INSTALLATION INSTRUCTION OF TOILET SEAT

Before Installation

1. Please read the instructions carefully to get to know our seats and get prepared with the required tool in advance. Follow the instructions to install the seat correctly. This will help avoid harming you and your family and your property.
2. Please keep the instructions available after reading it carefully.
3. Please subject to the real products when the instructions are different from the real products. If there is any new update to products and its accessories, we will give no further notice.
4. Don't open the seat and the lid over 105° before fixing it into the ceramic bowl.

Maintenance

Regular Maintenance

- Wipe the toilet seat with soft wet cloth
- Clean the toilet seat with neutral cleanser, and then dry it with clean cloth.

Cautions

Please do not close the seat or cover forcibly to extend the soft-close function lifespan.

Do not exceed the maximum weight capacity indicated.

Please do not expose the seat or cover to direct sunlight for too long. Avoid any direct strong light or high temperature. (to prevent from fading)

INSTRUCTION D'INSTALLATION DU SIÈGE DE TOILETTES

Avant l'Installation

1. Veuillez lire attentivement l'instruction pour comprendre notre siège et pouvoir préparer les outils nécessaires en avance. Suivez les instructions pour installer correctement le siège. Cela va aider à éviter de vous nuire, voire votre famille et votre propriété.
2. Veuillez garder les instructions disponibles après l'avoir attentivement lu.
3. Les produits réels font foi quand les instructions sont différentes des produits réels. S'il y a une nouvelle mise à jour des produits et des accessoires, nous ne l'annoncerons pas ultérieurement.
4. Ne pas ouvrir le siège et le couvercle à plus de 105° avant de les fixer dans un bol en céramique.

Entretien

Entretien Régulier

- Essuyez le siège de toilettes avec un chiffon doux et humide.
- Nettoyez le siège de toilettes avec un nettoyant neutre, puis le séchez avec un chiffon propre.

Attentions

Veuillez ne pas fermer le siège ou le couvercle de force pour prolonger la durée de vie de la fonction de fermeture en douceur.

Ne pas dépasser la capacité de charge maximale.

Veuillez ne pas exposer longtemps le siège ou le couvercle à la lumière du soleil. Éviter des lumières fortes directes ou la haute température. (pour éviter de flétrir le siège & le couvercle)

Pièces et Matériel Inclus

①	Couvercle Décoratif
②	Boulon
③	Jeu de Charnières
④	Œillet d'élargissement($\phi 12\text{mm}+\phi 14\text{mm}$)
