Snowshoes

USER Manual

We continue to be committed to provide you products with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain products with us compared to the major top brands and dose not necessarily mean to cover all categories of products offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

SAFETY

Note / Remark.

Caution / Warning.

Read the instruction manual.

Read this material before using this product. Failure to do so can result in serious injury. Save This Manual.

Assembly precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.

2. Keep assembly area clean and well lit.
3. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
4. Weight capacity and other product capabilities apply to properly and completely assembled product only.

Use precautions

TO PREVENT SERIOUS INJURY AND DEATH FROM TIPPING:

1. Do not exceed weight capacities, evenly distributed from bottom up. Be aware of dynamic loading! Sudden load movement may briefly create excess load causing product failure.
2. Use as intended only.
3. Inspect before every use; do not use if parts are loose or damaged.

WARNING!

DO NOT let comfort or familiarity with product (gained from repeated use) replace strict adherence to the product safety rules. If you use this product unsafely or incorrectly, you can suffer serious personal injury.

OPERATION INSTRUCTIONS

MAINTENANCE/ Service

Have your snowshoes serviced by a qualified repair person using only identical replacement parts. This will ensure that the safety of the snowshoes is maintained. A dusty, damp or corrosive environment can cause damage to the snowshoes.

Please note that: Lack of maintenance may result in warranty cancellation. The guarantee of this tool will be void if the Snowshoes had been modified without the consent of an authorized representative of the manufacturer.

Disposal

Only qualified technicians are authorized to undertake the repair of snowshoes.

For your safety , please observe all safety notes, precautions, and details in this manual.

Warranty

1. This warranty shall only cover claims for damage due to a fault in the product's manufacture
2. If a warranty claim is made, the party entitled to warranty cover must present the proof of purchase, including the purchase date.
3. Customers' satisfaction is always the motivation of our brand growth. We promise to help you solve any issues . Please just let us know if you need help.

OUR SERVICE TEAM PROMISES TO REPLY TO YOUR MESSAGE WITHIN 24H.

Scope of Warranty

1. We guarantee that VEVOR products are produced in accordance with ISO 9001 Quality Management procedures and are free of manufacturing defects for the period of warranty.
2. This warranty covers faults in the products due to manufacturing defects within 1 year from date of purchase. After inspection by sales representative, defective products will be replaced or repaired with equivalent goods free of charge.
3. Any warranty claim made during warranty period shall not extend the overall period of warranty coverage.
4. Warranty periods: Warranty claim date
