Technical Data

Built-in / Free-standing : Freestanding

Color / Material body : Silver

Wheels : No

Net weight : 38.7 kg

Main colour of product : Silver

Color Buttons : black, start button in silver

Noise level washing : 65 dB(A) re 1 pW

Fuse protection : 10 A

Voltage : 220-240 V

Frequency : 50 Hz

Energy Star Qualified : No

Cord Included : Yes

Net weight : 85.000 lbs

Gross weight : 91.000 lbs

Dimensions of the packed product (HxWxD) : 1020 x 645 x 645 mm

Gross weight : 41.4 kg

Fuse protection : 10 A

Voltage : 220-240 V

Frequency : 50 Hz

Water protection system : Multiple water protection

Number of Options : 8

Maximum spin speed : 680 rpm

Digital countdown indicator : Yes

4 242005 328819

Series 4, washing machine, top loader, 680 rpm WOI803S0IN

Treat your clothes with hand-like wash with Bosch Expertcare range of Top Load Washing machines

Technical Information

- Capacity: 8kg
- Maximum spin speed: 680 rpm
- Dimensions (HxWxD): 1020x645x645

Programmes

- Smart Suggest, Quick Wash, Mix, Jeans, Bedsheets, Synthetics, Whites, Cotton 30°, Delicates, Tub Clean

Features

- 1. ExpertCare wash system inspired by hand wash:
 - a. Vario Drum: Specially designed Droplet Patterned drum which gently rubs the clothes during the wash mimicking the soft rubbing by hands like in a hand wash
 - b. Asymmetric Paddle design: The design which is rough on one side and smooth on the other side inspired by the 'Rough surfaces used during hand wash
 - c. Scrub Pads: These are located at the bottom of the drum which gently scrubs your clothes for a superior wash performance like a scrubbing with brush during hand wash
 - d. Pumping tower & Magic filter: The pumping tower circulates water up and down and intermittently splashes fresh water for better mixing of detergent during the wash. The detachable and cleanable magic filter collects all the lint from clothes during the wash
 - e. Pulsator with 3 cam Impellers: Innovatively designed pulsator with 3 cam impellers for 360 degree rotation of cloths
- 2 - Full Touch Panel with Rotary Knob: Enhance your interaction experience to next level with Industry first full capacitive touch panel along with Rotary Knob for effortless operation and program selection.
- 3 - Flexible Soaking: Pre soak your clothes with 4 flexible timer options like (15,30,45,60 mins) in the washing machine

itself and reduce your efforts by avoiding it by doing in a bucket and transferring later into the washing machine.

- 4 - Anti Tangle: A program to reduce the problem of clothes tangling during wash
- 5 - VarioInverter: Efficient and energy saving. The VarioInverter motor is a durable, and energy-efficient drive system that provides optimal washing results with 10 year warranty.
- 6 Soft Closing Lid provides a gradual lid closure to ensure an injury-free and silent closing of the washer lid
- 7. Favorite: Chose your favorite / frequently used program saved in the favorite program option. Click and wash !!
- 8 Delay Start upto 24 hours to delay the time at when the program starts
- 9. Mobility Solution: The ergonomic handles at the back with wheels at the bottom to move your machine with ease as per your convenience and requirement
- 10. Flexible Detergent Drawer: A convenient detergent drawer with separate compartments for powder detergent, liquid detergent and fabric softener
- 11. Level indicator: Indicates the even placement of the machine so you can avoid shaking at high RPM spinning
- 12. Hot and cold water inlets for giving flexibility/option of hot water wash

Safety

- Volt Check: shows Voltage error when Voltage goes out of working range (mentioned in User manual, 170V to 280V) and machine stops running.
