	PD-6ANS*	6A	720W	6A	-	3.6A

* Must de-rate if end of gang or middle of gang

Fan Speed Controls

Company	Part Number	Fan
Leviton	DW4SF	1.5A
Lutron	PD-FSQN	1.5A

Leviton Features

No Hub Required

- Less up-front expense
- No “hardware to hide”, especially for the Voice Dimmer which includes Alexa Built-in
- No proprietary repeaters necessary, uses Wi-Fi protocol

Aesthetics Matter

- Common Decora brand aesthetic matches the rest of the home and locator light makes it easy for all guests to use in the dark
- 6 Color options to match any décor
- No fin removal necessary for multi-gang installations

Additional Benefits

- Complete range of smart products including in-wall keypads, fan speed controls, receptacles and Voice Dimmer with Amazon Alexa Built-in
- Custom My Leviton app settings are easy to use to adjust on-board LEDs, fade rates, bulb type, preset level, min/max level, auto-shutoff, vacation mode, and more
- 5-Year limited warranty

Plug-In Dimmer

Get it Right the First Time.

Innovative Support From The Brand You Trust

Take the guess work out of matching LED dimmers and lamps with our LED Compatibility Tool. It's the fast and easy way to ensure the dimmer you install works seamlessly with the lamp it controls.

We test leading LED lamps with our LED dimmers to identify the best pairings for improved customer satisfaction with fewer callbacks.
