

RedLINK™ Product Selection Guide

Prestige® IAQ Comfort System

Prestige is selectable for both residential or light commercial applications. They also offer Delta T Alerts and Diagnostics (requires Equipment Interface Module), have configurable staging options and include a user interaction log.

	Prestige IAQ System — YTHX9421R5101 Prestige IAQ Thermostat, Equipment Interface Module, Wireless Outdoor Sensor and Two Return/Discharge Air Temperature Sensors.
	Prestige IAQ Kit — YTHX9421R5085 Prestige IAQ Thermostat, Equipment Interface Module and Two Return/Discharge Air Temperature Sensors.
	Prestige IAQ Kit — YTHX9421R5127 Prestige IAQ Thermostat, Equipment Interface Module, Two Return/Discharge Air Temperature Sensors and a RedLINK Internet Gateway

VisionPRO 8000

With RedLINK technology, the Honeywell VisionPRO 8000 helps you sell a total comfort solution like never before for both residential and light commercial use.

	RedLINK VisionPRO — TH8321R1001 VisionPRO 8000 with RedLINK technology. Up to 3H/2C heat pump or up to 2H/2C conventional. Includes a set of universal IAQ contacts to control humidification, dehumidification or ventilation
	RedLINK VisionPRO — TH8320R1003 VisionPRO 8000 with RedLINK technology. Up to 3H/2C heat pump or up to 2H/2C conventional
	RedLINK VisionPRO — TH8110R1008 VisionPRO 8000 with RedLINK technology. 1H/1C heat pump or 1H/1C conventional
	RedkLINK Internet Gateway VisionPRO Kit - YTH8321R1002 VisionPRO 8000 with RedLINK technology. Up to 3H/2C heat pump or up to 2H/2C conventional. Includes a set of universal IAQ contacts to control humidification, dehumidification or ventilation and a RedLINK Internet Gateway.

Wireless FocusPRO® Systems – (Non-Zoned)

Everything you need to relocate a thermostat or upgrade equipment.

	Programmable Wireless FocusPRO Kit — YTH6320R1001 Programmable FocusPRO, Equipment Interface Module and Return Air Sensor
	Non-Programmable Wireless FocusPRO Kit — YTH5320R1000 Non-Programmable FocusPRO, Equipment Interface Module and Return Air Sensor

EConnect™ Wireless Thermostats for Electric Heat

Thanks to RedLINK communication and the simple wiring of an Equipment Interface Module to an electric heat baseboard, convector or fan-forced heater, your customers can experience the comfort they want controlled from a wireless thermostat located exactly where they want it.

	Wireless Line Volt Thermostat Kit — YTL9160AR1000 EConnect Thermostat and Equipment Interface Module
---	--

Wireless Zoning Systems

When used with our RedLINK TrueZONE® Panels, the Wireless Adapter allows you to easily – and wirelessly – add zoning to a home or building; or, add more zones to an existing system.

	Programmable Wireless Zoning Adapter Kit — YTH6320R1023 Programmable Wireless FocusPRO Thermostat and Wireless Adapter
	Non-Programmable Wireless Zoning Adapter Kit — YTH5320R1025 Non-Programmable Wireless FocusPRO Thermostat and Wireless Adapter
	Prestige IAQ Thermostat - THX9421R5021 Prestige IAQ Thermostat can be used to control a wireless zone when connected to a THM4000R1000.
	Wireless FocusPRO Thermostat - TH6320R1004 5-1-1 Programmable FocusPRO Thermostat
	Wireless FocusPRO Thermostat - TH5320R1002 Non-Programmable FocusPRO Thermostat

Wireless Honeywell Steam Humidification Systems

All Honeywell Steam Humidifiers can be conventionally wired or controlled wirelessly through RedLINK Technology with Prestige, VisionPRO and the Wireless Adapter. Honeywell Steam humidifiers include the Reverse Osmosis (RO) filtration system.

	Honeywell Steam 9-gallon humidifier —HM609A1000 Honeywell Steam 9-gallon humidifier with HumidiPRO digital humidity control and RO filtration system.
	Honeywell Steam 12-gallon humidifier — HM612A1000 Honeywell Steam 12-gallon humidifier with HumidiPRO digital humidity control and RO filtration system

Accessories

	THM6000R1002 RedLINK Internet Gateway
	C7189R1004 Wireless Indoor Sensor
	C7089R1013 Wireless Outdoor Sensor
	REM5000R1001 Portable Comfort Control
	C7735A1000 Return/Discharge Air Temperature Sensor
	THM5421R1021 Equipment Interface Module (EIM)
	YTHM5421R1010 Equipment Interface Module (EIM) with two Return/Discharge Air Temperature Sensors
	THM5320R1000 Equipment Interface Module for FocusPRO
	TLM1110R1000 Honeywell Wireless Line Volt Equipment Interface Module
	THM4000R1000 Wireless Adapter for TrueZONE, Honeywell Steam or to extend wireless range of EIM
	THP9045A1023 WireSaver Module
	REM1000R1003 Wireless Entry/Exit Remote
	HVC20A1000 Wireless Vent and Filter Boost Remote

Connect to More Sales with Accessories

RedLINK™ accessories give your customers the option of customizing their RedLINK Wireless Comfort system to achieve their control, comfort and convenience needs. With installation that requires no more than a few minutes and the touch of a button, RedLINK offers you the opportunity to increase profitability through add-on sales.
