Ready Stock Parts Supply Lockers

The parts you need, right at hand.

The Ready Stock™ Parts Supply Locker program enables you to have parts stocked at your place of business.

Why is Ready Stock right for your business?

Convenience

- Parts are conveniently available when you need them, saving you time and money
- Save yourself the trip – your dealer comes to you

Cost Savings

- No up-front cost – the locker and parts management are free at participating dealerships*
- Pay only for the parts you use

Inventory Management

- Parts are stocked by your dealer and customized to your specific needs
- Eliminates obsolete inventory – parts are updated regularly

How do I participate in the Ready Stock Parts Supply program?

1. Contact your dealer to order a Ready Stock Parts Supply Locker.
2. Your dealer will work with you on your customizable parts list.
3. Your dealer will manage and restock inventory for you on an agreed upon schedule.
