MORE GREAT ESCAPES.

MAKE YOUR OWN ADVENTURE WITH PRECISION-BUILT
ACCESSORIES THAT WILL TAKE YOU THERE.

Because the horizon starts where the road ends, outfit your Sportsman® with accessories that are specifically designed help you maximize your time on the trail. So put more road behind you and more excitement in front of you with Polaris Engineered Accessories™.

ENGINEERING NEVER STOPS

When engineering is done well, when design is dialed-in down to the smallest detail, it's not always easy to notice. But it makes a world of difference. Lines are cleaner. Angles are tighter. The package is complete. For the Polaris Engineered™ team, fine-tuning accessories for seamless integration is what it's all about.

“The entire team is working together and integrating our processes,” says Steve Eastman, Vice President of PG&A. “We’re working further up front between the design of the vehicle and the accessories that go with that vehicle.”

From testing different UV ray exposures on various materials, beating on bumpers in the workroom, listening to riders and getting out and riding on their own time — Polaris® Engineers never stop listening and never stop refining.

“With a Polaris Engineered™ product, you know it's the world's best. They are designed specifically for our vehicles, ensuring high quality designs that meet our customers' needs,” says Dave Longren, Vice President of Off-Road Vehicles. “You know when you buy an accessory or part from us, it's the best.”

The Polaris® team knows that hard work, harder testing and endless innovating is key to making solutions that optimize any ride.

“We make the best products in power sports and that's a real tribute to the superiority of our engineering and the emphasis that we have on integration, innovation and quality,” says Eastman.

SPORTSMAN ACE™ STORAGE

- LOCK & RIDE® REAR CARGO BOX** **NEW**
- Lock & Ride® technology: Cargo Box installs without tools using twin Lock & Ride® plungers that lock box into vehicle's cargo space
 - Hard plastic construction keeps cargo secure and protected
 - Lid has a dustproof, weatherproof seal and latches closed with two heavy-duty clamps
 - Lock (not included) can be added to secure lid
 - Handles make it easy to carry Cargo Box to and from vehicle
 - D-rings on top of box serve as tie-down points for bungees, straps, cargo nets, etc.
 - Can be used with other accessories such as a rear panel and other storage solutions
 - Polaris®-branded

2879707
SPORTSMAN ACE™

- OGIO® LOCK & RIDE® 3-PIECE DELUXE CARGO BAG** **NEW**
- Installs in vehicle's rear cargo space in seconds without tools using Lock & Ride® anchor technology
 - Versatile, spacious storage solution is ideal for carrying camping or touring gear, including riding apparel and food
 - Cargo Box provides a large, formed, weather-sealed cargo space
 - Pair of side storage bags provide versatile, easily accessible cargo space
 - One side storage bag is a thermal bag; keeps food/drinks cold or hot
 - Cargo Box lid has new dust gasket; seals out dust and elements to protect cargo
 - Cargo Box has four interior pockets — two mesh/two fabric pockets — with zippered closures
 - Side bags attach securely to cargo bag using adjustable straps and durable buckles
 - Side bags can be attached or removed in seconds without tools
 - Polaris® and OGIO®-branded

2879704
SPORTSMAN ACE™

- SIDE BAGS** **NEW**
- An innovative cargo solution that holds small items without using space in the rear cargo box
 - Bag secures to the vehicle framework using integrated straps
 - No tools required for installation or removal
 - Convenient cargo space for a wide variety of small items
 - Bag has zippered compartment to securely hold cargo and mesh outside pocket
 - Sold as a set of 2
 - Incompatible with doors
 - Polaris®-branded

2880542
SPORTSMAN ACE™

- TRAIL BAG** **NEW**
- Securely holds cargo in 4 zippered compartments
 - Durable bag construction built for use in demanding off-road conditions
 - Adjustable Velcro® straps secure bag to vehicle frame
 - Install or remove bag quickly and easily; no tools required
 - Bag and cargo are in secure location inside vehicle frame
 - Can be used with all other accessories, including rear panels, cargo boxes, etc.
 - Polaris®-branded

2879705
SPORTSMAN ACE™

- OVERHEAD STORAGE BAG** **NEW**
- Securely holds cargo in 3 zippered compartments
 - Durable bag construction built to perform in demanding off-road conditions
 - Install or remove quickly and easily; no tools required
 - Attaches securely to vehicle frame
 - Cargo is conveniently close and easily accessible from driver's seat
 - Can be used with any SPORTSMAN ACE™ roof
 - Polaris®-branded
 - Does not work with Front Rack Audio (2880458)

2879706
SPORTSMAN ACE™

SPORTSMAN ACE™
CAB & COMFORT

- LOCK & RIDE® POLY SPORT ROOF** **NEW**
- Lock & Ride® technology: Install or remove quickly and easily without tools
 - Provides a rider with overhead protection and shade
 - Rigid construction: Strong, durable, lightweight
 - All mounting hardware included
 - Engineered to prevent warping in high-heat conditions
 - Integrated drainage channels route rain water away from driver
 - Can be used with other accessories such as a windshield, rear panel, audio, etc.

2879691
SPORTSMAN ACE™

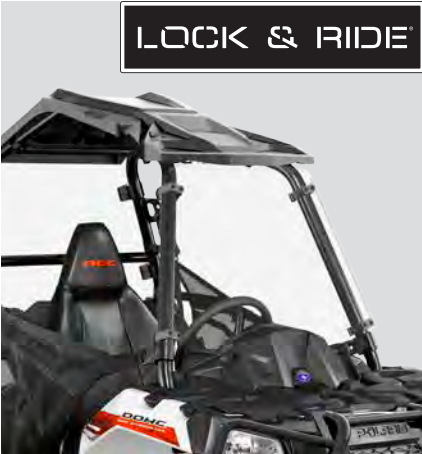

- CANVAS ROOF** **NEW**
- Provides shade and reliable overhead protection from rain and off-road spray
 - Durable canvas construction
 - As conditions change, roof can be installed or removed in seconds without tools
 - Roof attaches securely to vehicle frame using integrated, self-locking mounting hardware
 - Adjustable straps secure rear of roof to vehicle frame
 - Folds for easy, compact storage

2879692
SPORTSMAN ACE™

- CANVAS CAB** **NEW**
- Cab provides rider with protection and enhanced comfort for a more enjoyable riding experience
 - Included are: Canvas roof/rear panel and canvas doors
 - All components install quickly and easily using provided mounting hardware
 - Components can be used to suit rider preference and the day's conditions; i.e., cab can be used without doors attached, etc.
 - Doors and rear panel feature clear plastic windows for excellent visibility
 - Doors feature aluminum frames with durable canvas exterior and durable, reliable hinges and latches
 - Requires the use of accessory Full Poly Windshield (2879693, sold separately)
 - Requires the removal of accessory SPORTSMAN ACE™ Sport Doors (2879697) if previously installed

2880646
SPORTSMAN ACE™

- LOCK & RIDE® FULL POLY WINDSHIELD** **NEW**
- Windshield is made of impact- and shatter-resistant .236" polycarbonate with hard coat on both sides
 - Lock & Ride® technology: Install or remove the windshield in minutes without tools
 - Includes all mounting hardware
 - Can be used with other accessories such as roof, doors, audio, etc.

2879693
SPORTSMAN ACE™

- LOCK & RIDE® MID POLY WINDSHIELD** **NEW**
- Lock & Ride® technology: Install or remove windshield in minutes without tools
 - Provides protection while also allowing airflow to reach the rider
 - Ideal for hot and dusty conditions
 - Strong, durable, impact-resistant polycarbonate
 - Includes all mounting hardware
 - Can be used with other accessories such as roof, doors, audio, etc.

2879694
SPORTSMAN ACE™

- LOCK & RIDE® SPORT POLY WINDSHIELD** **NEW**
- Distinctive, sporty styling with gradient tint
 - Integrated styling complements vehicle
 - Provides protection and allows airflow to reach the rider
 - Includes all mounting hardware
 - Can be used with other accessories such as roof, audio, etc.

2879695
SPORTSMAN ACE™

- SPORT DOORS** **NEW**
- Steel frame and strong plastic exterior
 - Integrated styling to match vehicle
 - Premium fit and finish; no cutting, welding or drilling required
 - Add style with custom SPORTSMAN ACE™ Sport Door Graphics (sold separately)

2879697
SPORTSMAN ACE™

- SPORT DOOR GRAPHICS** **NEW**
- Rugged, durable wrap material
 - Adhesive-backed for easy installation
 - Custom cut to fit the SPORTSMAN ACE™ Sport Doors (2879697, sold separately)
 - Includes right and left door graphics and squeegee for application
 - Polaris® SPORTSMAN ACE™-branded

2880259 | Bright White

2880685 | Sage Green

2880686 | Voo Doo Blue
SPORTSMAN ACE™

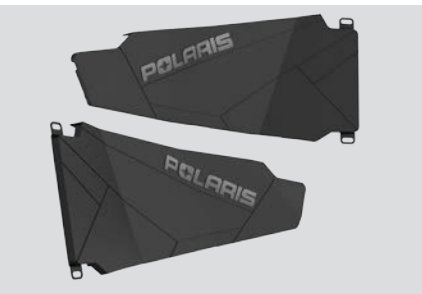

- LOWER DOOR EXTENSIONS** **NEW**
- Add these Lower Door Extensions to create full door coverage for enhanced rider comfort and protection
 - Extensions install on Sport Doors (2879697, sold separately) and create a single, integrated door unit
 - Extensions feature strong, durable steel frame with black hard-plastic exterior

2880272
SPORTSMAN ACE™

- LOCK & RIDE® POLY REAR PANEL** **NEW**
- Lock & Ride® technology: Install or remove in minutes without tools
 - Includes all mounting hardware
 - For best performance, use with a windshield on the vehicle
 - Can be used with other accessories such as roof, cargo bags, etc.

2879696
SPORTSMAN ACE™

- DOOR LINERS** **NEW**
- Durable, weatherproof construction for reliable performance during off-road riding
 - Upper Door Liners feature modest padding to provide passengers with enhanced comfort while riding
 - Liners are styled to coordinate with upholstery of vehicle's rear seats for a finished, integrated look
 - Liners install easily, attaching to interior door framework
 - Upper Door Liners are branded with Polaris® logo

2879431 | Upper Front Door Liners
SPORTSMAN ACE™

- MESH REAR PANEL** **NEW**
- Protects rider from dust, spray, shifting cargo
 - Provides modest shade and dust protection
 - Permits ventilation, airflow and visibility
 - Install or remove panel quickly and easily; no tools required
 - Mounts securely to vehicle frame using adjustable fasteners
 - Panel folds for easy, compact storage
 - Can be used with all accessories, including roofs, audio, Trail Bag, rear cargo boxes, doors, etc.

2879711
SPORTSMAN ACE™

- MTX® OVERHEAD AUDIO POD** **NEW**
- Bluetooth® connectivity for wireless audio
 - USB port for charging mobile devices in waterproof storage locker
 - LCD display shows audio information; convenient LED lights shine toward rider
 - Auxiliary connection through headphone jack
 - Dual 6" speakers and tweeters that direct sound toward rider
 - Installs in less than 15 minutes; includes all wiring
 - Mounts on vehicle frame in designated mounting positions
 - Durable, sealed, hard-plastic black housing
 - Can be used with a roof and windshield; cannot be used with Overhead Storage Bag
 - Co-branded with Polaris® and premium audio supplier MTX

2879703
SPORTSMAN ACE™

- CONVEX REAR VIEW MIRROR** **NEW**
- Durable, weatherproof construction, designed to perform in all off-road riding conditions
 - Installs easily: Mount bolts into your choice of pre-designated mounting locations on vehicle frame
 - Mirror attaches to mount and is adjustable
 - Convex design provides broad, expanded view of what's behind or alongside the vehicle
 - Can be used with all roofs, soft tops and windshields

2880531
SPORTSMAN ACE™

- REAR VIEW MIRROR** **NEW**
- Mounts securely on the vehicle frame and provides an expansive view of what's behind the vehicle
 - Convex design provides excellent view of area behind vehicle
 - Gives rider enhanced awareness of other vehicles and surroundings
 - Can be used in conjunction with accessories such as roof, windshield, etc.
 - Easily adjustable by hand

2879712
SPORTSMAN ACE™

SPORTSMAN ACE™ PROTECTION

EXTREME FRONT BRUSHGUARD **NEW**

- Brushguard reliably enhances front-end protection of vehicle
- Ideal for trail riding
- Provides outstanding headlight protection
- Strong 1.25" (3.2 cm) diameter steel tube construction
- Durable, scratch-resistant black powder-coated finish
- Installs easily in pre-drilled mounting locations
- Integrated styling complements the vehicle's great look
- Can be used with any winch or plow system
- Includes integrated mounting tabs for auxiliary lighting

2879698

SPORTSMAN ACE™

EXTREME REAR BRUSHGUARD **NEW**

- Brushguard reliably enhances back-end protection of vehicle
- Ideal for trail riding
- Provides outstanding taillight protection
- Strong 1.25" (3.2 cm) diameter steel tube construction
- Durable, scratch-resistant black powder-coated finish
- Installs easily in pre-drilled mounting locations
- Integrated styling complements the vehicle's great look
- Can be used with a tow hitch or auxiliary lighting

2879699

SPORTSMAN ACE™

NERF BARS **NEW**

- Nerf Bars provide extra protection at sides of vehicle
- Durable plate steel construction
- Black powder-coated finish
- Corrosion- and scratch-resistant
- Quickly attaches to the vehicle with a 17-mm socket
- Low-profile design hugs bodywork to slide over obstacles without compromising ground clearance
- Adds custom style
- Polaris®-branded

2879700

SPORTSMAN ACE™

FENDER FLARE KIT **NEW**

- Install an Fender Flare Kit to add extra style and experience great protection from mud and water spray kicked up by the tires
- Extends bodywork additional 3" for extra protection from mud and water
- Ideal for vehicles running accessory wheels with wider offsets
- Gives the vehicle a sporty custom look
- Features graphics with SPORTSMAN ACE™ branding

2879718

SPORTSMAN ACE™

MUD FLAPS **NEW**

- Strong, durable plastic Mud Flaps extend beyond edge of front-end bodywork
- Mud Flaps block more mud, spray and debris kicked up by vehicle's front tires
- Works with or without Fender Flares (2879718, sold separately)
- Does not work with the Prospector Pro® Track kit

2880100

SPORTSMAN ACE™

SKID PLATE **NEW**

- Valuable, reliable protection for the undercarriage that is fully exposed to the rigors of off-road environments
- Strong, durable, lightweight HMW (high-molecular weight) polyethylene construction withstands off-road impacts to protect the vehicle's underside
- This 3/8" skid plate replaces the stock skid plate
- Three-piece skid plate is molded specifically for the Polaris® SPORTSMAN ACE™ undercarriage so it installs properly and fits correctly while maintaining maximum ground clearance
- All mounting hardware included

2880543

SPORTSMAN ACE™

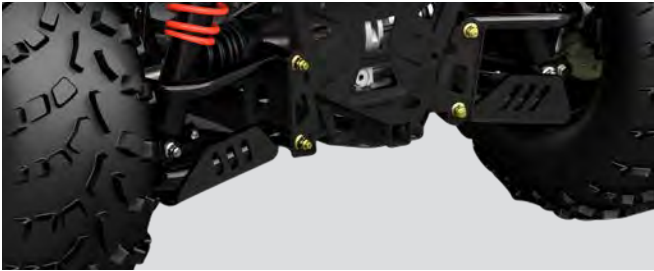

FRONT A-ARM GUARDS **NEW**

- Lightweight, durable, reliable A-Arm protection
- UHMW polyethylene construction delivers strength and low coefficient of friction so guards slide freely over rocks
- Molded construction and ribbing for optimized strength and rigidity
- Not compatible with Prospector Pro Track Kits
- Guards absorb impacts and retain their shape rather than bending as metal guards can
- Engineered with drain channels to evacuate water and mud
- Easy to install in place of stock guards

2879870

SPORTSMAN ACE™

REAR A-ARM GUARDS **NEW**

- Lightweight, durable guards provide reliable A-Arm protection
- HMW polyethylene construction delivers strength and low coefficient of friction so guards slide freely over rocks
- Molded construction and ribbing for optimized strength and rigidity
- Not compatible with Prospector Pro Track Kits
- Guards absorb impacts and retain their shape rather than bending as metal guards can
- Engineered with integrated drain channels to evacuate water and mud
- Easy to install in place of stock guards

2879710

SPORTSMAN ACE™

SPORTSMAN ACE™ PERFORMANCE

GUN SCABBARD MOUNT **NEW**

- Strong, durable steel construction with durable black finish
- Lock & Ride® technology: Install or remove mount in seconds without tools
- Pro-Fit, Winch, and RZR® customization
- Securely and reliably holds a gun boot (not included)
- Mounts on side of vehicle frame so it does not work with a door installed on the same side of the vehicle

2879702

SPORTSMAN ACE™

Works with Gun boots listed on page 49

ELECTRONIC POWER STEERING (EPS) KIT **NEW**

- Enjoy smooth, easy, precisely responsive automotive-quality steering
- EPS provides a light steering feel in all situations, including low-speed maneuvering through challenging terrain
- Enjoy riding more and stay fresher throughout a day of riding

POLARIS®

ENGINEERED PARTS
ACCESSORIES & APPAREL

PULL YOUR WEIGHT.

GET YOUR JOB DONE WITH RUGGED WINCHES THAT ARE READY TO PULL.

HEAVY-DUTY PULLING POWER FOR YOUR JOB

DESIGNED FOR POLARIS® VEHICLES

- Integrated mounting locations for a perfect fit
- One number and one price for winch, remote, contactor, mount and wiring

HIGHEST QUALITY MATERIALS

- Steel spools and cut metal gears for greater durability
- Fully-sealed contactor, motor and drive train keep water out
- Corrosion-resistant finish withstands the elements

EXTENSIVE LAB AND FIELD TESTING

- Contactors, controls and winch assemblies tested 10,000+ cycles
- Rigorous performance testing in labs and in the field ensure your winch works when you need it most
- Strength testing ensures superior driveline strength

When your ride leads to extreme conditions, look to a Polaris® WARN® winch. These workhorse winches have proven their performance and durability around the globe with an unrivaled combination of premium components built for pulling heavy loads.

HEAVY DUTY SERIES

The HD line delivers industry-leading quality and durability with best-in-class value — powered by quality features including sealed motors and contactors, a roller fairlead, wired remote control and proven pulling power.

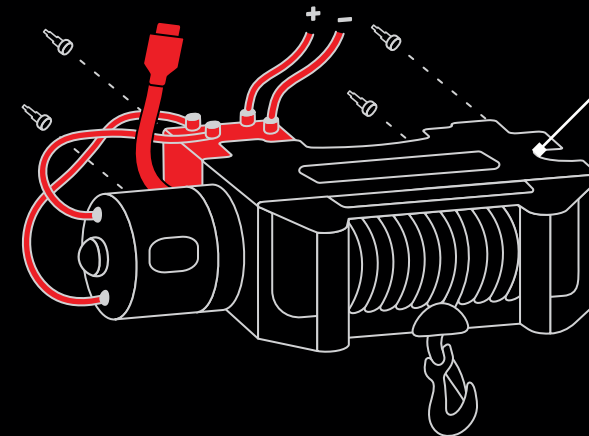

FOR MORE INFORMATION ON WINCHES,
SEE PAGES 20-21.

WINCH INTEGRATION

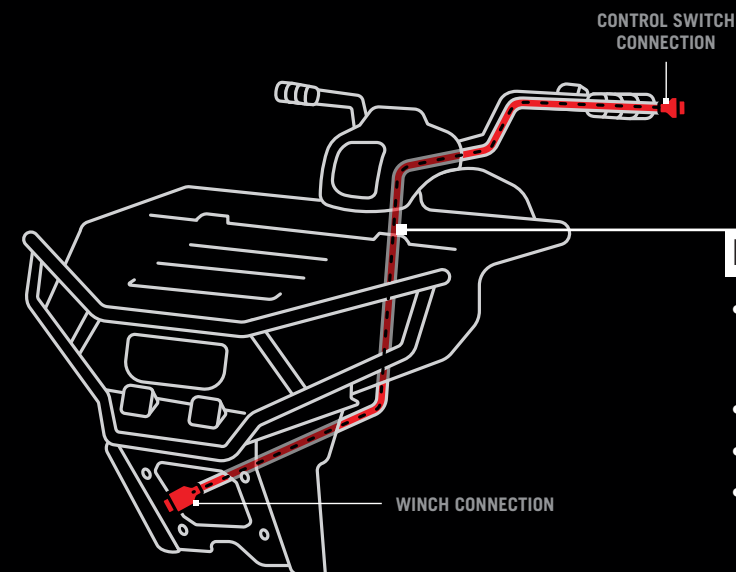

DESIGNED SPECIFICALLY FOR YOUR VEHICLE

A PRE-WIRED CHASSIS, INNOVATIVE MOUNTING TECHNOLOGY, AND INTEGRATED HANDLEBAR CONTROL SWITCH MAKE INSTALLING AND USING YOUR WINCH EASIER THAN EVER

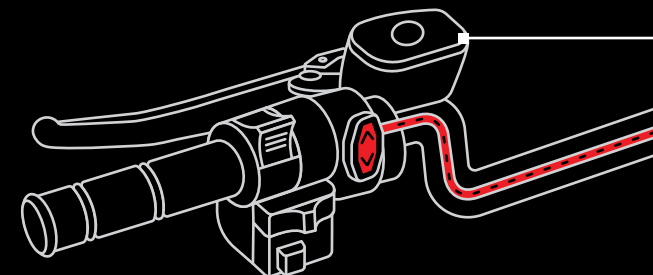

QUALITY ENGINEERED WINCH

- Sportsman® winches are perfectly fit for your vehicle
- Pre-mounted contactor reduces installation time from hours to minutes
- Easy four bolt installation – Just match up the designated mounting points on the vehicle chassis with the winch mounting points and secure bolts

PRE-WIRED CHASSIS

- Every 2015 Polaris Sportsman® model has a factory-installed wire built into the vehicle chassis, so your vehicle is 100% ready for a Polaris Engineered™ winch
- No plastic cutting or modification required
- Quick clip connection points for easy wire joining
- Simply connect power cables to battery for a power source

IMPROVED HANDLEBAR CONTROL

- Handlebar switch fastens on with two screws and one quick clip wire connection
- Positioned for intuitive control while riding

WINCHES

- WARN® PROVANTAGE 3500 LB. WINCH** **NEW**
- WARN® PROVANTAGE winch optimized for Polaris® SPORTSMAN®

PLOW INTEGRATION

SEAMLESS FIT

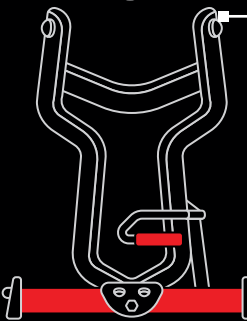

DRIVE UP, CLIP IN AND GO — THE INTEGRATED POLARIS ENGINEERED™ GLACIER® PRO PLOWING SYSTEM SIMPLIFIES ADDING OR REMOVING YOUR PLOW

2015 Sportsman® models come pre-mounted for your plow system, making installation and removal as simple as possible.

DRIVE-UP FRAME ATTACHMENT

The auto-retracting kickstand on the redesigned frame attachment ensures your plow system is at the right height for drive-up installation and removal.

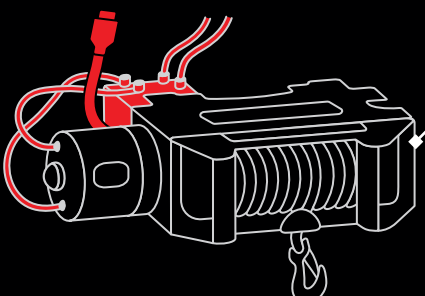

ROBUST FRAME

A plow system is only as strong as its frame, and Polaris Engineered™ plow frames are as durable as it gets. Made to push across a broader expanse of the plow blade, Glacier® PRO plow frames ensure more efficient plowing and enhanced plow system reliability.

BETTER BLADES

Available in strong steel or poly materials, Polaris Engineered™ plow blades cover 40% more surface area for quicker snow removal.

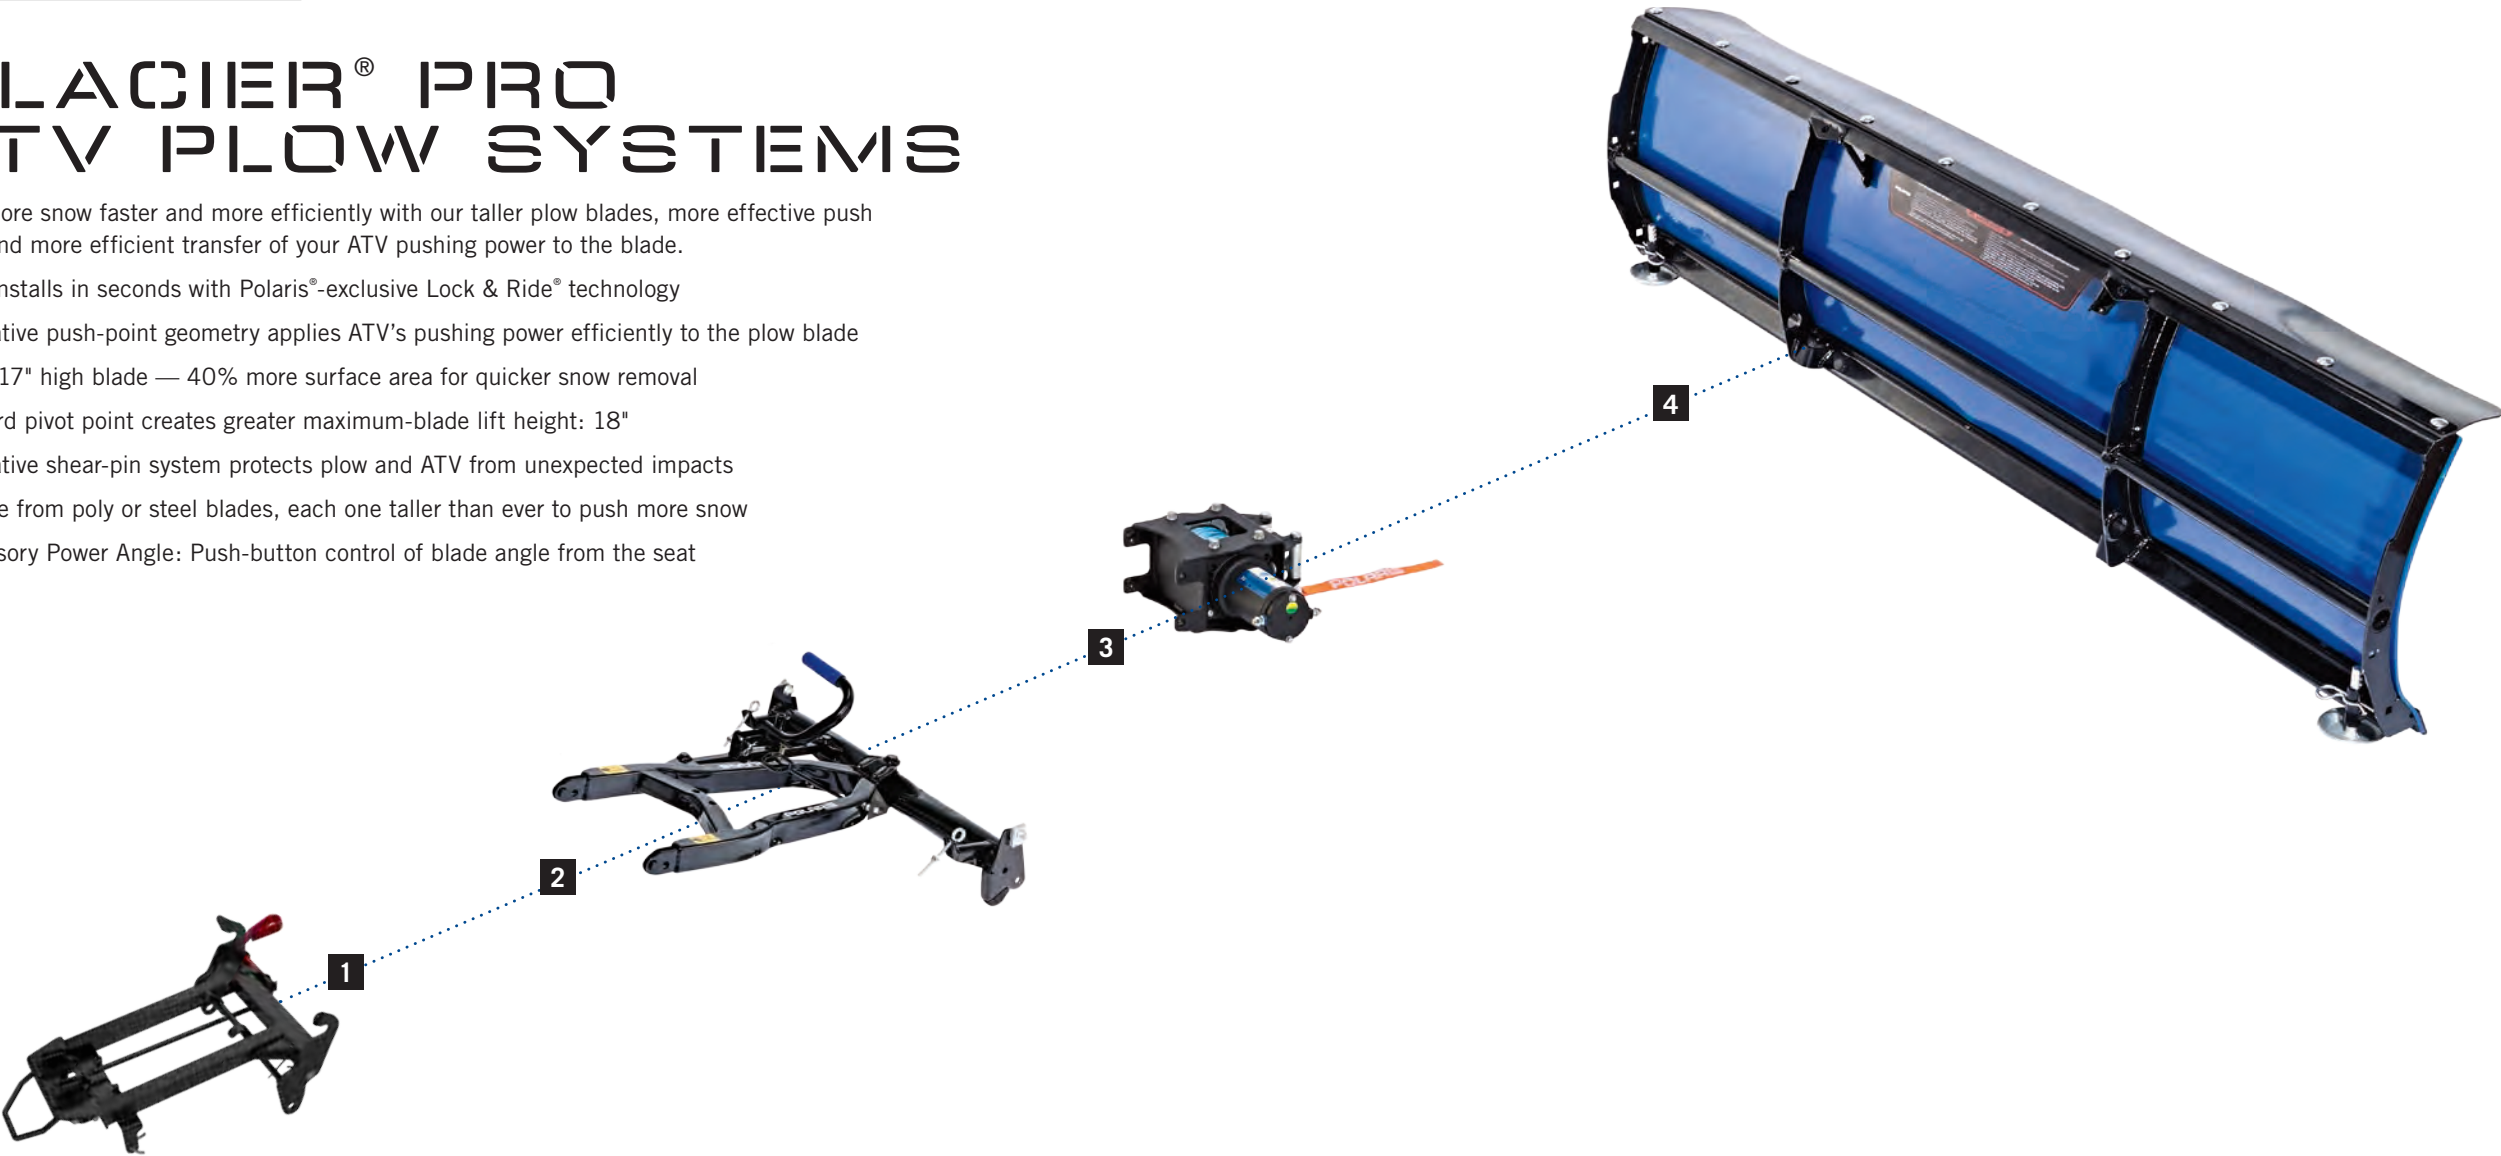

WINCH CONTROL

Leverage your plow by adding a Polaris Engineered™ winch. You not only get greater blade lift and control, but also total integration with your vehicle.

GLACIER® PRO ATV PLOW SYSTEMS

Push more snow faster and more efficiently with our taller plow blades, more effective push angle and more efficient transfer of your ATV pushing power to the blade.

- Plow installs in seconds with Polaris®-exclusive Lock & Ride® technology
- Innovative push-point geometry applies ATV's pushing power efficiently to the plow blade
- Taller 17" high blade — 40% more surface area for quicker snow removal
- Forward pivot point creates greater maximum-blade lift height: 18"
- Innovative shear-pin system protects plow and ATV from unexpected impacts
- Choose from poly or steel blades, each one taller than ever to push more snow
- Accessory Power Angle: Push-button control of blade angle from the seat

PROSPECTOR PRO® TRACKS

Polaris® Prospector Pro® track systems are designed, engineered and built specifically for Polaris® ATVs such as the Sportsman® XP. These tracks offer the best in performance, reliability and durability in all four seasons with absolutely no compromise of vehicle cargo capacity or pulling power.

- Optimized rubber compounds made from a harder compound for better durability in 4-season applications
- NEW track design provides:
 - Improved durability in 4-season application
 - Enhanced control when turning and side hilling
- Longer and wider footprint with front dual stabilizer for better stability
- Polaris®-specific gearing provides 1:1 ratio to:
 - Minimize track slip, providing better climbing ability and improved traction in deep snow
 - Improve top speed by approximately 5%
 - Reduce operating RPM for a quieter ride
- Exclusive Polaris®-optimized hub geometry that minimizes feedback and eases steering effort
- Flexible lug design for the highest level of deep snow performance by lifting in deep snow as opposed to digging
- NEW Polaris®-exclusive composite frame to:
 - Improve ride quality
 - Reduce ice build-up
 - Reduce weight

FITS ALL SPORTSMAN® MODELS

STEP 1: CHOOSE YOUR TIRE

CHOOSE THE BEST TIRE FOR THE WAY YOU RIDE

Trail

- Tread patterns optimized for extreme traction
- Side walls tested for supreme durability
- Ideal for both hard pack and loose trail

Rock

- Flexible “grippy” tread
- Aggressive side bite

Desert

- Provides traction and durability
- Built to perform in sand, jagged rocks or any other extreme terrain

Snow

- Handles extreme cold
- Holds shape and provide traction

Utility

- Industry leading anti-puncture side walls
- Aggressive long lasting tread

Mud

- Extra deep treads
- Full wall side bite

STEP 2: CHOOSE YOUR WHEEL

POLARIS® LINK **NEW** POWERED BY RIDERX™

Become integrated into your riding experience with the Polaris® Link, powered by RiderX™. The wireless link easily plugs into your vehicle to record diagnostics and information. The data is transferred wirelessly via Bluetooth™ to your cellular device, where you review with your RiderX™ mobile application.* Polaris Link supplies data to your phone wirelessly from your machine including:

- Real-Time Gauge with speed, RPM and average miles per gallon
- Vehicle Statistics including fuel rate, battery voltage and engine hours
- Vehicle Diagnostics that display error codes and preferred dealer communication

*Full functionality requires compatible Bluetooth® smartphones

POLARIS WIRELESS LINK HARNESS **NEW**

- Wiring harness connects Polaris Wireless Link for most versatile connection in the greatest number of off-road locations to your machine
- Harness connects easily to vehicle electrical system and to the link

To download the RiderX™ app

MAINTENANCE PARTS

POLARIS ENGINEERED™ PARTS ARE DESIGNED AND ENGINEERED TO OPTIMIZE YOUR VEHICLE'S PERFORMANCE AND DELIVER THE TRUE HIGH-PERFORMANCE YOU DEMAND.

ORV AIR FILTERS

- 99.9% efficient in blocking dirt in extreme testing
- Superior filter capacity: Traps 32% more contaminants than the closest competitor
- Costs half as much as compared to leading aftermarket brands

ORV OIL FILTERS

- The Polaris® filter (#2540086) traps particles 64% smaller in size than the competition, resulting in lower levels of contamination in your engine
- The Polaris® filter has 44% less restriction than the competition to ensure adequate lubrication in all conditions

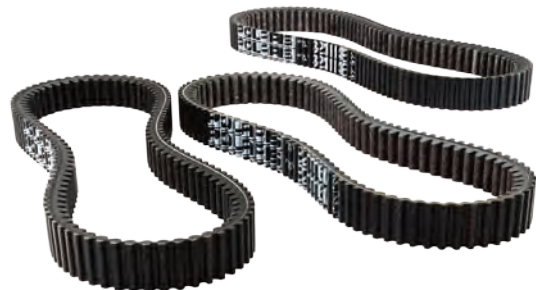

ORV BATTERIES

- We use only the highest quality batteries
- Engineered and tested to fit and perform on our machines

ORV BRAKE PADS

- High performance in any temperature and condition: wet, dry or mud
- Designed with the same material used by high-end motorcycles

ORV DRIVE BELTS

- Lowest tolerances (.188") provide highest performance
- The Polaris® Kevlar® belt provides 2x longer belt life than the competitor's "Heavy-Duty" belt

GOGGLES

KEEP DEBRIS OUT SO YOU CAN KEEP YOUR EYES WHERE THEY BELONG - ON THE TRAIL. POLARIS®-EXCLUSIVE GOGGLES ARE DESIGNED WITH YOUR RIDE IN MIND SO YOUR LOOK CAN BE MORE INTEGRATED FROM VISOR TO VEHICLE.

509® FOR POLARIS®

509® DIRT PRO GOGGLES
509® for Polaris® goggles are loaded with performance-driven innovations for avid riders who insist on the best eye protection. These goggles provide the ultimate combination of protection, comfort, ventilation, tear-off compatibility and style.
Size: Oversized frame and lens fit inside all standard moto helmets' goggle port and provide broad visibility.
Lens: Protective, shatterproof, single-pane chrome lens; non-vented dirt lens has a durable anti-scratch and anti-fog coating; blocks 100% of UV rays and is easily interchangeable with accessory lenses.
Strap: Innovative hinged-strap mount allows the goggles to remain flush against the face for optimized protection and comfort; ensures that the goggles form a seal against the face to block dirt, dust and wind; adjustable, silicon-backed strap remains securely in place where positioned on helmet.
Foam: Triple-layer foam construction consists of 3 layers of moisture-wicking foam of varying densities for a comfortable fit on the face.
Tear-Off Compatible: Unique triple tear-off post design includes 2 posts on the lens and a third adjustable post attached to the strap for enhanced tear-off installation and removal.
Nose Guard: Rigid, vented nose guard protects nose and can be installed or removed in seconds.
Ventilation: 13-port vent system (7 on top, 7 at base of frame) promotes fresh air circulation for comfort and fog prevention.

GLOVES

GRIP UP AND GO. POLARIS® GLOVES ARE THE PERFECT MIX OF LIGHTWEIGHT COMFORT AND ENGINEERED DURABILITY FOR A PERFECT FIT AND FUNCTION.

FLY GLOVE

These lightweight gloves from the FLY Racing® for Polaris® Collection deliver outstanding protection and a sure grip while keeping hands comfortable.
Shell: Lycra® back panels stretch to provide a comfortable fit and are complemented by the embossed neoprene flex-knuckle system designed for protection and flexibility.
PALM: Lightly padded palm for extra comfort; durable construction with a reinforced thumb.
Additional Features: Soft-Flex TPR (thermoplastic rubber) graphics offer extra protection; adjustable TPR wrist closure system; silicone finger grippers for increased grip and control.

JERSEYS

FLY RACING® JERSEYS
Developed by avid off-road riders, this lightweight, colorful jersey from the FLY Racing® for Polaris® Collection features materials and construction that promote airflow to keep an active rider cool and comfortable.
Fabric: Lightweight 100% polyester panels combine with mesh ventilation panels in key areas to promote airflow and dissipate body heat.
Graphics: Vibrant, permanent sublimated graphics, including Polaris® and FLY Racing® branding.
Additional Features: Low-profile, multi-directional Lycra® stretch collar; non-restrictive shorty cuffs with elastic sleeves help reduce arm pump; extended tail helps keep jersey tucked into pants; tagless printed collar eliminates tag irritation.
