

Kitchen Project  
Guide 2024

# Made with you in mind

At **KRAUS®**, we understand that different projects require you to meet a variety of design and budget expectations. That's why we've curated a range of products that allow you to find the perfect fit without compromising on quality or style.

Our product collections are thoughtfully designed to provide an extensive array of choices in size, finish, functionality, and technology, all while prioritizing the best overall value for you and your clients. We continuously raise the bar for affordable sinks and faucets, thoughtfully engineering our products with top-quality materials, trend-relevant designs, and practical functionality. Offering value that extends far beyond aesthetics, our selection of kitchen and bathroom fixtures help to improve daily life and make any space more functional. We stand by our products with an expert customer support team available to provide customized solutions that are tailored to your specific needs.
