Pair

Get Paired

The first time you power on your headphones, the pairing process begins.

- 1 Slide the power switch on. You hear "pairing" and the LEDs flash red and blue.

- **iPhone and Android** Follow the voice-guided pairing instructions.
- **Other phones** Use your phone's menu to:
 - 2 Activate **Bluetooth®** on your phone and set it to search for new devices.
 - 3 Select "PLT BB600 Series."
If necessary, enter four zeros (0000) for the passcode or accept the connection. Once successfully paired, you hear "pairing successful" and the LEDs stop flashing.

Pair second device

- 1 Slide and hold the power button towards the Bluetooth icon until the LEDs flash red and blue.

- 2 Select "PLT BB600 Series" in your device's Bluetooth Settings.

Pair to Mac

If your Mac is Bluetooth enabled, you can pair your headset to it.

- 1 Place your headset in pair mode (slide and hold the power button towards the Bluetooth icon). You will hear "pairing" and the LEDs will flash red and blue.
- 2 On your Mac, choose Apple menu > System Preferences > Bluetooth.
- 3 Click Set Up New Device or "+", select "PLT BB600 series stereo" and follow the onscreen instructions.

Charge and fit

Charge

It takes up to 90 minutes to fully charge your headset. The LEDs turn off once charging is complete.

TIP *To check the headset battery status, tap the Call button while wearing your headset. Headset must be in idle state.*

Your headset has up to 18 hours of listening time.

The basics

Headset overview

	Mute/unmute
	Volume up
	Volume down
	Play/pause music
	Track forward
	Track backward
	Bluetooth pair button

Redial last outgoing call

Double-tap the Call  button.

Mute

During a call, press the Volume up  and Volume down  buttons. You hear "mute on/off."

Find your headset

Most headsets are found under car seats, in pockets or on a messy desk. For less obvious locations, locate your headset by sending a tone to find it.

- 1 Download the Plantronics Hub app for iOS and Android by visiting plantronics.com/software.
- 2 Locate your lost headset by using Find MyHeadset within the Plantronics Hub app.
