What's in the box

- Mia WiFi Baby Monitor
- Silicone Case
- USB Cable
- Power Adapter
- Reset Pin
- Magnetic Base

Be ready

You will need your WiFi router password. Write it down below so its handy when you need it!

Get Started

Connect Mia to the mains using the power adapter and the USB cable provided.

The red LED at the front of the camera will come on once plugged in and Mia will chime twice before it is ready to connect.

Micro USB Port

What do the flashing lights mean?
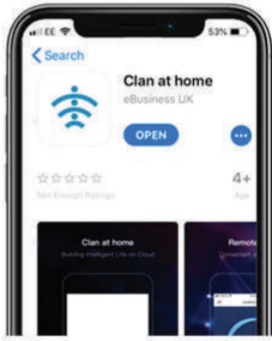

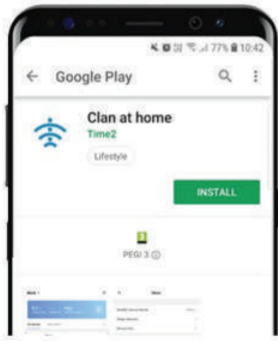

| Solid Red | Flashing Red | Solid Blue |
| Starting up | Ready to connect | Connected |
