

48" Series 7 Professional 6 Burner + Griddle Gas Range, LPG

Series 7 | Professional

Stainless Steel | LPG

- A striking addition to your kitchen, with six powerful gas burners and two gas ovens giving you a combined capacity of 7.7 cu ft.
- Top burner heat of 19,000 BTU, for seriously fast boiling
 - Expansive 7.7 cu ft total oven capacity across two oven cavities
 - Non-tip full-extension shelves in main cavity for safe removal of hot dishes

DIMENSIONS

Height	35 3/4 - 36 3/4 "
Width	47 7/8 "
Depth	29 1/8 "

FEATURES & BENEFITS

- Cooktop Power**
Sealed Dual Flow Burners™ deliver cooktop power up to 23,500 BTU (NG models) for seriously fast boiling right down to a precise 140°F full surface simmer with the gentlest of flames.
- Total Control**

Precise control across high and low settings is delivered through the halo-illuminated cooktop dials. The ovens have true convection and electronic oven control for precise and consistent temperatures.

Instant Visibility
Control dials have halo-illumination glowing white – heating up; orange – temperature reached; red – self-cleaning mode. The oven is illuminated by two powerful incandescent lights.

Easy To Clean
A sealed cooktop surface coupled with a commercial-style stainless steel finish means your cooktop simply needs a quick wipe to keep it looking good as new.

Cooking Flexibility
The cooktop is designed for easy access to any burner with grates you can smoothly slide pots across. The oven is large enough to hold full size baking sheets.

Design Quality
This range has been carefully crafted in every detail from performance to durability using quality materials.

SPECIFICATIONS

Accessories (sold separately)	
Square handle option	AH-R48
Burner ratings	
Maximum burner power	19000 BTU
Power back centre	13000BTU
Power back left	13000BTU
Power back right	13000BTU
Power front centre	15000BTU

Power front left	19000BTU	Broil	•	Non combustible situation	BGRV2-3048 / BGRV2-1248
Power front right	15000BTU	Convection bake	•	Recommended hood	HCB48-12_N (48" Professional Range Hood, Dual Blower)
Power griddle	15000BTU	Number of oven functions	3		
Total cooktop power	103000 BTU				
Capacity		Oven features		Safety	
Shelf positions (main oven)	5	Auto re-ignition system	•	ADA compliant	•

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
