

ubiolabs  
Wireless  
Charging Stand

Quick Start Guide

 Plug in wireless stand

 Charge device in portrait mode

 Charge device in landscape mode

 Charge additional device

 LED charge indicator

 Charging  Off/Charged

 Devices must align

 Foreign object detection\*

\* A blinking amber LED indicates a foreign object has been detected (metal objects like keys, coins, magnets, etc.) and the device is automatically turned off to ensure safety. Removal of foreign object and proper alignment of phone will result in normal operation.
