UltimateHome 300 Robotic Vacuum + Mop & Camera Navigation

Product Details

FEATURES

Voice Activation
Voice activation is available via Google Home.

Runtime

Schedule cleaning function

Vacuum and Mop
2-in-1 vacuum and mop.

Advanced filtration

Intuitive Navigation
Intuitive navigation with integrated smart camera.

Powerful performance

BENEFITS

RECHARGE. RETURN. RESUME.
The robot automatically returns to the charging station when the battery is below 20%. Once recharged, the robot returns to the area where it left off and resumes cleaning.

VOICE ACTIVATION
Voice activation is available via Google Home. Wherever your day takes you, you can control your vacuum with your voice to relax and enjoy returning to a freshly cleaned home.

UP TO 120 MINS RUNTIME*
Clean floors for up to 120 minutes on a single charge*. With the smart charging and resuming system, the vacuum resumes cleaning after charging is completed.Internal tests support up to 120 minutes* of use on minimum mode which equals to a calculated surface area of up to 85 square metres.

SCHEDULING CLEAN
Be in control of your cleaning routine using your smartphone. Use the customisable scheduling system to vacuum or mop your floors from your device. Set the date, time, and functions from anywhere using the flexible scheduling system, then relax and enjoy returning to a clean home.

2 IN 1 VACUUM AND MOP
Efficiently clean and mop your floors in one go with the integrated vacuum and mopping function. Adjust water levels for mopping for the desired level of cleanliness via the remote control or mobile app.

ADVANCED FILTRATION
The advanced 3-step filtration system efficiently removes up to 99.99% of dust particles* for a more hygienic and healthier home environment. *Measured on fine particle filter for particles bigger than 0.35 micrometre based on ISO 15E and ISO20E according to ISO29463.

INTUITIVE NAVIGATION

Gyroscopic mapping vacuums with sensor-aided navigation to clean floors in a structured, organised pattern, while the integrated smart camera intuitively guides the robot to every corner of your home. The result is efficient, precise coverage and a thorough clean.

POWERFUL PERFORMANCE

Enjoy powerful vacuuming with a maximum suction of up to 2600Pa and up to 100% dust pick up of medium and large particles for an efficient and thorough clean. *Based on internal test, for particle size from 2 to 7 millimetres, according to IEC 62885-7.

Specifications

MAIN

Brand	Electrolux
Product Type	Robot
PNC	900279478
EAN/UPC	7332543823451
Model/Part number	EFR31223
Replaces model	-
Description	UltimateHome 300 Robotic Vacuum + Mop
Bag/Bagless	Bagless
Warranty Period	2 years

DESIGN

Main colour	Dark Grey

TECHNICAL SPECIFICATIONS

Volt (V)	14.4
Battery cell, type	Li-ION

PACKAGING & LOGISTICS

SINGLE PACKAGE

Gross weight (kg)	4.64
Package width (mm)	435

Package depth (mm)	412
Package height (mm)	128
Package volume (lt)	23
Palette, units per	30
Palette dimension W/D/H (mm)	1200x800x160
Max units in 20 ft cont.	825
Max units in 40 ft cont.	1650

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous productdevelopment, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes theproducts that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products PtyLtd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours ofproducts illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
