

Catalogue 2025

FITUEYES

A dimly lit, modern living room interior. In the center, a large, dark television sits on a minimalist stand. Above the TV, two large, square speakers are mounted on the wall. To the left of the TV, a framed artwork with the word 'ALICE' is visible. To the right, a small, modern side table holds a record player. In the foreground, a white, curved sofa is partially visible. The floor is covered with a patterned rug, and a glass coffee table is in front of it. The overall atmosphere is sophisticated and contemporary.

Global High-End Audio-visual Furniture Brands

FITUEYES

FITUEYES TV STAND

LIFE SHOULDN'T BE
DEFINED

Creating the future of high-end audiovisual life with innovative design. FITUEYES TV Stand is more than just furniture, it's a reflection of refined living. Born from the founder's passion for aesthetics and daily inspiration, the brand merges design with function to create a unique home lifestyle. With natural curves and modern lines, the TV stand fosters an ambiance of serenity and elegance, blending nature with technology.

It's a lifestyle choice that encourages comfort, family connection, and a home filled with beauty and taste. FITUEYES is dedicated to transforming any space into a cozy, exquisite sanctuary where every detail counts.

Global Brand Strategy

Move Anywhere, Watch Anytime

FITUEYES redefines how and where you watch.
Move it. Place it. Enjoy it —
Anytime, anywhere, effortlessly.

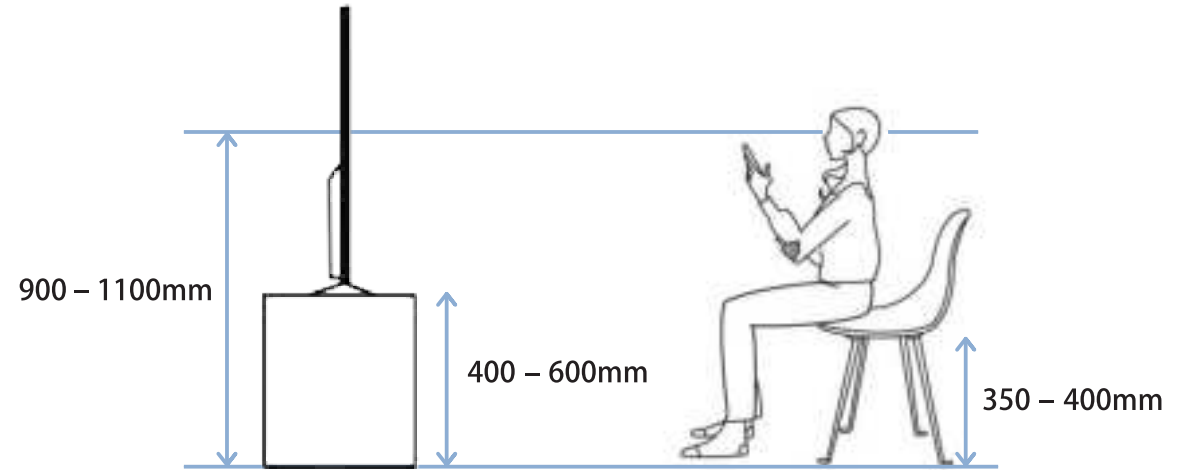

With FITUEYES,
Your TV is no longer confined to the wall.
Our mobile TV stands
Let you enjoy your favorite shows
In the living room, bedroom, or even the attic.

Wherever it rests,
It becomes part of the composition.

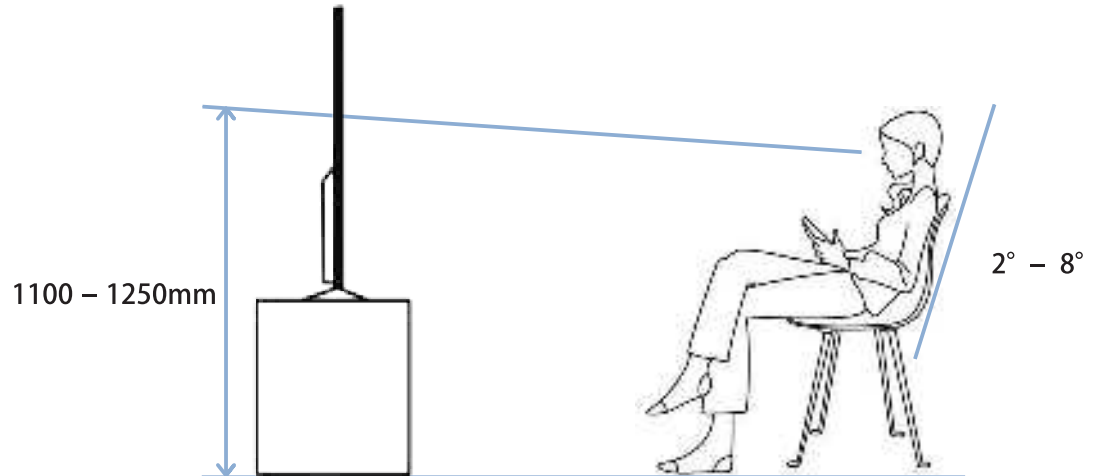

The Dialogue Between People and Products

Watch comfortably anywhere in the room.
Our TV stand stops neck and back strain by letting you see the screen clearly from any spot. It also cuts reflections and keeps the picture true, preventing eye fatigue.

Simply tilt or turn the TV for your best view.
This stops glare and color shift from every angle. You also reach ports and remotes easier, boosting daily use.

Sound, Vision Beyond Imagination

Seeing is believing. When Sound and Vision intertwine, they unleash an incredible power that can transport you from your living room to a deep forest, to distant galaxies, to the ruins of an ancient civilization.

Let The World Be Your Screen

Nature Unbound: Take Your Stand Outdoors. With the freedom to move, the stand can step beyond the confines of your home and into the heart of nature. Whether it's the backyard, a mountain trail, or the beach at sunset, this will bring your entertainment experience to the great outdoors.

The Player's Arena

Gaming is a battlefield, your gear is the weapon. When it's set up just right, the gear has the power to transport you from the comfort of your sofa to the heart of the virtual battlefield.

Sound and Form

Music is experiencing. Because, when sound meets form just right, it has the incredible power to transport you from your living room to the heart of a live performance, to the depths of a soulful melody, to a world where music knows no boundaries.

Eiffel Series

Explore combining stability with industrial romance showcased by Eiffel Series.

Picasso Series

When life needs a little art, the Picasso Series responds with elegant, understated lines.

Master Series

Master the art of simplicity. Live in quiet harmony.

Zen Series

Reveal nature's authentic beauty in its purest form.

Cantor Series

Refined in form. Regal in soul. Redefining luxury through superb craftsmanship.

Collector Series

A bold break from traditional furniture with vibrant color accents

EIFFEL

The Eiffel Series captures the spirit of the Parisian icon, the Eiffel Tower. Bold geometry meets subtle innovation — perfectly blending modern geometric aesthetics with mid-century industrial romance and opening a unique chapter in home aesthetics.

Where Big Screens Meet Deep Immersion

Step into a new era of home entertainment with the Eiffel V2 F100. Designed for ultra-wide screens, it transforms any living space into a personal theater — bold, immersive, and breathtaking. Pair it with the FITUEYES Speaker Stand for a surround sound experience that pulls you into the scene, as if you were there.

Where Modern Design Meets Romance

Drawing subtle inspiration from the Eiffel Tower, the V2 F100 blends architectural strength with minimalist form — featuring industrial materials and clean geometry to create a timeless, sculptural presence.

Eiffel V2 FT100 TV Stand

Eiffel V2 FT88 TV Stand

Form Meets Flexibility

FITUEYES DESIGN

The Eiffel V2 FT88 is built for homes that demand more than just a TV stand. With 15 levels of height adjustment, $\pm 20^\circ$ swivel, and spacious open shelving, it adapts effortlessly to your posture, your room, and your lifestyle. Whether you're optimizing for viewing comfort or maximizing storage, this design works perfectly.

Build Your Soundscape

Pair it with matching Speaker Stands and Audio Racks — available with or without LED Lights, to build a complete audio setup that looks as good as it sounds. From cozy corners to curated listening rooms, FITUEYES helps you shape a space that resonates with your rhythm.

Effortless Sound Optimization

Optional caster wheels enable smooth one-handed repositioning, allowing precise speaker placement adjustments for optimal acoustic performance and immersive listening experiences.

Picasso

Inspired by the postmodern belief that less design gives birth to entirely new creations, the Picasso Series TV stands are designed by simple lines that transcend the ordinary. Embracing purity and rejecting excess, they transform everyday preferences into bold expressions of individuality and taste.

Picasso FT78 TV Stand

FAS Grade Beech Wood

Crafted from premium FAS grade beech wood, the Picasso Series effortlessly blends elegance with durability. Designed for lasting use, it's more resilient than expected — thanks to its sturdy, solid construction. This thoughtful design harmonizes functionality with refined craftsmanship.

Radiant Cutting Surface

The radiant cutting surface ensures a perfect fit and a professional look. It blends in seamlessly with the modern and stylish design of the TV stand, making it a perfect addition to your home or office space.

When Life Needs A Little Art

master

The Master Series is a unique blend of artisanal design and modern aesthetics. It takes less is better than more, and simplicity is better than complexity as its philosophy of life, leading people to explore a more pure and peaceful lifestyle through refined colours and simple shapes.

Master V2 PRO FT48 TV Stand

Inspired by the romance of the south of France, the Master V2 Pro is designed in soft tones. It is like the gentle sunlight at dawn, warm but not harsh, a perfect blend of timeless elegance and modern comfort.

Master V2 FT65 TV Stand

The Master V2 Floor TV Stand with hidden wheels makes every movement easier. The magnetic cover on the back combines the elements of oil paintings to conceal the TV Box, making it both functional and pretty.

A separate cable management system ensures that the overall space is kept simple and organised, adding to the sheer beauty of this artwork-like TV Stand.

Master FT60 TV Stand

Minimalism Is Not Simple

We use minimalist design to balance function and aesthetics, unlocking more possibilities for your space. The streamlined structure maximizes the use of every inch.

Unique Marble Textures

Immerse in the intersection of luxury and simplicity. The unique marble texture base exudes unrivalled sophistication, infusing your space with elegance and style.

ZEN

Zen Series emerges from the organic essence of wood. Rooted in raw timber's integrity, it rejects ornate embellishments to honor primal forms. Sunlight dances through its textured grille patterns, casting shadows that mirror Nordic design's timeless elegance – where nature's honesty meets functional harmony.

Zen FT88 TV Stand

Nordic Timeless Design

The Zen FT88 TV Stand embodies Nordic heritage through clean lines and natural wood textures. Compatible with 55" – 88" TVs and VESA 200 × 100mm – 600 × 400mm mounts, it blends functional simplicity with organic elegance for modern living spaces.

Flexible Height Control

Customize your viewing experience with a 950 – 1200mm adjustable center column. Five precise height settings adapt to furniture, postures, and décor needs seamlessly.

CANTOR

The Cantor Series, rooted in Italy's storied artisanal heritage, exemplifies opulent grandeur through its unwavering pursuit of "Redefining Luxury, Supreme Elegance." This collection celebrates meticulous craftsmanship and sumptuous artistry, weaving refined elegance with ornate sophistication. By elevating restrained opulence through disciplined execution, it transforms classical lavishness into a contemporary manifesto of timeless elegance.

Cantor FT100 TV Stand

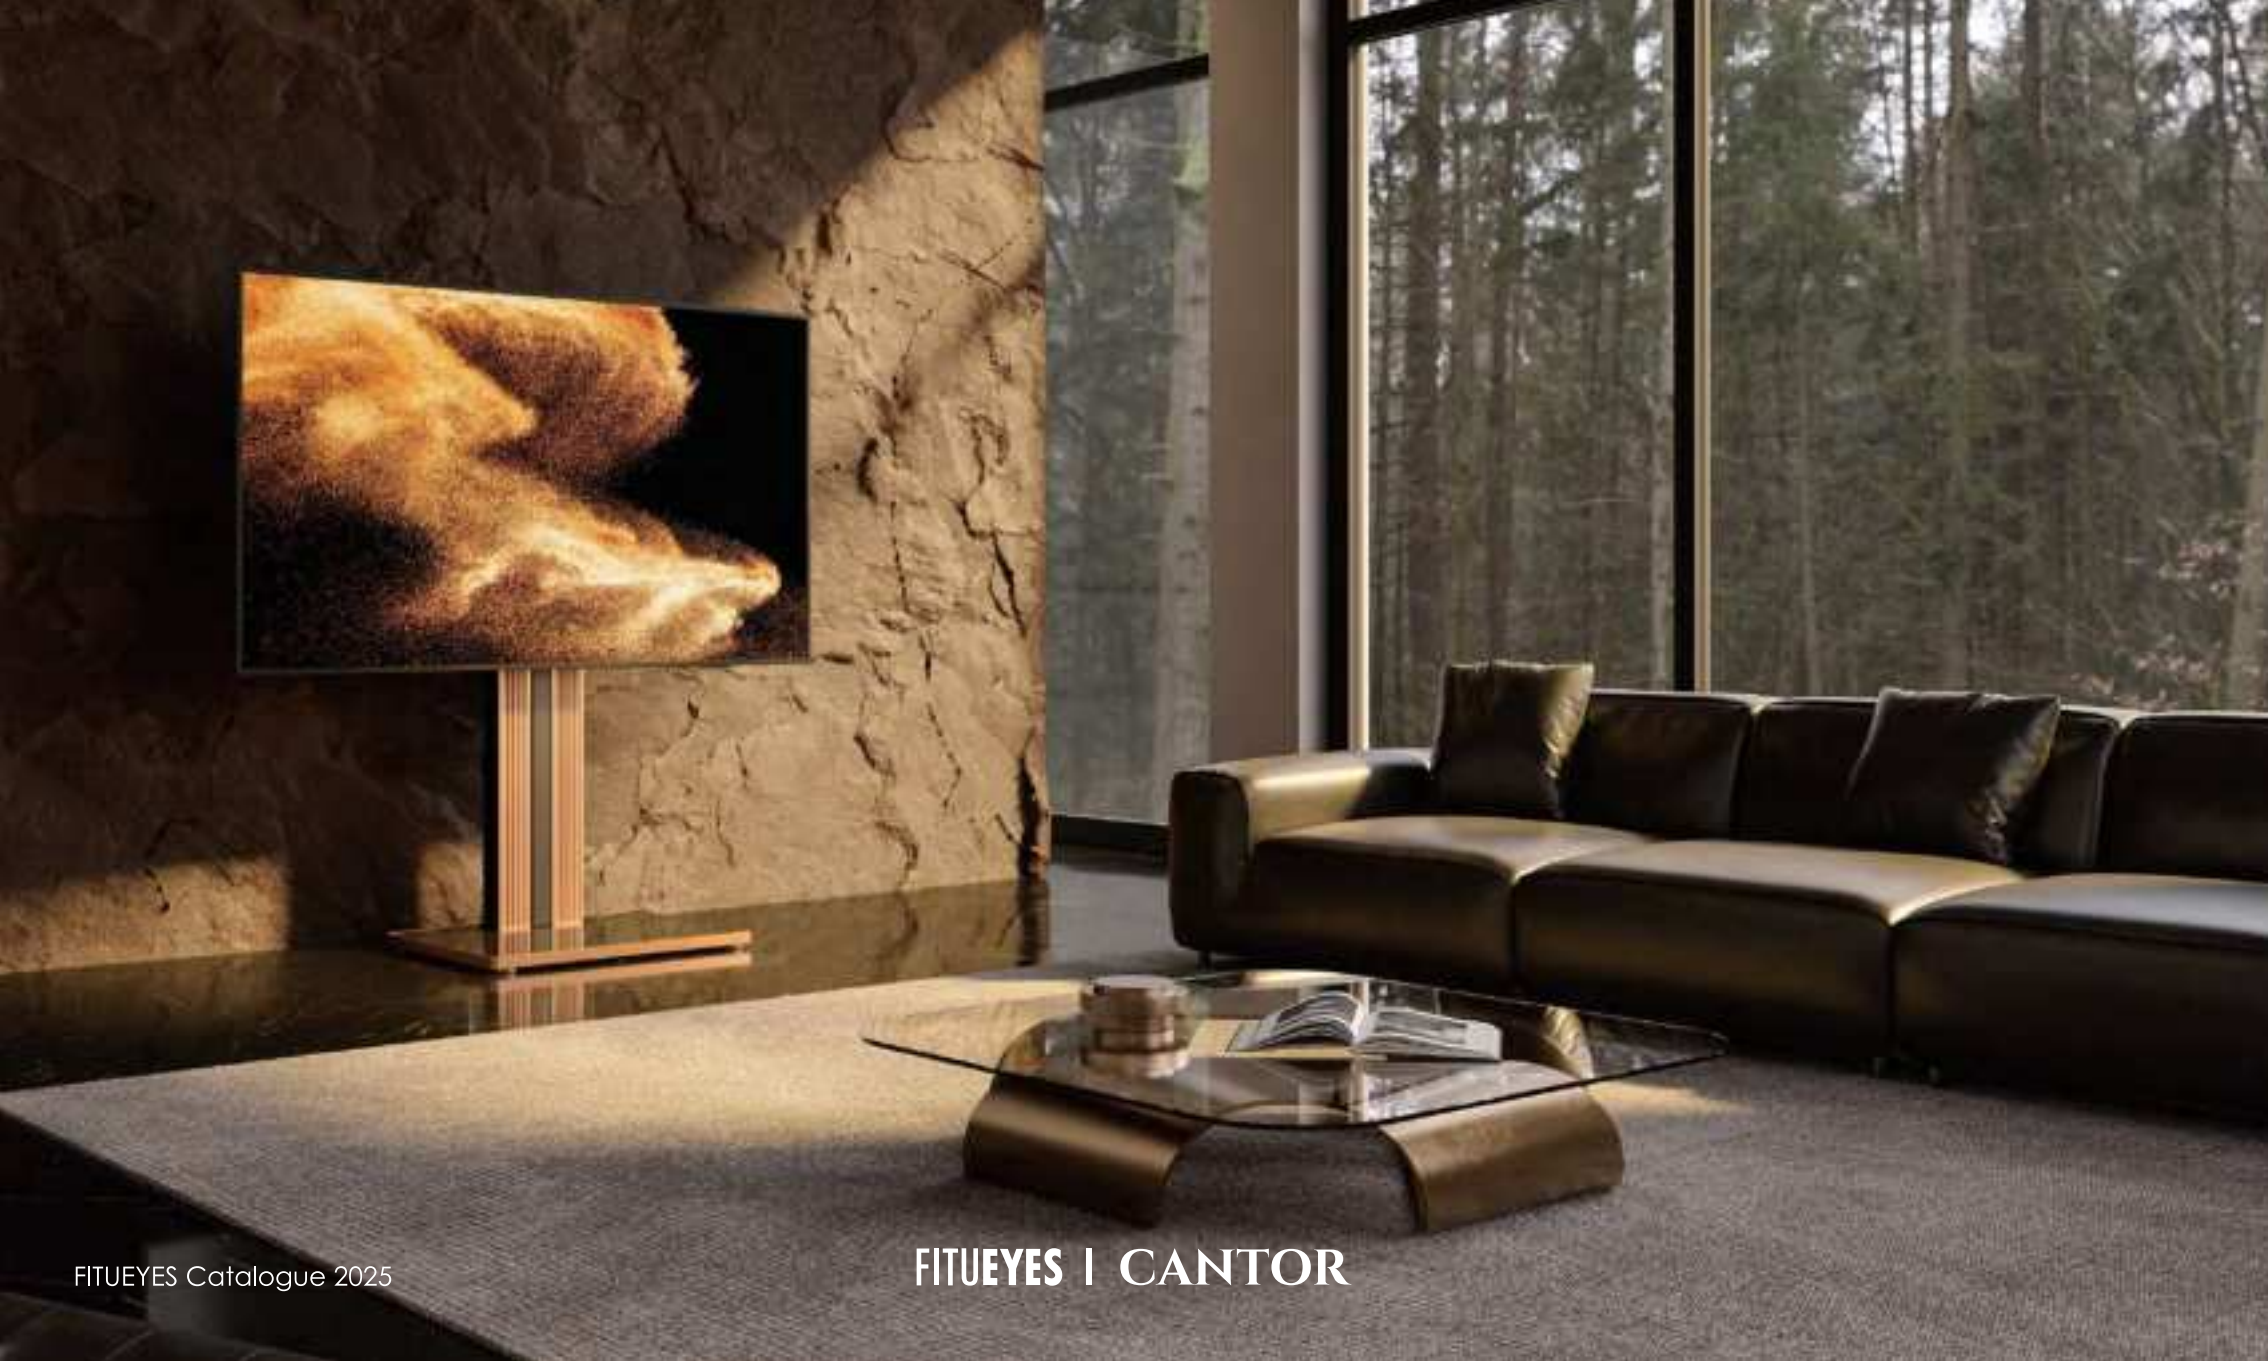

Cantor Series TV Stand

Sculptural frame with marble and silk-finished metals creates a grand focal point for 75" – 100" TVs. Its architectural design harmonizes with luxury interiors through balanced proportions and premium finishes.

Integrated Cable Management

A precision-engineered rear panel system combines discreet engineering with tailored elegance. With the removable cover plate channels cables, maintaining visual purity while ensuring protected installation environments.

Cantor Artisan Grandeur

Crafted for discerning spaces, the Cantor TV stand offers compact elegance with its sculpted marble and metal frame. Gilded accents and leather transform 43" – 78" displays into curated art, merging seamlessly with luxury interiors. Grandeur thrives intimately.

Curated Cinematic Hub

This statement piece commands attention as a home theater heart. Bronze-trimmed shelves and ambient lighting create a refined focal point where technology meets artistry. Meticulous detailing, from gold plating to fluted columns, turns movie nights gallery-worthy.

COLLECTOR

The Collector Series embodies modern metropolitan energy, crafted for the next generation of tastemakers living fast-paced, dynamic lives. More than storage – it's a customizable command center where urban edge meets personal identity. Designed for Citizens seeking harmony between curated style and authentic self-expression, this space evolves with your rhythm, blending utility with statement-making design.

Curated Minimalism

A discreet storage compartment blends utility with urban sophistication, hiding cables and gadgets without sacrificing style. Built for fluid living, it elevates your space with a tailored approach to modern living aesthetics — where function quietly fuels self-expression.

Collector Urban Sophistication

Fluid Motion

Designed for those who redefine spaces, the stand's sleek silhouette glides on 360° wheels — no lifting required. Shift your screen effortlessly from lounge to balcony, adapting to your rhythm while maintaining a clean, modern aesthetic.

Hello, IFA

Two years at IFA, and just the beginning.

From Berlin to the world, we will continue to engage in global shows and welcomes more partners to join us.

FITUEYES Factory: Engineered for Design, Built with Care

Founded in 2005, the FITUEYES factory brings nearly 20 years of supply chain expertise and craftsmanship to every product.

Spanning nearly 20,000 square meters, our facility integrates advanced manufacturing, rigorous quality control, and flexible production capacity – ensuring that every detail lives up to the design we believe in.
