

Jabra Speak 510 for PC (SME)

How do I pair my Jabra Speak 510 with a mobile device?

If your Jabra Speak 510 has a previous pairing, remember to turn off Bluetooth on the previously paired device before you proceed.

To pair your Jabra Speak 510 with your Jabra Link 360, follow these steps:

1. Press and hold the **Bluetooth** button for 2 seconds.

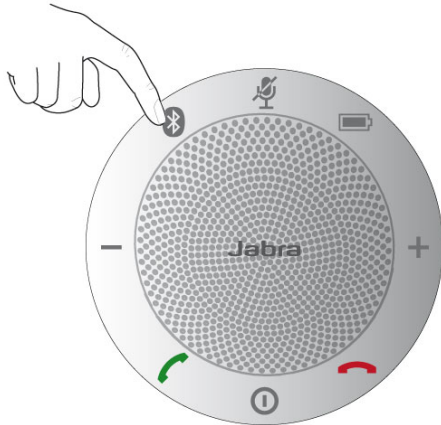

2. Insert the Link 360. The Bluetooth light flashes blue when it is in pairing mode. It can take up to one minute for your Jabra Speak 510 and Jabra Link 360 to pair. Note: You can also enable pairing mode for the Link 360 in Jabra Direct.

To pair your Jabra Speak 510 with your mobile phone, follow these steps:

1. Press and hold the **Bluetooth** button for 2 seconds.

2. Turn on Bluetooth on your mobile phone, and then select Jabra Speak 510. Enter "0000" (four zeros) if you are asked for a PIN.

To pair your Jabra Speak 510 with a Bluetooth headset, follow these steps:

1. Press and hold the Bluetooth button for 8 seconds until it flashes green.

2. Set your Bluetooth headset in pairing mode, and then pair the devices.
