		Short Product description	60cm Electric freestanding cooker, with a 4 zone induction hob and multifunction main oven
			This 60cm electric induction single cavity cooker is part of the Belling Vision collection. A suite of brilliantly practical products that blend premium design with affordable prices.
			With a generous 68L cooking capacity plus an intuitive induction hob, there's plenty of space to stretch your culinary imagination whether you're roasting a Sunday joint, batch-baking cookies, or hosting the family feast.
			Full of trusted features you would expect from Belling including:
			Self-cleaning catalytic liners and smooth easy-clean enamel interiors make post-dinner cleanup fast and fuss-free.
		Long product description	A large multifunctional oven offering 10 versatile cooking functions including fanned oven, conventional oven, defrost, slow cook and keep warm, tailored to what (and how) you like to cook.
		Long product description	Premium finishes including the sturdy metal dials and handles, engineered to stand the test of time and look great doing it.
			4-zone induction hob. This advanced induction technology heats the pan instead of the hob to speed up the cooking process. When you need serious heat, the Boost function delivers an instant surge of power to get things sizzling in no time
			Variable rate grill designed for closed door grilling, complete with a full-width grill pan and handle included as standard, giving you total control over every cooking moment.
			But the star of the show? Vision+ Glass. When the oven is off, its opaque black finish blends beautifully into your space. The moment you start cooking, halogen lighting activates, turning the glass into a clear window, so you can check on your food without opening the door or losing heat.
			Belling Vision: see the difference Introducing Belling Vision—the brilliantly practical freestanding cooking collection that blends premium
			design with affordable prices.
			Packed with the trusted features you'd expect from Belling, including spacious ovens, self-cleaning catalytic liners, and powerful wok burners, this Vision collection has everything you need for effortless everyday cooking.
		Range Overview	What truly sets these cookers apart is their high-end finishes, including metal dials and handles, giving you a stylish, quality feel that enhances any kitchen.
			But the star of the show? Vision+ Glass. When the oven is off, its opaque black finish blends beautifully into your space. The moment you start cooking, halogen lighting activates, turning the glass into a clear window—so you can check on your food without opening the door or losing heat.
