SETTING UP YOUR PLAYPEN

Lay the play pen cover flat, insert the metal pipe into the play pen cover, connect the four-sided iron pipe with a T-shaped tee, and then connect the four corners to the suction cup tee.

Insert the vertical tubes into the play pen cover and insert the T-shaped tee and the sucker tee to complete the joining of the middle of the play pen wall.

SETTING UP YOUR PLAYPEN

Insert the tees and T-shaped tees into the vertical tubes and then pass the tubes through the cloth sleeve to join the tees and the T-shaped tees to complete the joining of the top of the play pen handrail.

The playpen installation is now complete and ready to use.

CARE & MAINTENANCE

Cleaning the playpen

Do not use any aggressive cleaning products; these may harm the construction material of the playpen. Wipe clean with a damp cloth and hang in shade on a line to dry.

The frame should be wiped dry and cleaned after use.
