INTEGRATION UNIVERSAL ISS

User manual

English version

Thank you for choosing Focal and for sharing our passion for the "Spirit of Sound". Designed using the latest technology, these speakers integrate Focal's perfectionist believes, developing products with high power handling, and unrivalled sound quality. To obtain the best results from this product, we recommend that you follow carefully all the information contained in this user's manual. If not correctly followed, any fault observed may not be covered by the guarantee.

Warning

Continuous listening at high sound level (above 110dB) can durably damage your hearing. Listening above 130dB can damage your hearing permanently.

The Focal guarantee only applies if the enclosed guarantee card is returned to us within 10 days of purchase.

Important recommendations

Before attempting any installation work, it is very important to check how much space is available to fit the speakers into the vehicle.

Key points:

- Ensure the speaker is clean from debris and metallic particles that maybe attached (especially after drilling).
- Clean before mounting the speakers.

INTEGRATION UNIVERSAL ISS

User manual

3

Tweeter

1/ Tweeter accessories.

2/ Assembling the tweeters to the mounts.

3/ Tweeter assembly in original space.

NB: "+" is the wire with red line

Remove the tweeter to adapt it to the original space.

Handle with care: do not touch the aluminum dome and not to let it come into contact with the rear of the car's original grill.

INTEGRATION UNIVERSAL ISS

User manual

4

4/ Connecting the tweeters.

When installing on a demonstration display, connect the "display" wire.
When installing in a vehicle: connect the "car" wire.
The unmarked wire is "-" wire with both connection options.

5/ Connecting the tweeters with crossover connector.

NB: "+" is the wire with red line

Warning: the tweeter crossover is integrated into the connector. Ensure correct wiring thanks to the cable plugs (tweeter/crossover connector) in order to ensure optimal performance of this Integration kit.

Woofers ISS

1/ Mounting the ISS 130 / 165 / 170 / 200 woofer in original space.

2/ Mounting the ISS 570 / 690 woofer in original space.

These separate 2-way "elliptic" kits can be fitted into the following car models Toyota®, Jeep®, Dodge®, Ford®.

Warning: in some of cases, you will need to use dedicated spacers to the vehicle.

ISS 165 / 200 / 570 / 690 installation

Mounting the woofer + connector (supplied with the kit)

NB: "+" is the wire with red line

The woofers in the ISS 165, ISS 200, ISS 570 and ISS 690 kits are equipped with a crossover integrated into the connector (for a more compact basket and one which is easy to install in original locations).

Make sure **ONLY** these connectors (supplied with the kit) are used.

Conditions de garantie

All Focal loudspeakers are covered by guarantee drawn up by the official Focal distributor in your country. Your distributor can provide all details concerning the conditions of guarantee. Guarantee cover extends at least to that granted by the legal guarantee in force in the country where the original purchase invoice was issued.

Your Focal-JMLab product was developed and manufactured with high-quality materials and components which can be recycled and/or re-used. This symbol indicates that electrical and electronic equipment must be disposed of separately from normal garbage at the end of its operational lifetime. Please dispose of this product by bringing it to your local collection point or recycling centre for such equipment. This will help to protect the environment in which we all live.

Pour validation de la garantie Focal, nous renvoyer cette page dans les 10 jours, à l'adresse suivante :

Focal-JMLab - BP 374 - 108, rue de l'Avenir - 42353 La Talaudière cedex - FRANCE

Il est maintenant possible d'enregistrer son produit en ligne : www.focal.com/garantie
