"Hey TuneIn, listen to the Yankees game"  
"Hey TuneIn, turn on Bloomberg Radio"

Visit the QR code above for more info and troubleshooting.

## HANDS-FREE CALLS

Status displayed

Press

- " " to answer call

- " " to end or reject call

- " " 2x to redial last number

Note: May also use the Bluetooth connected device to disconnect the call.

Example

## Specifications

DC Input

12V-24V DC 5A

USB-A Output

5V/2.1A

USB-C Output

5V/3A 9V/2.22A

Bluetooth Version

V5.2

Audio Frequency

20H~20KHz

Stand-by Current

50mA(Max)

Bluetooth Working Frequency

2.402~2.480GHz

Bluetooth Effective Distance

32ft

FM Emission Effective Distance

6ft

RF Output

1.352dBm

FM Frequency

88.1MHz-107.9MHz

## Legal

### STATEMENT

#### FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

## Safety Precautions

### CAUTION

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio/TV technician for help.

#### Bluetooth Trademark Statement

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Walmart Inc. is under license. Other trademarks and trade names are those of their respective owners.

## Warranty

### 1 YEAR LIMITED WARRANTY COVERING DEFECTIVE PARTS

The Warranty Period lasts for 1 year (365 days) from the date you purchased the Product. Your purchase date is printed on the receipt you received with the Product.

This limited warranty applies only to hardware components of the Device that are not subject to accident, misuse, neglect, fire or damage from other external causes, alteration, repair, or commercial use.

## Troubleshooting

### Issue

#### Poor sound quality

The selected FM station is the same as a broadcast FM station

#### No audio transmitted

Incorrect FM station selected

#### The car stereo is very noisy in radio mode

High volume level selected on the car stereo

#### Prevention/Solution

Change to another FM station

Adjust the device FM station to match the vehicle FM station

Turn up the volume of Bluetooth connected device and turn down the volume of the car stereo to reduce noise

Do not disassemble

Warning Spray

Keep Dry

Warning Flammable

Important: Use "Voice commands" when possible while driving.
