VIBROPHILE

7 albums - 42 different tracks - 21 preset protocols
*All designed with proprietary formulations for
cellular healing and human optimization.*

Energy Clearing

"Sonic Sage"! Specific tones to clear negative energy out of your nervous system, home, and surroundings.

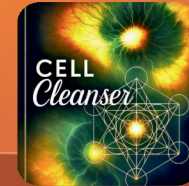

Cellular Attunement

Balances 12 different emotional relationships. Supports shifting from negative thoughts to positive affirmations.

Sonic-Ceuticals Vol 1

Brain & Nervous System balancing. Designed to calm down overactive minds, ADD/ADHD, depression, anxiety, and autism.

Cell Cleanser

Anti-inflammatory detox + shamanic journey. Supports the body with releasing any physical or emotional past traumas.

Spectrum

Supports physical healing with bone regeneration, stem cell activation, visceral emotional healing, and wound healing.

Transformation & Abundance

Transformation: "sonic vision board" to create your ideal reality. Abundance: "sonic cup of coffee" that amplifies your nervous system, activates abundance, and promotes prosperity.

The Journey

Choose your inner spiritual journey of self actualization, a tribal jungle adventure, or a spaceship ride to Pluto!
