

THE ALL NEW MG5 EV

A NEW GENERATION OF VERSATILE SUV

① BATTERY TECH ② DRIVEABILITY ③ CONTROLS ④ COMFORT ⑤ SAFETY

**Why be good at one thing,
when you could be great at five?**

A new generation of versatile SUV,
combining rapid charging, generous
cabin space, intelligent driver controls,
exciting driving dynamics, and abundant
safety features all as standard.

MG55 EV

RAPID

CHARGING

① BATTERY TECH ② DRIVEABILITY ③ CONTROLS ④ COMFORT ⑤ SAFETY

Rapid DC charging, from 10-80% in up to 28 minutes and up to 480KM range WLTP.

NEW GENERATION BATTERY

Our latest ultra-thin battery technology gives you better performance and an even longer lifespan, all while taking up less space – so there's more cabin room for everyone.

ULTRA THIN BATTERY
FOR MORE CABIN SPACE

KERS ENERGY RECOVERY SYSTEM

UP TO 480KM RANGE (WLTP)

DC FAST CHARGING
10-80% IN UP TO 28 MINUTES

Rapid Charging

With DC fast charging, you can charge the 64kWh battery from 10-80% in up to 28 minutes. The MGS5 EV uses a 400V system meaning you can easily charge to speeds of up to 139kW.

Up to 480KM WLTP Range

Free yourself from range anxiety with our new generation battery that supports a driving range of up to 480KM WLTP combined. The standard-equipped Kinetic Energy Recovery System (KERS) works in harmony to enhance the driving range. Go explore those open roads.

Longer Lifespan Battery

Our 3rd Generation Battery technology is designed for high charge retention, even at fast charging speeds.

DYNAMIC DRIVING EXPERIENCE

① BATTERY TECH ② DRIVEABILITY ③ CONTROLS ④ COMFORT ⑤ SAFETY

Built on the same multi award-winning platform that redefined the category, the MGS5 EV benefits from a light and balanced chassis, designed to deliver superior handling and a driving experience to set a new standard for all-electric SUVs.

AWARD WINNING PEDIGREE

Award Winning EV Platform

Based on the MG's innovative Modular Scalable Platform (MSP). This highly acclaimed bespoke EV platform was first introduced on the multi-award winning MG4 in 2022 – The MGS5 EV is our latest vehicle to adopt it.

The MSP is our clever vehicle architecture built for pure electric models – designed to maximise battery efficiency, whilst reducing weight and optimise cabin space.

0-100kmph in 6.3 seconds

The Long Range versions of the All New MGS5 EV come equipped with a 170kW motor, powering the rear wheels to accelerates from 0 to 100 kmph in just 6.3 seconds, giving it surging performance among the best in its class.

FIVE-LINK REAR SUSPENSION

HIGH-STRENGTH STEEL

ALUMINIUM ALLOY WHEEL BRACKETS
30% LIGHTER

Superior Handling

Feel connected and in control with a carefully engineered lightweight chassis and optimised weight distribution to improve responsiveness, ride and handling.

The five-link rear suspension provides superior stability over bumps, whilst absorbing nasty shocks to improve driving comfort. This, coupled with the minimal body roll helps the MGS5 EV feel responsive and stable on even the most challenging roads.

One Pedal Driving Mode

One Pedal Driving Mode is the perfect companion to urban driving. This smart feature lets you slow down by just lifting your foot. You can adjust how strong it feels across three settings, plus an automatic option, with the strongest charging the battery more.

INTELLIGENT DRIVER CONTROLS

① BATTERY TECH ② DRIVEABILITY ③ CONTROLS ④ COMFORT ⑤ SAFETY

Take full control of your driving experience by customising the MGS5 EV's tech features to your preferences.

TECH TAILORED TO YOUR PREFERENCES

MG Pilot Customisable Driver Settings

You're in control. Select the key information you need on the 10.25" driver display screen, like navigation or lane assist. Want to deactivate or activate driving assistance features? Our innovative MG Pilot Custom Feature allows you to save your favourite driver assistance settings and easily access them at the start of each drive. Smart.

Wireless Apple CarPlay™ and Android Auto™ as standard

Your device on our display. Make phone calls, navigate and listen to music. The MGS5 EV is equipped as standard with Wireless Apple CarPlay™ and Android Auto™ integration so you can connect your phone's best features to your car.

MG iSMART connectivity system

MG iSMART is our intelligent system that links your car, your phone, and the internet. You can easily use the app to locate, check its status or even pre-heat the cabin. Toasty.

COMFORT

ZONE

- ① BATTERY TECH
- ② DRIVEABILITY
- ③ CONTROLS
- ④ COMFORT
- ⑤ SAFETY

Experience next-level comfort and convenience with a meticulously designed interior that blends luxury, space, and intuitive technology.

GENEROUS SPACE. NEXT LEVEL COMFORT.

Wireless Connection and Charging

The MGS5 EV comes with wireless connection to Apple CarPlay™ and Android Auto™ as standard to easily pair your favourite phone features with your car's HD touchscreen.

You can even charge your smartphone on the go with a wireless tray located conveniently in the centre console on our Trophy model.

Generous Space for Everything

Experience next level comfort and convenience with a carefully crafted interior that prioritises space. There's extra legroom and headroom, making it a comfortable ride for everyone. Plus, the adjustable boot floor provides flexible cargo options, offering a maximum volume of 1441L adaptable space.

12.8" HD Touchscreen

A 12.8-inch HD touchscreen serves as a central infotainment feature. Designed to be highly intuitive, with simple functionality. From setting your satnav to picking your favourite tune, a quick tap of the screen is all it takes.

Integrated Apps

Enjoy your favourite apps like Spotify and YouTube on the MGS5 EV's big 12.8-inch HD screen with its new integrated applications feature, standard in our Trophy model.

Power Tailgate

Open up the MGS5's 453L trunk on our Trophy model with the wave of a foot or push of a button. The electrically powered tailgate provides convenient hands-free access when you really need it.

Innovative Storage Solutions

You'll find up to 33 storage and practical places to keep your things, all within easy reach including a dedicated spot for your phone in the centre, so everything stays tidy and within reach.

SAFETY AS STANDARD

Drive with confidence, knowing your vehicle is built to meet the highest safety standards.

All models include seven airbags: front, side, curtain, and a central airbag, all set within a reinforced steel frame chassis for extra protection.

Our Exclusive model features the 360° HD Surround View Camera to show you a full view of what's around the car with its four wide-angle cameras. Ultrasonic sensors alert you to obstructions, and dynamic reversing assist helps you park at the perfect angle.

① BATTERY TECH ② DRIVEABILITY ③ CONTROLS ④ COMFORT ⑤ SAFETY

PACKED WITH SAFETY AS STANDARD

MG Pilot

MG Pilot is the ultimate driving companion. Our Advanced Driving Assistance Systems (ADAS) keep you connected, in control, and prepared for whatever the journey may bring. There are several safety features including Blind Spot Detection and Rear Cross Traffic Alert, all working together to help you drive safer.

Customisable Safety Features

The MGS5 is the first vehicle in our range to feature an MG Pilot Custom Button – a clever function that allows drivers to customise the features on MG Pilot, save their preferences and retrieve them for every time they drive.

It works like this:

1. Simply toggle the safety features you wish to turn on or off.
2. Long press on 'MG Pilot Custom' button to save the preferences.
3. Then, once back in the car, hit 'MG Pilot Custom' button and hit "Confirm" to activate the saved preferences.

Smart.

High Performance Brakes

The MGS5 EV features a high-performance stopping power through an advanced braking system developed in partnership with Continental and Bridgestone. Our Trophy model is capable of braking from 100 kmph-0 in 35.5-meters.

360° HD Surround View Camera

Eliminate blind spots with the 360° HD Surround View Camera available on our Trophy model. Four wide-angle cameras reveal a full view of what's around the car, ultrasonic sensors alert you to obstructions, and dynamic reversing assist helps you park at the perfect angle.
