The NewStar floor stand, model PLASMA-M2000 is a mobile floor stand for flat screens up to 85" (216 cm). This mobile stand is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option. This cart stretches your investment by serving a variety of projection needs by sharing a large display over multiple rooms. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location.

NewStar's versatile tilt (15°) and rotate (180°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the flat screen. You can easily rotate the screen from portrait to landscape and back. The mount is manually height adjustable from 140 to 180 centimetres. An innovative cable management conceals and routes cables from mount to flat screen. Hide your cables to keep the stand nice and tidy.

NewStars' floor stand, PLASMA-M2000 holds your TV, AV equipment and even hides your cables. The casters allow the stand to move it to where you need it. Easily roll this cart through doorways and over thresholds.

NewStar PLASMA-M2000 has one pivot point and is suitable for screens up to 85" (216 cm). The weight capacity of this product is 100 kg each screen. The stand is suitable for screens that meet VESA hole pattern 200x200 to 800x400mm. Different hole patterns can be covered using NewStar VESA adapter plates. Speedy assembly and installation.

All installation material is included with the product.
