

**WIRELESS CHARGING
CELL PHONE STAND 15W
GAR157**

USER MANUAL

ABOUT THE PRODUCT

Thank you for purchasing our wireless charging cell phone stand, which adopts inductive fast charging mode. With its compact and luxurious design, it can be compatible with any mobile phone that incorporates wireless charging. Save more charging time with its efficient way to charge your device.

PRODUCT DIAGRAM

ACCESSORIES

1* Wireless charging stand

1* Type C cable

1* User Manual

COMPATIBLE DEVICES

1. Devices with built-in wireless fast / regular charging receiver.
2. Devices with an external wireless charging receiver.
3. Devices with the wireless charging receiver in a protective case.

INSTRUCTIONS FOR USE

1. Connect the power adapter to the wireless charger via the Type-C cable. When the wireless charger is turned on, the red and blue lights will flash alternately once, and then the red light will stay on and enter standby mode.

2. Place your device vertically or horizontally in the center of the wireless charging stand until the device starts charging and the blue light is solid.
3. When charging is complete, the LED indicator at the bottom of the charger is always blue.

NOTICE:

1. Recommended to use PD/QC adapter (18W or above charger).
2. Place your phone in the center of the wireless charger to ensure stable charging, do not place magnetic and metal accessories or cards on it.
3. If the blue light continues to flash, it is an abnormal state. Please check the charging equipment at this time, such as checking whether there are metal foreign objects on the phone.
