
Fantech Select Price Guide

Prices valid in Australia only

FANTECH

Introduction

The Fantech Select price guide has been created to provide our customers with a quick and easy price reference that can be used when you need it. Making costing and estimating of jobs more simplistic and convenient, especially when time is of the essence.

The products shown within are manufactured as stock-line items to reduce the inconvenience of manufacturing lead-times or delay. Please check with your local Fantech distributor for clarification of availability to your region.

**THIS PRICE GUIDE IS EFFECTIVE FROM
1ST SEPTEMBER 2007**

**Prices valid in Australia only - consult your local office for
International prices**

Prices are subject to change and Fantech reserves the right to make changes in design or specification without notice or obligation and to change or discontinue models.

Introduction
