

THE NEW
VOLVO V40
MADE BY SWEDEN

Distinctively Volvo.

We designed the Volvo V40 to be your perfect companion in the city. It's a car that makes life easier and puts you in control of your journey, wherever it takes you. Into every detail, the V40's design is a fresh breeze of Scandinavian flair. With its V-shaped bonnet and strong shoulders that stretch from just behind the headlamps, the Volvo V40 cuts an imposing figure on the road and at the kerbside. Its distinctive Scandinavian design reflects your individuality, while its dynamic nature is made clear by the car's sporty character. With the new iconic Thor Hammer T-shaped LED Headlights, you have a Volvo that makes a big impression.
