ASSEMBLY INSTRUCTION

Attention: Do not tighten the screws untill all of them are in right positions.

1. lt's recommended to have two people for the installation, this will significantly improve your efficiency.
2. Before you begin: lay out all of the parts on a non-abrasive surface to identify the number tags in the manual and count before assembly. Please use the screws correctly to avoid popping the desk panel.
3. For a smooth assembly process, we suggest you keep a lite tightness for all the screws during assembly. After the whole desk is assembled, firmly tighten all the screws.
