Fill and Install the Pod

1. How to fill

Remove the black mouthpiece to reveal the top-fill section and add e-liquid.

Important

- Wait for at least five minutes after filling to allow the new pod to saturate with E-liquid.
- Keep the pod from going completely empty of E-liquid. Refill it regularly to avoid dry hits or coil damage.

2. Insert the magnetic pod into the device.

Adjusting the Airflow

Adjust the airflow control for your desired draw.

Power On/Off the Device

Press the power button three times within two seconds.

Installing and Removing the Battery

To remove the battery, pinch the snap joint on both sides and pull the battery downward. If you need to replace the battery, simply push the new battery into the device.

Home Screen

Puff Time

While vaping, the duration of your current draw will be displayed in seconds.

Adjusting the Wattage

- Double-click the power button to enter adjustment mode. When the power value flashes, click the power button to select the upward wattage value; it will loop from maximum to minimum.
- Press and hold the button again to enter the quick adjustment model.
- Wait for five seconds to exit the wattage setting.

EcoDrain™ (Self-discharging Mode)

While off, connecting the device to a charger and pressing the button 10 times quickly will make the device entire self-discharge mode. While in this mode, a recycling symbol will be shown on the display.

Charging

- Charge promptly based on battery level. Do not allow the battery to stay under 10% or above 90% for extended periods.
- Use a standard output charger and charging cable with the correct charging current and voltage range.
- Charging pauses when vaping and resumes when the button is let go.

Caution

- Turn the device off when not in use to avoid depleting the battery and minimize excess battery wear.
- Avoid dropping, throwing, or mishandling the device to prevent damage.
- Protect the device from direct sunlight, dust, moisture, or mechanical shock.
- Keep the device away from any water, liquid, or flammable gas.
- Keep the contents of this package out of reach of children, non-smokers and animals.
- Do not leave the device charging while unattended.
- Do not use it if pregnant or breast feeding.
- Warning: Do not use this product if you suffer from heart disease, severe hypertension, diabetes, stomach ulcers or have a history of seizures.

EEE Recycling

This product is meant to be disposed of in an approved e-waste receptacle or recycling bin. Do not throw it away in standard waste receptacles.
