TOUCAN

# Wireless outdoor camera

Wireless outdoor camera captures events around your property. View and communicate with your visitors from anywhere.

## **Setup** your wireless outdoor camera

# Download Toucan app

Available at Apple<sup>®</sup> App Store<sup>®</sup> and Gooale Play™

Press and hold the SET button until LED light blinks to enter the setup mode.

Follow the camera voice navigation to complete setup.

After setup and pairing, you can change the language of your app within the settings section

| Flashing BLUE   | Setup Mode                 |                    |
|-----------------|----------------------------|--------------------|
| Flashing PURPLE | Connecting to cloud server | LED<br>Description |
| Flashing RED    | Connection Failed          |                    |

# Install your wireless outdoor camera

- \* If using 3M adhesive only, please allow 24-48 hours before placing the camera onto the mounting base
- \*\* You can mount the camera using just the adhesive on UPVC, wooden or smooth surface door frames

## Regulations & compliance

### FCC Statement

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipemnt has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the ECC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no quarantee that interference will not occur in a particular installaction. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- · Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including intereference that may cause undesired operation.

### ISED Regulatory Compliance

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's lincence-exempt RSS(s). Operation is subject to the following two conditions:

- This device may not cause interference.
- 2. This device must accept any interference, including interference that may cause undesired operation of the device. L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation.

Sciences et Développement économique Canada applicables aux appareils radio exempts de licence.

- L'exploitation est autorisée aux deux conditions suivantes :
- 1. L'appareil ne doit pas produire de brouillage:
- 2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

#### RF Exposure Compliance

This equipment complies with FCC/IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body. Cet équipement est conforme aux limites d'exposition aux radiations FCC/IC établies pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 20 cm entre le radiateur et votre corps.

VuPoint (Europe) Company Limited declares that the equipment complies with Directive 2014/53/EU. Full declaration text available at: www.toucansmarthome.co.uk/pages/certificates
