FEATURES & BENEFITS

Low Current Induction

This compact induction cooktop is the ideal option for replacing your gas or ceramic cooktop. With the potential to use existing wiring, this 19.7A rated current and 4.5kW rated power induction cooktop supports cost effective installations.*

Flexible cooking with Flexi Zone

With Flexi Zone, you can pair two zones to make a large cook surface. Make gravy in a roasting dish, sear a large cut of meat or grill vegetables on a griddle – Flexi Zone gives you even more cooking flexibility.

Intuitive controls

With easy-to-use touch controls choose from over nine heating settings, plus a boost function for versatile cooking and a child lock for added safety.

Easy cleaning

Cleaning is easy thanks to a cooktop that stays cool around your cookware, avoiding baked-on spills. A quick wipe after use will help to keep your cooktop looking pristine.
