes and may require the use of wheel bolts other than those originally supplied with your vehicle. Failure to use proper equipment could result in an accident or vehicle damage.

See your authorized Mercedes-Benz dealer for details and installation.

Not compatible with snow chains. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles.

QUALITY

The long road to perfection
Precision tailored and impeccably styled for your E-Class, Mercedes-Benz Light-Alloy Wheels do so much more than enhance your vehicle's looks.

To help ensure safe travels, all wheel designs must pass a variety of endurance tests, based on exacting Mercedes-Benz standards. These include special test routines which simulate real challenges on the road and material tests in cutting-edge x-ray facilities. High-sheen wheels undergo additional durability testing, such as exposure to highly corrosive salt spray.

Only after these wheels have passed rigorous testing may they be included in the range of Genuine Mercedes-Benz Light-Alloy Wheels offered to you, allowing you to hit the open road with confidence.

Appearance

Light-Alloy Wheels

01 Valve Stem Caps

A perfect finishing touch, these chrome-plated tire valve stem caps dress up any wheel. Each a set of four. Available in black, silver or AMG designs.

Wheel Hub Inserts

Add an attractive finishing touch to your wheels with these inserts. Various styles available:

02 Black with chrome Three-Pointed Star

03 Classic Star & Laurel design in black

04 Himalaya grey with chrome Three-Pointed Star

05 Titanium silver with chrome Three-Pointed Star

Classic Star & Laurel design in blue | not shown

Sterling silver with chrome Three-Pointed Star | not shown

06 Wheel Locks

Wheel locks can provide a subtle yet effective security touch to your E-Class, helping to protect your Light-Alloy-Wheels and tires from theft. One set secures four wheels. Includes coded key.

07 AMG Door Pin

In high-quality stainless steel.

08 Trunk Handle

Made of stainless-steel in polished or satin finish, this handle attaches to the license plate and trunk lid to help prevent fingerprints and reduce the possibility of scratching the finish on your E-Class. Also available with elegantly laser-etched Mercedes-Benz name.

License Plate Frames

Choose from several quality stainless-steel designs in an assortment of durable finishes to enhance the appearance of your license plates without blocking registration tags. Design styles include: Mercedes-Benz frame, Slimline frame, AMG Logo frame, and Star Marque solid plate. Please see Index for finish options for each design.

09 Marque Plate with Star logo

10 Nameplate Frames Mercedes-Benz (Polished, Black Powder Coat) and AMG (Carbon Fiber)

11 Slimline Frame (Black Pearl)

Various styles available. Please see index for complete listing.

01 Roof Spoiler

This roof spoiler extends the roofline of your E-Class enhancing its sporty appearance by giving the rear window a more compact, coupe-style look. Tailor-made of high-quality material for quick installation and a perfect fit. Comes primed, ready for painting.

03 Chrome Door Handle Inserts

Help protect your finish from scratches and add a touch of style with a set of four chrome door handle inserts.

02 Rear Spoiler

Add this rear spoiler for a more athletic look for your E-Class, and watch as it subtly accentuates the trunk lines of your vehicle. Tailor-made of high-quality material for quick installation and a perfect fit. Comes primed, ready for painting.

Available for Sedan only.

04 Illuminated Star

The Illuminated Star is the ideal personal touch. It's subtle, but eye-catching. Bright, but sophisticated. It's a new and exciting way to make your Mercedes-Benz truly yours. Now available for select models, please see dealer for further details.

Note: Illuminated Star not applicable on models equipped with DISTRONIC® / DISTRONIC PLUS®.

05 Illuminated Door Sills

Light up your E-Class in eye-catching style each time you open the front door with luminous white-colored "Mercedes-Benz" stainless-steel door sills.

06 AMG Door Sill Panels

Light up your E-Class in eye-catching style each time you open the door with these luminous white-colored "AMG" stainless-steel door sills. Set of four.

Entertaining.

Whether you're on your daily trip to work or on travel with family and friends, you can rely on the extensive range of genuine accessories such as Drive Kit Plus for the iPhone®, Navigation, Rear Seat Entertainment System or iPad® integration to keep you and your passengers entertained.

01 Drive Kit Plus for the iPhone®

The "Drive Kit Plus for the iPhone®" comprehensively integrates your iPhone® 4/4S into the E-Class. Integration is based on the combination of the Mercedes-Benz "Digital DriveStyle" app and the "Drive Kit Plus for the iPhone®" – the on-board interface to which the iPhone® is connected and via which it is charged.

The "Digital DriveStyle" app is available free of charge from the iTunes® App Store¹. In the app an extensive range of functions are seamlessly integrated into the new, revolutionary user interface which appears on the vehicle display. When an iPhone® is connected, the "Digital DriveStyle" app can be operated safely and conveniently using the ergonomic central controller.

Some functions of the "Digital DriveStyle" app:

- Advanced navigation solution from Garmin®, with internet-based real-time traffic information, point of interest search and 3D map views.
- Local search for points of interest powered by Google™ – with Street View™ and transfer of destination to navigation system.
- Siri™² can act as a personal assistant, providing answers to questions or carrying out commands which would otherwise require manual input.

- AUPEO! Personal Radio for an individual music program.
- Internet radio from national and international broadcasters.
- Access to songs saved on your iPhone®.
- Facebook® feeds and Twitter® tweets from friends are read aloud³.
- Socially interactive experience with option, for example, of sharing and posting current song choice or navigation destination on Facebook® and Twitter®.
- Glympse™: share your location and estimated time of arrival with your friends in real time.
- Intuitive CarFinder – automatically stores vehicle's location in iPhone®. Integral pedestrian navigation on the iPhone® makes it easy to find your vehicle again.

1 "Digital DriveStyle" app available in iTunes® App Store.

2 Audio support only. A list of Siri™ commands can be found at <http://digitaldrivestyleapp.com>

3 Languages: English, Spanish, German, Italian, French, Dutch, Danish, Swedish, Norwegian, Finnish, Portuguese.

04

01 iPad® Docking Station*

Mobile entertainment with your E-Class and your iPad®: Watch movies, play music, view pictures, play games, surf the internet, all from the convenience of your iPad® without having to hold it in your hands. The Mercedes-Benz iPad® Docking Station securely holds your iPad® in place behind the passengers' headrests. Enjoy a high-speed connection in conjunction with the Mercedes-Benz In-Vehicle Hotspot. Not only will your iPad® be held securely in place, the docking station also provides charging capability to ensure you stay connected on the road. For optimum viewing, the iPad® Docking Station can be rotated up to 90 degrees and be tilted. Available for iPad®, iPad 2® and iPad with Retina Display.

02 iPad® Docking Station* (clip-on)

The mount for your iPad®, iPad 2® and iPad with Retina Display is simple to attach to the head restraint posts and can be removed at any time. The mount tilts and can be rotated around 90 degrees. Openings at the side ensure that all of your iPad®'s connection points are still accessible.

* Docking station sold individually for one iPad®. Not in conjunction with Rear-Seat Entertainment System (Code 864). iPad® is a registered product of Apple Inc. All devices sold separately. iPad® Docking Station also charges iPad® devices which support USB charging only (not available with clip-on version).

03 Rear-Seat Entertainment System

This high-performance entertainment system allows the rear passengers to watch DVDs, look at their favorite pictures and even play video games. Two superb 7" LCD color screens are mounted to the back of the seat just behind the headrest to eliminate driver distraction, function independently with integrated DVD players and are able to play two different movies or music choices simultaneously, allowing each rear passenger to select their own individual entertainment. Wireless noise-reduction headphones allow for tangle-free operation, easy storage and less noise distraction for the driver. A wide range of popular media formats are supported for image, music and video files. The USB and SD card interfaces allow further storage media to be connected with the Rear-Seat Entertainment System.

04 SD Memory Card

The COMAND® system in your E-Class features a slot for SD Memory Cards. Use the SD Memory Card as a convenient way to play music, view pictures and more. Can also be used in other compatible devices such as digital cameras.

Card capacity: 2 GB | Read speed: 12.5 MB/s | Write speed: 5.5 MB/s.

01 Mercedes-Benz In-Vehicle Hotspot

Checking your email and browsing the web is not a problem when you're in the office or from the convenience of your home. However, this is a different story when you're traveling on the road. With the Mercedes-Benz In-Vehicle Hotspot you can add internet connectivity to your vehicle. The In-Vehicle Hotspot allows you to connect up to four wireless end devices such as a laptop, tablet PC, or mobile device at the same time for a fast and secure internet connection. The router is securely installed and easily accessible. An encrypted password ensures limited access to your wireless connection.

May require an initial activation fee and monthly service subscription. Six months of service are included upon initial activation.

The hotspot allows you to connect up to four wireless end devices such as a laptop, tablet PC, or mobile device at the same time for a fast and secure internet connection.

02 Navigation Map Update

The Mercedes-Benz COMAND® Navigation System is a fully integrated system that combines Global Positioning System (GPS) technology with electronic mapping software to help you plan trips, navigate detours and avoid getting lost. GPS satellites continuously track your vehicle's location and the system relies on mapping information in order to give you the most accurate and efficient routes. Notice however, how quickly the surroundings change: roads are added or diverted, restaurants open and close, hotels and hospitals are built, ATMs move. In fact, as much as 20 percent of the navigation data the system relies on changes every year. That is why Mercedes-Benz offers reliable, and updated navigation data to help get you where you need to go effortlessly. The Navigation Map Updates are available for purchase from your authorized Mercedes-Benz dealer. The system can route you through more than 6.2 million miles of navigable roads in the United States and Canada. Just enter the address on the intelligent destination input screen, and the system takes over, guiding you audibly and with a clear and detailed 7" LCD map display. Do you need an idea of where to go? The Navigation System also offers 2.3 million Points of Interest in 70 categories including ATMs, restaurants, hotels, airports, museums and more.

Navigation system data includes the United States, Canada, Puerto Rico, Hawaii and Virgin Islands. Directional assistance provided only when GPS coverage is available. Maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place. See your authorized Mercedes-Benz dealer for availability and details.

Efficient.

The interior of your E-Class Sedan or Wagon is impressively spacious. With carrier systems and cargo accessories from Mercedes-Benz, your E-Class offers you even more functionality and flexibility. Whether you are looking to maximize your cargo capacity or heading to your favorite vacation destination our genuine accessories will always fit your individual needs.

Boxes open on both sides for convenient loading and unloading.

01 Roof Rack Basic Carrier

Our basic carrier is an essential component for attaching a wide assortment of items to the top of your E-Class. After easy installation, you can securely attach bicycles, ski and snowboard racks, or a cargo container. (Racks and containers sold separately.)

Separate versions available for both Sedan and Wagon.

02 Mercedes-Benz Roof Boxes

Create additional space for sports equipment and luggage with one of our aerodynamic, high-quality roof containers designed to nicely complement your E-Class. Constructed of lightweight, yet exceptionally durable, impact-tested thermoplastic material. Features pressurized struts for easy lid operation and a security lock. Boxes open on both sides for convenient loading and unloading. Requires Roof Rack Basic Carrier (sold separately).

330 model holds 11.5 cubic feet.

Available in titanium metallic [B] and matte silver [C]. Requires Roof Rack Basic Carrier (sold separately).

400 model holds 14 cubic feet.

Available in black metallic [A] and matte silver [C].

450 model holds 16 cubic feet.

Available in black metallic [A] and matte silver [C].

03 Luggage Set for Mercedes-Benz Roof Boxes

Made from durable, weather-resistant materials. Shoulder straps included. (Luggage Set and Mercedes-Benz Roof Cargo Boxes sold separately.)

Luggage Set for Mercedes-Benz Roof Box 330

Set includes four luggage bags.

Luggage Set for Mercedes-Benz Roof Box 400

Set includes three luggage bags and two ski bags (max. two pairs of skis per bag).

Luggage Set for Mercedes-Benz Roof Box 450

Set includes four luggage bags and two ski bags (max. two pairs of skis per bag).

04 Ski Rack Insert for Mercedes-Benz Roof Boxes

The Ski Rack Insert is designed to provide a secure grip on multiple pairs of skis.

Ski Rack Insert for Mercedes-Benz Roof Box 330

Securely holds three pairs of skis.

Ski Rack Insert for Mercedes-Benz Roof Box 450

Securely holds five pairs of skis.

05 Roof Rack Basic Carrier Storage Bag

Protect your Roof Rack Basic Carrier in this nylon bag when not attached to your E-Class.

Car Care

BabySmart/OCS Safety Information: Most Mercedes-Benz vehicles from MY 1998 through 2003, select models from 2004 through 2006, and current G-Class vehicles are equipped with BabySmart™. Mercedes-Benz vehicles equipped with BabySmart™ have a device that recognizes the presence of BabySmart™-equipped child seat when properly installed in the front passenger seat and deactivates the passenger front airbag (check your vehicle's Operator's Manual or labels located on the sides of your dashboard to verify).

All current Mercedes-Benz models are equipped with the Occupant Classification System (OCS) (with exception of the G-Class) which is designed to turn off the front passenger's front airbag when the system senses the weight of a typical child 12 months old or less plus the weight of a standard child restraint. See vehicle's Operator's Manual for important additional information on this system and further information regarding the transportation of children heavier than a typical 12 month old.

All Mercedes-Benz child safety seats meet or exceed U.S. Department of Transportation standards. They are also suitable for use in older vehicles that do not have integrated LATCH (Lower Anchors and Tethers for Children) attachment points. Visit the National Highway Traffic Safety Administration's website at <http://www.NHTSA.gov> for additional information about child safety seat laws and proper use.

01

01 BabySafe Plus Infant Seat (up to 29 lbs.)

Deep, molded rear-facing seat design provides extra protection and padding designed to help protect very young children up to 29 lbs. or 31 in. long. Features integrated head support, adjustable sun/wind canopy, comfortable three-position carry handle, and variable recline angle adjustment. Light grey fabric cover is removable for washing. Can be used in the vehicle with or without the base. Approved for use in commercial aircrafts. Weighs less than 8 lbs. This seat is BabySmart* compatible and LATCH* compatible with provided LATCH belt*.

02 DUO Plus Toddler Seat (20 to 40 lbs.)

Designed to afford excellent protection for children approximately 1 to 4 years of age. Features include single-handed adjustment to change from the upright position to the reclined and sleeping positions, height-adjustable shoulder belt, back area ventilation channels, and an additional tether for securing the top section. Fabric cover is removable for washing. This seat is LATCH* and BabySmart* compatible.

02

03 KidFix Child Seat (33 to 79 lbs.)

Booster seat for optimum side-impact protection, with height-adjustable backrest. The "KidFix" seat is secured using the three-point seat belt and ISOFIX attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12.

03

*Please consult your Owner's Manual or dealer for proper installation of your child seat.

Child Safety Seats

Mercedes-Benz through and through

When you drive a Mercedes-Benz, you do so for the best of reasons. Why should your choice of accessories be governed by different standards? Pioneering when it comes to design and technology, Genuine Mercedes-Benz Accessories deliver on the promises of a major brand.

DESIGN & DEVELOPMENT

Genuine Mercedes-Benz Accessories make your dream car a reality – while ensuring that it remains a Mercedes-Benz through and through:

- ▶ Individualization options are developed in accordance with the Mercedes-Benz car design philosophy.
- ▶ The use of CAD data from Mercedes-Benz Vehicle Development ensures precision-fit accessories.

QUALITY & SAFETY

When it comes to Mercedes-Benz vehicles, quality and safety are paramount. You can feel equally safe with Genuine Mercedes-Benz Accessories as a result of:

- ▶ Stringent safety measures and extensive load testing, including the use of crash test facilities and the wind tunnel.
- ▶ Harmonized development of both vehicle and Genuine Mercedes-Benz Accessories.

FUNCTION & OPERATION

Genuine Mercedes-Benz Accessories form part of the vehicle concept from the outset. This results in impressive functional solutions:

- ▶ Fully integrated telematics products can be operated safely and conveniently using the multifunctional steering wheel.
- ▶ Roof-mounted carrier systems can be fitted quickly and without the use of additional tools.
- ▶ Instructions and manuals are in standard format and easy to understand.

ADVICE & FITTING

No one is as familiar with the ins and outs of your vehicle as our dealers. And the same goes for Genuine Mercedes-Benz Accessories:

- ▶ Contact your authorized Mercedes-Benz dealer for expert advice.
- ▶ Trust Mercedes-Benz specialists when it comes to fitting Genuine Mercedes-Benz Accessories.

Quality & Safety

Genuine Mercedes-Benz Accessories for E-Class Sedan and Wagon.
