When this side table was
launched in our catalogue
in 1956, Ingvar Kamprad
described it as "a lovely
little thing, in ultra-modern
design". In the Nyttillverkad
collection, this IKEA icon has
new colours.

The decorative pattern with deep tones and pile in varying lengths come together in a classic and playful expression. The material is stain resistant and will keep its beauty for a long time.

With block-out curtains you won't get your sleep disturbed by moonlight and street lights - or be woken by the sun when you want to sleep in late. The heavy fabric falls softly and evenly.
