

WIRELESS SPEAKER TWINS MINI TWS

PACK OF 2 TRUE WIRELESS SPEAKERS

Thanks to TRUE WIRELESS technology, connect your two TWINS mini wireless speakers and enjoy 360 ° stereo sound, and add sound to an entire space by arranging and moving your speakers as you wish! In addition, the TWINS mini can also be used completely independently if you wish. Add to this that their ultra compact and light format allows you to take them everywhere with you without the clutter! The SD card port, discreetly located on the lower part of the speaker, will allow you to enjoy your playlist from your memory card. Thanks to the various integrated controls, it is possible to control the tracks and the volume directly from each speaker. The autonomy of each speaker is about 3 hours and you can follow the evolution of the battery directly from your smartphone / tablet!

Discover the TWINS Mini sound experience!
