14. Cautions

The product contains electronic equipment that, if improperly handled or disposed, may damage the environment or cause injury:

1. Do not open the shell;
2. Do not replace the built-in battery by yourself;
3. Do not clean the product with corrosive cleansers;

4. Do not charge the product when it is wet;
5. Do not charge the product if it is not completely dry.
6. Do not leave the product in direct sunlight for a long time;
7. Do not use the product in sauna or steam rooms;
8. Do not place the product in an environment under non-operating temperatures;
9. Do not use the product if screen or case is damaged;
10. Do not put the product into dishwasher, washing machine or dryer;
11. Do not put the product into fire; the battery may explode;
12. Please use the USB port of computer or mobile phone charger properly when charging.
13. If the temperature of the product rises too sharply during charging, please stop charging.

15. realme Watch Care

- Do not expose your realme Watch to liquid, moisture, humidity, or rain while charging. Exposure of the realme Watch to moisture while charging could result in electric shock.
- Do not tamper with or abuse the realme Watch. For example, without limitation, do not drop, disassemble, open, crush, excessively bend, deform, puncture, shred, microwave, incinerate, paint, or insert foreign objects into the realme Watch.
- Do not use abrasive cleaners to clean your realme Watch.
- Do not expose your realme Watch to extremely high or low temperatures.
- Do not leave your realme Watch near open flames such as cooking burners, candles, or fireplaces.
- Do not bring your realme Watch into contact with any sharp objects. This could cause scratches and damage.
- Do not insert anything into your realme Watch unless otherwise specified in the user instructions. This may damage the internal components.
- Do not attempt to repair, modify, or disassemble your realme Watch; it does not contain any user-serviceable components.

16. Safety Instructions

1. This product is not a medical device and cannot be used to diagnose, treat, cure or prevent any disease;
2. Consult a doctor before starting or adjusting any exercise plan;
3. If you currently have any preexisting physical conditions that may be affected by the use of this product, please consult your doctor first;
4. Some users may have skin irritation or allergy after wearing the wristband for a long time. In cases of redness, swelling, itching or other allergic symptoms, please consult your doctor.
5. Do not check screen information when driving, being distracted, or other circumstances that may be dangerous;
6. This is not a toy. Do not allow children or pets to play with the product. Small components of the product may cause choking hazards;
7. Product functionalities may be affected by external factors such as interference, therefore data is for reference only;

8. The product has a heart rate recording function. Wearing for a long time may cause some users to have skin discomfort, allergic symptoms, or some risk for the users suffering from certain diseases. If any of the followings occurs, please consult your doctor before use or stop using this product:
 - Epilepsy or sensitive to light;
 - Poor blood circulation or prone to have bruises; Heart disease or other diseases;
 - Taking any light sensitive drugs.

17. Medical Disclaimer

WARNING: THIS REALME WATCH IS NOT A MEDICAL DEVICE.

The realme Watch and its associated applications should not be used to diagnose, treat, or prevent any disease or medical condition. Always seek the advice of a qualified medical professional before making any changes to your exercise, sleep or nutrition, as doing so may cause severe harm or death.

18. Other Notes

- Do not dispose of the battery against with regional regulation of household waste.
- Package recycle should be in accordance with local regulations.

19. FCC Statement

This device complies with part 15 of the FCC rules . Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help
- This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter.

20. Warnings :

- Replacement of a battery with an incorrect type that can defeat a safeguard (for example, in the case of some lithium battery types);
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion;
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas;
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.
