Connect

Google Pixel and Android 6.0+

1. Open the earbuds case and keep the earbuds inside
2. Make sure your phone is unlocked and Bluetooth® is on
3. Tap the Google Pixel Buds Pro pairing notification and follow the on-screen steps

Other devices

1. Open the earbuds case and keep the earbuds inside
2. Go to Bluetooth settings on your device and make sure Bluetooth is on
3. Press and hold the pairing button until the light starts pulsing (~3 seconds)
4. Tap **Pixel Buds Pro > Connect**

Find the best fit

1. Place each bud so they feel snug and sealed
2. Too loose? Size up to a larger eartip. Too tight? Size down. Each ear may need a different size.

Touch controls

Gestures can be used on either earbud

Safety, Warranty & Regulatory Guide for Google Pixel Buds Pro

This booklet provides important safety, regulatory, and warranty information that you should read before using your Pixel Buds Pro. You can find an online version of this document at g.co/pixelbudspro/regulatory

Basic safety

WARNING: HEALTH AND SAFETY INFORMATION, READ BEFORE USE.

To avoid damaging your device, accessories, or any connected devices and to reduce the risk of personal injury, discomfort, property damage, or other potential hazards, follow the precautions below and those found in the Pixel Buds Pro Safety Information at g.co/pixelbudspro/regulatory and at **Settings > Connected devices > Pixel Buds Pro > Open device app** (if applicable) > **More Settings > Safety, Warranty & Regulatory**:

- Handle your Pixel Buds Pro with care. You may damage the Pixel Buds Pro or the battery if you disassemble, drop, bend, burn, crush, or puncture your Pixel Buds Pro. Do not use Pixel Buds Pro with a damaged enclosure. Be sure the charging case and earbuds are well ventilated when in use or charging. Using damaged Pixel Buds Pro, damaged cables, or chargers or charging when moisture or debris is present, may cause overheating, fire, electric shock, injury, or damage to your Pixel Buds Pro or other property. Do not expose your Pixel Buds Pro to liquids, which can cause a short circuit and overheating. If Pixel Buds Pro gets wet, do not attempt to dry it using an external heat source. Do not charge Pixel Buds Pro when wet or in direct sunlight. Pixel Buds Pro is designed to operate in a dry, indoor environment. Pixel Buds Pro works best in ambient temperatures between 32° and 95° F (0° and 35° C) and should be stored between ambient temperatures of -4° and 113° F (-20° and 45° C). Do not expose Pixel Buds Pro to temperatures above 113° F (45° C) as this may damage the Pixel Buds Pro, overheat the battery, or pose a risk of fire.

- Pixel Buds Pro must be used with a certified AC adapter with Limited Power Source (LPS) output per IEC 60950-1 and/or PS1 classified output per IEC 62368-1, rated: 5 Volts DC, maximum 3 Amp; 9 Volts DC, maximum 2 Amp; or both. Only charge your Pixel Buds Pro with compatible charging accessories, which are available on the Google Store or at Google authorized resellers (look for Google's "made for" badge). Failure to use compatible charging accessories can cause fire, electric shock, injury, or damage to the Pixel Buds Pro and the accessories.
- Your Pixel Buds Pro may be charged with a Qi-compliant or Google-approved wireless charger. Do not place metallic or magnetic objects between the wireless charger and your Pixel Buds Pro, as this could cause heating of the foreign object or interfere with charging.
- Strangulation hazard. This device is not a toy. Children have strangled on cords. Keep cords out of the reach of children (more than 3 feet (0.9 meters) away).
- Prolonged exposure to loud sounds (including music) can cause hearing loss. To prevent possible hearing damage, avoid listening at high volume for prolonged periods of time. Continued exposure to high volumes and background noise can make loud sounds seem quieter than they actually are. Check the volume before using headphones or earphones.

BATTERY

This device contains a lithium-ion battery, which is a sensitive component that can cause injury if damaged. Do not attempt to remove the battery. Contact Google or a Google authorized service provider to replace the battery. For contact information, visit g.co/pixelbudspro/help. Replacement by non-qualified professionals can damage your Pixel Buds Pro. Use of a non-qualified battery and improper disposal may present a risk of fire, explosion, leakage, and/or other hazards. Do not open, crush, heat above 113°F (45°C) or incinerate.

DISPOSAL & RECYCLING

Dispose of and transport your device, batteries, and accessories according to local environmental and transportation regulations. Do not dispose of them in normal household waste. For more information on recycling your device, batteries, and accessories, visit [g.co/HWR RecyclingProgram](https://www.google.com/HWR RecyclingProgram)

CLASS 1 LASER PRODUCT

Caution: Complies with 21 CFR 1040.10 and 1040.11 except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019. Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure. Since the laser could be damaged during repair or disassembly, which could result in hazardous exposure to infrared laser emissions that are not visible, this product should be serviced by Google or an authorized service provider.

Laser Module: Made in Taiwan. TXC Corporation, No. 4, Kung Yeh 6th Rd., Ping Cheng Industrial District, Tao Yuan, Taiwan.

CLASS 1 LASER PRODUCT

MEDICAL DEVICE INTERFERENCE

Your device uses radios and other components that emit electromagnetic fields, and contains magnets in the charging case and the earbuds. These electromagnetic fields and magnets may interfere with pacemakers and other implanted and nearby medical devices. Always keep the device and its charger more than 6 in (15 cm) from the surface of the skin near the pacemaker. Hold the device on the other side of your body from the pacemaker or other implanted or nearby medical device. Do not carry the device in a breast pocket or in a pocket near the pacemaker or other implanted or nearby medical devices. If you have questions about using your Google device with or near your pacemaker or other implanted or nearby medical devices, consult your healthcare provider. If you suspect your device is interfering with your pacemaker or medical devices, turn off your device and consult your physician for information specific to your medical device.

Proper Handling and Usage

CARE AND CLEANING

Use a clean, soft, and dry cloth to clean the device and its accessories. Do not use any chemical detergent, powder, or other chemical agents (such as alcohol or benzene) to clean the Pixel Buds Pro or accessories. Do not clean your device while it is charging or plugged in.

WATER RESISTANCE

Your earbuds are designed to comply with a water protection rating of IPX4 under IEC standard 60529 when manufactured, but they are not waterproof. Water resistance is not a permanent condition and decreases or is lost over time due to normal wear and tear, repair, disassembly, or damage. Dropping the earbuds may result in a loss of water resistance. Dry your device after any exposure to liquids.

MAGNETIC FIELDS

Avoid placing any media containing magnets or sensitive to magnetism, such as credit cards, bank cards, audio/video tapes, or magnetic memory devices, near your earbuds and the charging case, because you may lose information stored on those media. Media containing information sensitive to magnets should be kept at least 2 in (5 cm) away from this device.

Service & Support

For online help and support, visit g.co/pixelbudspro/help. If you send your Pixel Buds Pro for service, you might receive a replacement in place of your original Pixel Buds Pro. Where permitted by law, goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods. If the goods are capable of retaining user-generated data, then the repair or replacement may result in loss of the data.

Regulatory information

Regulatory information, certification, and compliance marks specific to Pixel Buds Pro can be found in this document, inside the charging case, on the product packaging, or as applicable, on paired Pixel phones running Android 10 or

newer under **Settings > Connected devices > Pixel Buds Pro > More Settings > Safety, warranty & regulatory**. Additional regulatory and environmental information can be found at **g.co/pixelbudspro/regulatory**

EMC COMPLIANCE STATEMENT

Important: This device and in-box accessories have demonstrated Electromagnetic Compatibility (EMC) compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions and other electronic devices.

FCC & ISED CANADA REGULATORY COMPLIANCE

This device complies with Part 15 of the FCC Rules and ISED license-exempt RSS standard(s). Operation is subject to the following 2 conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the manufacturer could void your authority to operate the equipment.

This Class B digital apparatus complies with CAN ICES-3(B)/NMB-3(B).

Google Consumer Hardware Limited Warranty – USA and Canada

If there are any differences between this Limited Warranty included in the box with your product and the online Limited Warranty available at g.co/devicewarranty, then the online Limited Warranty will supersede the terms of this in-the-box warranty.

This Limited Warranty applies only if you are a consumer and purchased your Google-branded product ("Google Product") in the United States or Canada.

What does this warranty cover and how long does it last?

Google warrants that a new Google Product (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with Google's published user documentation for one year from the date of original retail purchase in its original packaging by you. If a Google Product has been refurbished by Google or a third party authorized by Google ("Refurbished"), Google warrants that the Refurbished Google Product (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with Google's published user documentation for ninety days from the original date of retail purchase by you (these warranties are collectively referred to as our "Limited Warranty").

What will Google do? (THIS IS YOUR EXCLUSIVE REMEDY)

If a defect covered by this Limited Warranty arises and you return your Google Product as directed by Google during the Limited Warranty period (which is one year for new Google

Products and ninety days for Refurbished Google Products), Google will elect in its sole discretion and to the extent permitted by law to repair your Google Product using new or refurbished parts, replace your Google Product with a new or refurbished Google Product functionally at least equivalent to yours, or accept the return of your Google Product in exchange for a refund of the purchase price you paid for your Google Product. If Google repairs or replaces your Google Product, the repaired or replaced Google Product will continue to be warranted for the remaining time of the original warranty period. All returned parts for which you have received a replacement will become the property of Google. Repair or replacement may result in loss of data. Nothing in this Limited Warranty will reduce or otherwise affect your statutory rights in relation to your Google Product.

THE LIMITED WARRANTY WRITTEN ABOVE IS THE ONLY EXPRESS WARRANTY GOOGLE PROVIDES FOR YOUR GOOGLE PRODUCT, AND THE ABOVE REMEDY IS YOUR SOLE REMEDY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS OF ANY KIND, WHETHER STATUTORY OR IMPLIED, ARISING FROM COURSE OF CONDUCT OR OTHERWISE, REGARDING YOUR GOOGLE PRODUCT, EXCEPT THAT ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT THAT CANNOT BE DISCLAIMED ARE LIMITED IN DURATION TO THE PERIOD OF THE EXPRESS WARRANTY ABOVE (EITHER ONE YEAR OR NINETY DAYS, DEPENDING ON WHETHER YOUR GOOGLE PRODUCT IS NEW OR REFURBISHED).

Some states, provinces or territories do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

What does this warranty not cover? This Limited Warranty is only valid and enforceable in locations where the Google Product is sold and will apply only if you purchased your Google Product from Google or its authorized resellers. This Limited Warranty only applies to hardware components (and not any software elements) of Google Product. This Limited Warranty also does not apply to any consumable parts, such as batteries or protective coatings, that due to their nature diminish over time, unless failure has occurred due to a defect in materials or

workmanship, nor to any cosmetic damage unless failure has occurred due to a defect in materials or workmanship. This Limited Warranty does not apply to damage caused by: (1) normal wear and tear; (2) accidents; (3) misuse (including failure to follow product documentation); (4) neglect; (5) disassembly; (6) alterations; (7) servicing other than by Google-authorized technicians; and (8) external causes such as, but not limited to: liquid damage, exposure to sharp objects, exposure to excessive force, anomalies in the electrical current supplied to the Google product, and extreme thermal or environmental conditions. Liquid damage voids this Limited Warranty. This Limited Warranty does not guarantee that use of the Google Product will be uninterrupted or error-free.

The ninety-day Limited Warranty Google provides for Refurbished Google Products is not applicable to Google Products refurbished by third parties not authorized to do so by Google, even if sold by a Google authorized reseller.

YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE AND ITS SUBSIDIARIES AND AFFILIATES (COLLECTIVELY, "GOOGLE PARTIES") SHALL NOT BE LIABLE TO YOU UNDER ANY THEORY OF LIABILITY (WHETHER CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OR FAILURE OF ANY WARRANTY OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES THAT MAY BE INCURRED BY YOU IN CONNECTION WITH YOUR GOOGLE PRODUCT OR THESE TERMS, INCLUDING ANY LOSS OF DATA, WHETHER OR NOT A GOOGLE PARTY OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF OR SHOULD HAVE BEEN AWARE OF THE POSSIBILITY OF ANY SUCH LOSSES ARISING. YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE GOOGLE PARTIES' TOTAL LIABILITY IN CONNECTION WITH YOUR GOOGLE PRODUCT OR THIS LIMITED WARRANTY WILL NOT EXCEED THE AMOUNT YOU ACTUALLY PAID AT RETAIL FOR YOUR GOOGLE PRODUCT.

Some states, provinces or territories do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

What if my Google Product also has damage which is not covered by this Limited Warranty? If, in addition to a defect covered by this Limited Warranty, your Google Product also has damage which is not covered (for example, damage caused by normal wear and tear or misuse by you) then Google is only responsible for addressing the defect covered by this Limited Warranty. In certain circumstances, Google may be prevented or restricted in carrying out the repair work until the damage which is not covered has also been fixed. For example, if your Google Product has a cracked screen then this may prevent Google from carrying out the repair work unless the screen is also fixed. If this happens, where permitted by law, Google may notify you and may give you the option of: (1) Google repairing the damage not covered by this Limited Warranty at your cost (and Google will tell you the amount in advance); or (2) Google returning your Google Product to you without carrying out any repair work.

What if my Google Product is damaged by liquid? If your Google Product has sustained liquid damage this Limited Warranty no longer applies and Google will not carry out any repair work. Google will give you the option of: (1) replacing your Google Product at your cost (and Google will tell you the amount in advance); or (2) Google returning your Google Product to you.

How do you make a claim? To make a claim under the Limited Warranty, please contact Google Product Support at g.co/warrantyclaim. You must provide your name, contact information, and the serial number of your Google Product to receive support. Before receiving warranty service, Google may require that you provide proof of purchase details, respond to questions designed to assist with diagnosing potential issues and follow Google's procedures for obtaining warranty service.

Other limitations: No vendor, seller, authorized reseller, employee, or representative of Google or its affiliates or any third party is authorized to make any modification, extension, or addition to this Limited Warranty. If any term of this Limited Warranty is held to be illegal or unenforceable, the remaining terms of this Limited Warranty will remain in full force and effect.

How state, province, territory, and other laws apply to you: This warranty gives you specific legal rights, and you may also have other rights that vary from jurisdiction to jurisdiction.

This Limited Warranty is given by Google LLC, organized in the state of Delaware, whose principal place of business is at 1600 Amphitheatre Parkway, Mountain View, CA, 94043, United States.

G953-00932-01 REV F

The limited warranty is also available in the Google Hardware Warranty Center: g.co/devicewarranty

Arbitration (US ONLY)

NOTICE OF ARBITRATION

In accordance with the Google Arbitration Agreement - Devices, Related Accessories, and Related Subscription Services ("Arbitration Terms") set forth at g.co/devicearbitration, you acknowledge and agree that disputes relating to your Google device, related accessories, and related subscription services for your Google device ("Google Device") will be resolved through BINDING ARBITRATION on an individual, non-class basis, unless you have opted out or another exception applies as described in the Arbitration Terms. For disputes subject to arbitration, you agree to first send a written notice of the dispute by certified U.S. Mail or by Federal Express (or international equivalent) to Google's address for notice, Google LLC, Legal Department - Hardware Arbitration, c/o Corporation Service Company, 2710 Gateway Oaks Drive, Suite 150N, Sacramento, CA 95833. The notice has to include, if available: (a) the name of the person making the claim, (b) the type of Google Device, as applicable, (c) the serial number of the Google Device, (d) the email address used to activate the Google Device, as applicable, (e) a description of the nature and basis of the claim, (f) the result that is desired (e.g., an amount of money), and (g) the case number(s) assigned by Google to track previous attempts to resolve the dispute, if there is one. We each agree to try to resolve the claim, but if we can't do that within 60 days after the notice is received, you or Google may initiate an arbitration proceeding by following the American Arbitration Association ("AAA") Rules. Unless the parties agree otherwise, your demand for arbitration must be sent to Google's address for notice and entitled "Demand for Arbitration." Google will send demands for arbitration to you at the e-mail address provided in the notice of the dispute.

Et si mon Produit Google est endommagé par des liquides?

Si votre Produit Google a subi des dommages causés par des liquides, la présente Garantie limitée ne s'applique plus, et Google n'effectuera aucune réparation. Google vous donnera le choix entre deux options : (1) Google peut remplacer votre Produit Google à vos frais (et Google vous informera du montant à l'avance); ou (2) Google peut vous retourner votre Produit Google.

Comment pouvez-vous faire une réclamation? Pour effectuer une réclamation dans le cadre de la Garantie limitée, veuillez communiquer avec le service d'assistance du Produit Google à la page g.co/warrantyclaim. Vous devez fournir votre nom, vos coordonnées et le numéro de série de votre Produit Google pour bénéficier d'une assistance. Avant de vous offrir un service de garantie, Google pourrait vous demander de fournir une preuve d'achat, de répondre à des questions conçues pour aider à diagnostiquer les problèmes potentiels, et de suivre les procédures de Google pour l'obtention d'un service de garantie.

Autres restrictions : Aucun fournisseur, vendeur, revendeur autorisé, employé, ni représentant de Google ou de ses sociétés affiliées ni aucun tiers n'est autorisé à effectuer quelque modification, extension ou ajout à la présente Garantie limitée. Si une disposition de la présente Garantie limitée est déclarée illégale ou inapplicable, les autres dispositions de la présente Garantie limitée resteront pleinement exécutoires.

Application des lois étatiques, provinciales, territoriales et autres à votre cas : La présente Garantie vous donne des droits particuliers reconnus par la loi et vous pouvez également disposer d'autres droits qui peuvent varier d'un territoire ou d'une province à l'autre.

La présente Garantie limitée est fournie par Google LLC, une société du Delaware, dont le siège principal est au 1600 Amphitheatre Parkway, Mountain View, CA 94043, États-Unis.

G953-00932-02 REV D

La garantie limitée est également accessible dans le centre de garantie du matériel Google : g.co/devicewarranty
