

INTRODUCTION

Bluestone Air headphones are an amazing pair of headphones. They are light and airy as well as appealing with a nice matte coat. Air has a multifunction button on the headphone itself that you can use to do different things. The Charging case doesn't only charge the headphones, but it also can turn into an emergency power bank for your phone if needed. Make sure the case has a full charge before you leave the house that way everything can be and stay full charged!
