CAUTION

PLEASE READ BEFORE INSTALLING

This user manual contains important safety regulations. Any non-conforming use may result in personal injury or mechanical damage. Please read this user manual carefully before use as it provides key information about safety, use, assembly and maintenance of the Secretlab L-Shaped Desk Extension.

Ensure that you have received all parts according to the part checklist prior to installation. If any parts are missing or faulty, contact the Secretlab support team for replacements. The Secretlab L-Shaped Desk Extension is to be assembled by at least two people. This product contains small items that could be a choking hazard if swallowed. Keep these items away from children and pets. Do not overtighten the screws during installation.

Do not exceed the maximum load capacity of the extension table top (100kg). Do not wobble the desk extension forcefully on purpose. The Secretlab L-Shaped Desk Extension is designed for indoor use only. Using the product outdoors could lead to product failure and personal injury. Place the desk extension away from corrosive gas, water and dusty environment. Alteration or modding of any factory components outlined in the part checklist will automatically void your warranty.

USE AND LIABILITY

The Secretlab L-Shaped Desk Extension is designed for indoor use and dry work areas only. Under no circumstances does the manufacturer accept warranty claims or liability claims for damages caused from improper use or handling of the extension desk. For warranty terms and service or any other queries, scan the QR code or visit our website secretlab.co/support.

USAGE AND SAFETY INSTRUCTIONS

This desk is not intended for use by children without adult supervision.

Do not stand on the desk.

Do not exceed the maximum load capacity stated for the table top and rear cover.

Do not sit on the desk.

Do not adjust the desk height when there is heavy load on top.

Do not drag the desk across the floor.

Do not use the desk as a cutting surface.

Do not place your hand or fingers between the rear cover and table top.

BEFORE YOU START

Remove all items from your Secretlab MAGNUS before starting.

If you wish to install a monitor arm on your L-Shaped Desk Extension, please refer to the usage instructions on **page 15**.

The Secretlab L-Shaped Desk Extension is reversible and can be installed on either side of the Secretlab MAGNUS. The diagram below shows a few possible configurations.

HOW TO CONFIGURE YOUR DESK

01

Preparing your Secretlab MAGNUS

Remove all contents from the L-Shaped Desk Extension packaging box and check that you have received all the parts.

02

Reduce the desk's height to the minimum by using the larger height adjustment Allen key and turning anti-clockwise. Make sure that all legs are adjusted to the minimum height.

03

04

01

Assembling the L-shaped Desk Extension

With at least two people, lift the extension table top and place it upside down onto a debris-free area to protect the table top surface.

04

Align the desk extension with your Secretlab MAGNUS. Adjust it in all four directions and ensure that there is little to no gap between them.

05

Using the larger height adjustment Allen key, turn anti-clockwise to tighten both fasteners on the connecting bracket.

! Ensure that the fasteners are tightened all the way in.
