FLOWER BALLS FOR CENTERPIECES

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

INSTRUCTIONS

Thank you very much for choosing our flower balls.

Our fake flowers are made of soft silk. Each string of faux flowers is purely handmade, high-cost, and time-consuming. The handmade roses arrangement has a lifelike look and a realistic touch, they are both delicate and durable. The exquisite dyeing process can effectively reduce the rate of fading flowers.

SAFETY INSTRUCTIONS

1. The product should be installed by adults, and children should not install this product.
2. Products should be kept away from pets to avoid accidental eating.
3. Products should be removed from sharp or burr items and avoid cutting or breakage.
4. The product is made of silk cloth and polyester material, the product should be kept away from the fire source.

BUTTON FUNCTIONS

1. The flowers will be slightly squeezed in the transport and boxes, but not damaged;
2. Installation should not be carried out in the rain. If it gets wet, it can be dried with a hair dryer. When it has been placed for a long time, gently pat it to shake off the dust.
3. The bouquet is handmade, and each part is fixed with hot melt glue. The stem is wrapped with wire. The flowers will not fade and fall off, and can be preserved permanently.
4. It can be used both indoors and outdoors according to the user's preferences.
