## DUAL 21 BAND GRAPHIC EQUALIZER

Thank you for purchasing this Rockville REQ42 Dual 21 Band Graphic Equalizer.

We are very proud to bring you what we consider to be the absolute best value in pro audio equalizers. This project has been a culmination of years of development involving a team of dreamers, engineers, designers and marketing gurus. Proudly conceived and developed in the USA, Rockville pro audio equalizers are designed and engineered by a team of music enthusiasts, DJ's and musicians.

We have spared no expense in manufacturing these equalizers to meet the highest quality standards. With proper care and installation this unit will provide you with the highest levels of sound quality. We hope that this unit will bring you years of performance and reliability.

Our goal to you and to your audience is to hear "live performance sound" the way it was meant to be experienced.

Please read this installation guide carefully for proper use of your Rockville REQ42 Dual 21 Band Graphic Equalizer. Should you need technical assistance please call our technical help line at 1-646-758-0144, Monday through Friday, 9am to 5pm EST.
