FAQ

Where are the built-in microphone and speaker on the MeetingBar A10/A20/A30?

The built-in microphone and built-in speaker of the MeetingBar A10/A20/A30 are respectively distributed on both sides. The following figure takes the MeetingBar A30 as an example.

Can I control MeetingBar A10/A20/A30 with a touch display instead of CTP18?

AX0 with a touch display can perform basic control and use the whiteboard function but cannot control the camera. After AX0 is paired with the CTP18, it can control the camera and other operations.
