

RFID Printer Series

Improving accuracy and visibility

Smart Labels, Smarter Business,

Empower operations with BIXOLON's advanced RFID labelling solutions.

Boost your business efficiency with BIXOLON's range of RFID label printers. Offering LCD displays with intuitive menus, simple calibration functions to read RFID labels and tag locations alongside UHF RFID printing and encoding capabilities. Establish optimal business solutions by adopting RFID labelling for a range of applications in retail, logistics, manufacturing, healthcare and more.

Retail & Hospitality

RFID labelling enables faster, bulk item scanning without line-of-sight, ensuring accurate stock levels. Real-time tracking of assets and merchandise while reducing theft and the misplaced of items. Plus, elevates customer experience.

Applications

- Inventory Accuracy & Visibility
- · Loss Prevention
- · Omni-channel Fulfillment
- · Customer Experience

Transportation & Logistics

Streamline shipment verification, while reducing errors in shipping and receiving. Supporting real-time updates of cargo status and improves delivery reliability. Assists with regulatory compliance and chain-of-custody requirements.

Applications

- Parcel & Pallet Tracking
- Supply Chain Visibility
- Compliance & Security

Warehouse & Manufacturing

With support for RFID labels, staff can monitor production stages in real time and improve workflow visibility. Defects are quickly and accurately identified, while components for recalls are efficiently tracked.

Applications

- · Receiving / Put-away Efficiency
- · Inventory & Material Management
- · Work-in-Progress (WIP) Tracking
- · Quality Control & Traceability
- · Tool & Equipment Tracking

Healthcare

BIXOLON RFID printers improve patient safety by enabling accurate wristband and specimen labelling for real-time identification and traceability. They enhance asset and inventory management, help track medical equipment, and pharmaceuticals efficiently to prevent loss and ensure compliance.

Applications

- Patient Safety & Identification
- Inventory Control
- Quality Care
- Pharmaceutical & Specimen Tracking

Government / Education

Enabling public sector organisations to accurately track assets, documents, and equipment, improving efficiency and reducing losses. BIXOLON RFID printers enhance security and compliance by maintaining chain-of-custody for sensitive materials and support real-time visibility for audits and accountability.

Applications

- · Asset Tracking
- Security & Compliance
- Field Operations
- Document Management
- Book Identification

Why BIXOLON RFID Printers?

Meet Industry Standards

BIXOLON RFID printers remain fully compliant with evolving industry encoding standards such as ISO/IEC and GS1.

Numerous RFID Label Types

All types of RFID Labels (ISO 18000-6C) are supported, with rapid and seamless transitions between different label types. enhancing operational efficiency.

User-Centred Function

Easy setup through automatic calibration of RFID labels optimise the printer for streamlined work processes, elevating productivity.

Fast and Accurate

Leveraging extensive field experience, BIXOLON delivers RFID solutions that offer high-speed printing and precise data encoding.

Outstanding Durability

Built for reliability, BIXOLON printers combine rugged hardware with advanced technology to handle high workloads and deliver consistent RFID encoding.

Professional Support

Our expert support team is readily available to resolve setup issues quickly, ensuring uninterrupted business operations.

BIXOLON RFID Printer Lineup

BIXOLON's growing range of RFID label printers support UHF RFID print and encoding technology, offering a minimum pitch of 0.6 inches (16mm) RFID inlay which reduces the expense of choosing interfaces and media waste. Available as Mobile. Desktop and Industrial printing formats, these highly versatile, multi-functional printing solutions are packed with premium features to boost businesses efficiency by improving accuracy and visibility.

XT5-40NR 4-inch Industrial RFID Label Printer

Best for high-volume stock labelling and cross-docking in central fulfillment hubs or large warehouses

- Print speeds of up to 14ips at 203 dpi
- 4.3-inch full-colour touch display
- USB, USB Host, Serial, Ethernet, Parallel, Bluetooth®, WLAN, GPIO
- Compatible with BIXOLON XPM™, XCM™ and SOTI® Connect

XD5-40tR 4-inch Desktop RFID Label Printer

For offices, shipping depots, or small warehouses handling low-to-mid volume labelling

- Print speeds of up to 8ips at 203 dpi
- USB, USB Host, Serial, Ethernet, B/T, WLAN
- 2-inch Mono LCD display for easier setup and alert information
- Compatible with label design software; BIXOLON's Label Artist™ and Seagull's BarTender®

Enhancing efficiency for real-time stock audits, on-the-spot labelling of products, shipments or specimens

- Print speeds of up to 5ips at 203 dpi
- Smart battery with capacity of 6800 mAh (USB Type-C® PD supported)
- USB, Serial, B/T, WLAN
- 1.8 m (6 ft.) drop rate and IP54 sealing
- Colour LCD display for easy setup
