

Use & Care Manual:

Assembly: Allow approx. 1 hour. Follow instructions carefully, ensuring all frame connections are tight.

Cushion Care: Keep Velcro straps fastened. Remove cushions during prolonged wet weather. Spot clean fabric with mild soap/damp cloth; air dry completely. Do not machine wash or bleach.

Weather Protection: Use included cover during rain, snow, or extended non-use. Ensure chair is dry before covering.

Frame & Wicker Cleaning: Wipe PE rattan and iron frame with a soft, dry cloth. For dirt, use a damp cloth; dry thoroughly. Avoid harsh chemicals/pressure washers.

Wood Maintenance: Wipe acacia wood table/armrests with a dry cloth. Apply furniture oil (for outdoor wood) annually if desired.

Storage: For winter or long storage, place in a dry, covered area (garage/shed) using the protective cover.

Weight Limit: Max. 400 lbs per seat. Avoid standing on furniture.

Inspection: Periodically check tightness of bolts/straps/Velcro, especially after moving.
