

EH-TW5650

DATASHEET / BROCHURE

Create the cinema experience at home with this easy to set up, Full HD, home cinema projector with lens shift.

Make your home centre stage for all the action with a Full HD 3D and 2D projector. It's easy to get up and running with lens shift, keystone correction and 1.6x manual zoom. Dazzle friends and family with bright and vivid images and detailed shadows via its 60,000:1 dynamic contrast ratio. And thanks to the long-lasting lamp light source, you can enjoy a movie every day for the next 11 years¹.

Make every moment count

With this Full HD home cinema projector you can create the big screen experience with images reaching up to 300 inches (762cm). It can handle the most atmospheric scenes with clearly defined shadow detail and deep blacks, while also remaining clear, sharp and smooth during high-action scenes with Detail Enhancement and frame interpolation.

Simple set up

The compact and lightweight EH-TW5650 is easy to move, plus the vertical lens shift, 1.6x zoom and keystone correction ensure it's fuss free to position the picture. It features two HDMI inputs (including one MHL) for connecting DVD players, games consoles and more. Use smart devices to operate the projector; the iProjection app can control the projector and Miracast lets you share content over a wireless connection with Android devices.

11 years of entertainment¹

Looking for a long-term, hassle-free and affordable solution for your entertainment needs? With the EH-TW5650, you could watch a film every day for 11 years thanks to the long-lasting lamp light source¹.

Experience vivid and lifelike images

Epson's 3LCD technology radiates exceptionally bright yet colourful images by producing an equally high White and Colour Light Output. Even in bright living rooms, this Full HD 1080p projector delivers 2,500 lumens and a 60,000:1 contrast ratio.
