- Embossed aluminum interior
- (1) Coated wire basket for added storage
- Drain plug for easy cleaning and self-defrosting
- Temperature range of -8 to 0°F
- Casters for mobility and easy cleaning
- ETL Sanitation listed

Description:

An excellent choice for bulk storage at your convenience store, restaurant, or market, this Galaxy CF5 commercial chest freezer gives you 5.2 cu. ft. of space to store a wide variety of frozen food product! This unit reliably maintains temperatures between -8 to 0 degrees Fahrenheit so you can safely hold anything from meat and vegetables to bread and french fries. One epoxy-coated steel basket is even included to hold smaller go-to items close to the top of the freezer for improved organization and efficiency. The basket has a weight capacity of 22 lb. to hold plenty of food.

This model has a lid that lifts up easily for quick access to your frozen food. Cabinet temperatures are consistently maintained thanks to a 1/5 hp compressor that uses eco-friendly R600a refrigerant for dependable operation in ambient temperatures up to 90 degrees Fahrenheit. This eco-friendly refrigerant has less of an environmental impact than other types of refrigerants to help you maintain a green business model!

This unit is ETL Sanitation listed, making it compliant to all North American sanitation standards. The painted steel exterior and aluminum interior are durable, sleek, and extremely simple to clean, while manual defrost and temperature controls make operation simple! This chest freezer requires a 115V electrical connection for operation.

1 Year Limited Replacement Warranty

Unless otherwise stated, Galaxy Equipment warrants to the original purchaser of new, qualified Galaxy Equipment units (and all parts thereof), that such equipment will be free from defects in material and workmanship for a period of 1 year from the date of delivery.

If a qualified product is found to be defective during this period, Galaxy Equipment will repair the defective unit, replace any defective parts, or replace the defective unit.

What This Warranty Does Not Cover:

Galaxy Equipment will not warrant coverage for component failure or other damages that arise under the following conditions:

- Failure to install and/or use the unit within proper operating conditions specified by Galaxy Equipment. This includes installation in any and all outdoor or mobile applications.
- Failure to properly maintain the unit. This includes, but is not limited to, basic preventative maintenance such as cleaning the condenser coil.
- Products sold or used outside of the Continental United States.

Additionally, no claims can be made against this warranty for spoilage of product, loss of sales or profits, or any other consequential damages.

Normal wear type parts, such as light bulbs and gaskets, are not included in warranty coverage.

For Warranty Inquiries or Service:

To obtain warranty service, contact the location that you purchased the product from:

www.WebstaurantStore.com:

Call 717-392-7472. You must have your order number ready when contacting.

The Restaurant Store:

If you purchased this unit from your local store location, please contact your store directly. A list of store locations can be found by visiting: <http://www.therestaurantstore.com/store-directory.html>

www.TheRestaurantStore.com:

If you purchased this unit online, call 717-392-7261. You must have your order number ready when contacting.

Failure to contact the designated location prior to obtaining equipment service may void your warranty.
