

Power bank 20K

SKU BPB20PD22G

EAN 8427542139555

More power in less space

The High-Density 20,000 mAh power bank is all about convenience in a compact format. With 22.5 W of power and Power Delivery technology, it charges smartphones, tablets, and more up to 70% faster. It has two outputs to power two devices at the same time and supports simultaneous charging. Plus, it includes a built-in USB-C cable with a loop function, a power button, and an LED panel to monitor battery status.
