Autumn/Winter 2024

| kreafunk - AW24

In this issue

Kreafunk is dedicated to merging responsible production and innovation. That's why we produce our products using recycled materials. Our latest members are no exception. The outer material is 100% recycled plastic, and we're introducing a specially designed fabric for audio, which is also made from recycled materials.

We are thrilled to introduce the latest additions to the Kreafunk collection. Prepare to be captivated by the sophisticated and stylish upgrade to our bestselling DAB radio.

Dabbie, a sleek DAB+ radio and speaker combo, offers crystal-clear DAB+ and FM radio, Bluetooth streaming, a 6W speaker, wireless charging, and an alarm clock. And that's just the beginning.

You'll also meet Karl, a compact speaker that packs a punch with its 15W stereo play, delivering impressive audio in a small package.

In this issue, we're presenting our entire product range with detailed specifications. We're dedicated to ensuring there's a Kreafunk product for every moment, and having an overview of the possibilities is always nice (if only that were possible with life as well).

The expanded product line is on page 22.

Speakers

aGO mini

Enchanting, petite and powerful!
The pocket-sized aGO mini Bluetooth speaker will sweep you off your feet with its exceptional sound quality despite its small size.

Prices (rrp)

DKK	199,95
SEK	299,95
€	29,95

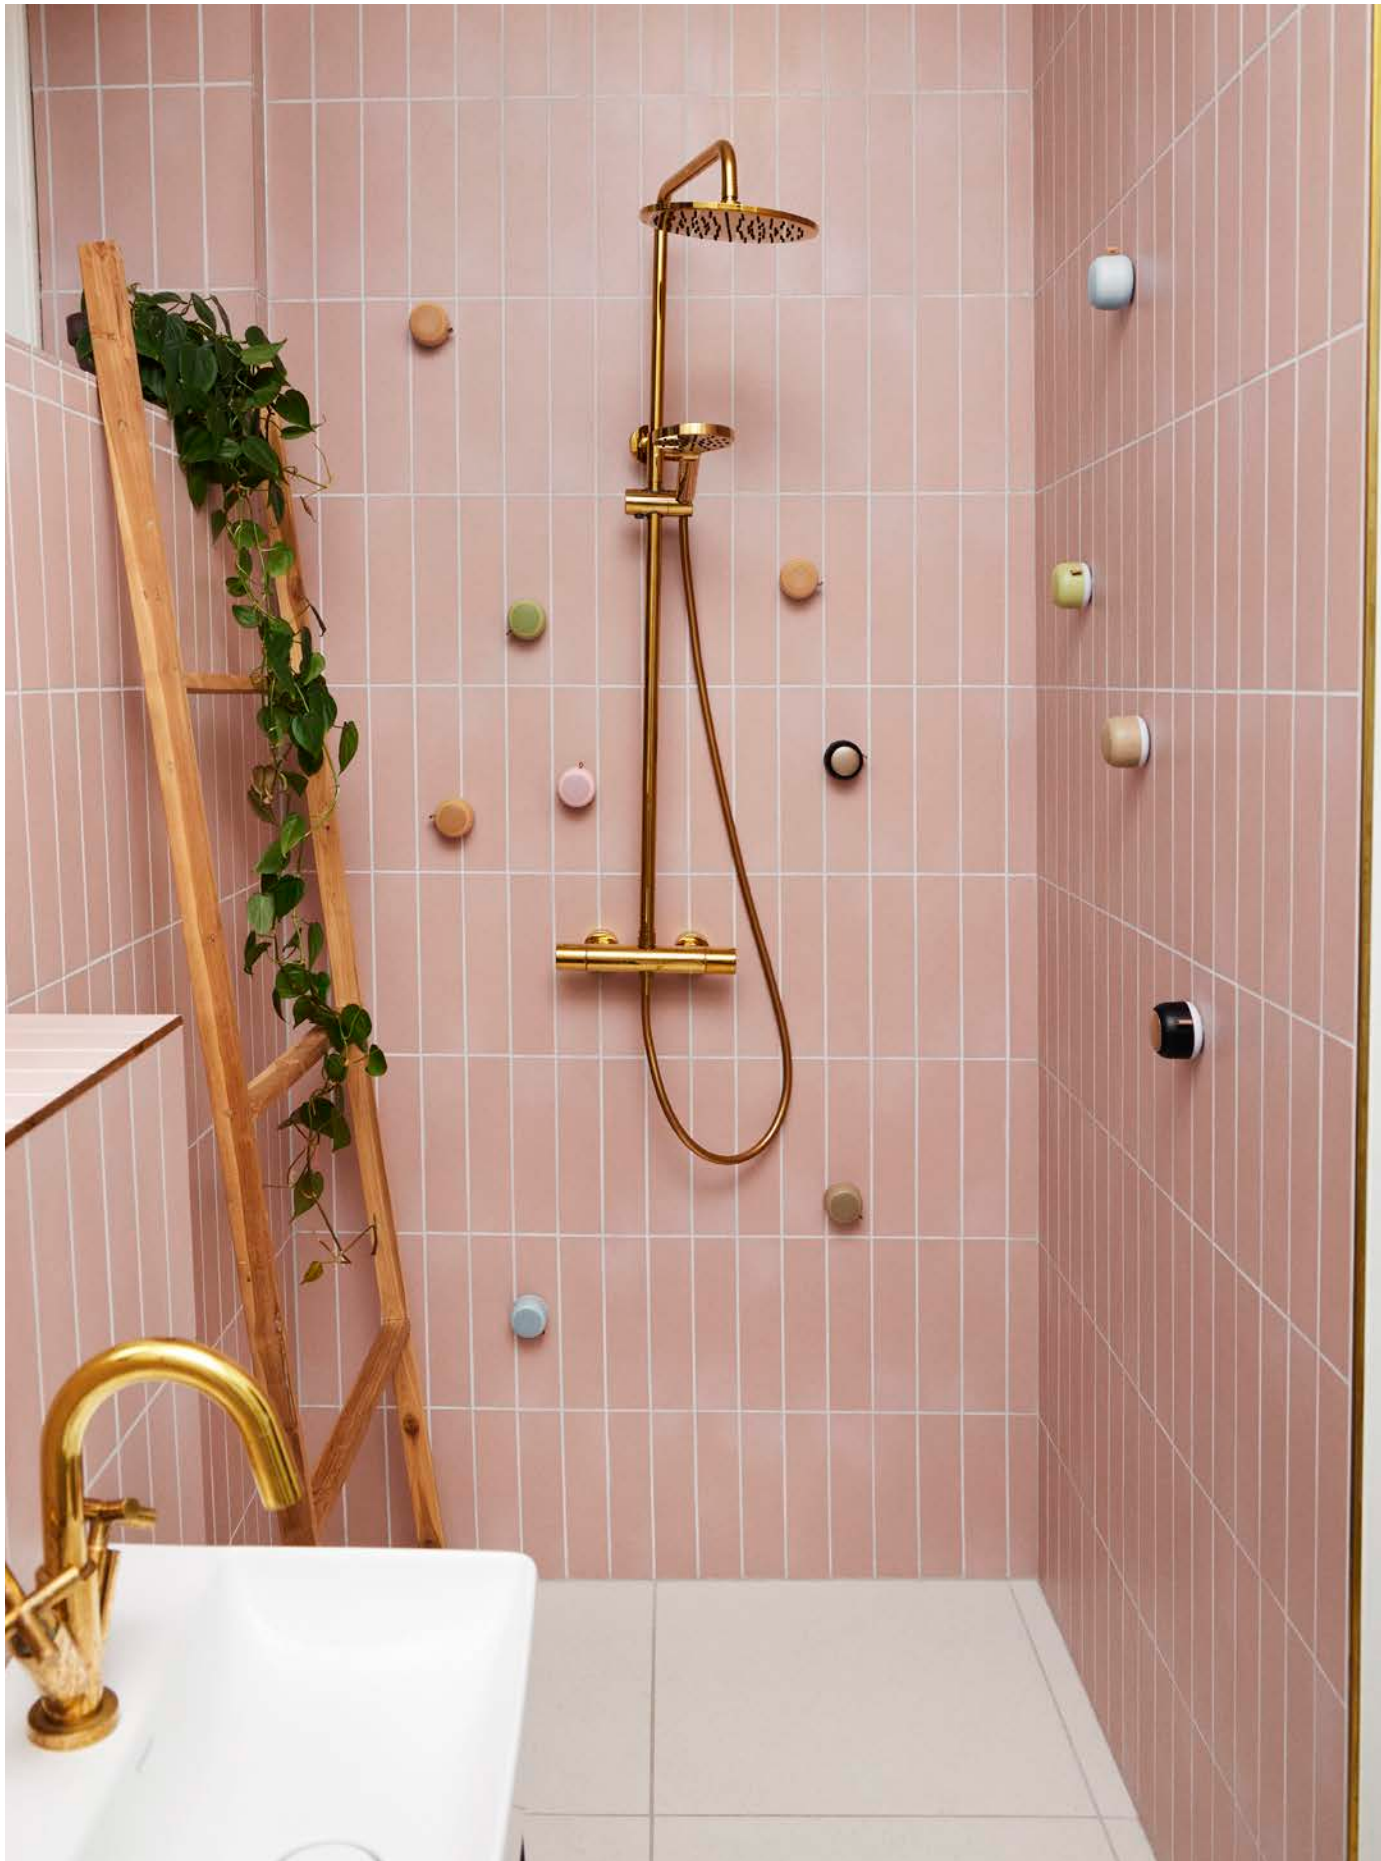

Enhance the musical experience further by pairing two aGO mini speakers to achieve Stereo Play - and it'll be like you're standing front row of your favourite concert.

It's a delightful gift for a host or hostess. Or get it for yourself and benefit from dreamy tones in your home and on the go.

Specs and details

- PFAS free
 - Water-resistant (IPX3)
 - 3W digital amplifiers
 - Up to 12 hours playing time
 - Charging time: 1-2 hours
- Stereo Play (TWS)
 - Bluetooth 5.0
 - Range: up to 10 meter
 - USB-C cable included

Prices (rrp)	
DKK	349,95
SEK	549,95
€	49,95

aLIGHT

Overly cute and water-resistant. The aLIGHT is an alluring combo of a lamp and a speaker and will light up your daily routines.

Use it in the bathroom when soothing yourself in a bath with chill tunes and calming light, or keep it mounted on the wall for those sing-along shower sessions.

It comes with a small metal plate equipped with adhesive tape. Once the base is mounted, the magnetic aLIGHT will attach smoothly. It's as easy as that.

Know someone who's afraid of the dark? Subtle lighting and calming music will help even the most persistent child to fall asleep.

Specs and details

- 100% recycled GRS plastic
 - PFAS free
 - Water-resistant (IPX5)
 - 5W digital amplifiers
- Up to 15 hours playing time
 - Charging time: 2 hours
 - Stereo Play (TWS)
 - Lamp
- Magnetic

aGO Stone

A cute little companion for when you need a bit of music in the background. Made from fibre-concrete, and with a fabric on top made from recycled plastic bottles, it has a natural, authentic eco-friendly essence that is kind to the planet. Just how we like it.

And like nature, each product is unique and has its own expression.

The surface is rough, with a Kreafunk signature soft touch and will, intime, achieve a unique patina. It hasn't had any surface treatment or chemistry, so its use and surroundings will naturally affect the material.

Bell

Meet your perfect morning companion!

Here is an alarm designed to make your mornings brighter and more energized. With its sleek and intuitive design, waking up has never been more leisurely.

To turn off the alarm, press its button. For a quick snooze: pick it up and flip it upside down. That means no more fumbling around in the dark or toiling to find the snooze button.

Not only does Bell provide reliable and gentle wake-up calls, but it also has a cordless design for added convenience. Say goodbye to tangled wires and limited mobility, and place it wherever suits you the best.

Embrace simplicity and make every morning a breeze with Bell.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX4)
- Up to 30 days operating time
- Charging time: 1-2 hours
- Alarm clock
- Snooze by using flip sensor
- Dimmable LED display
- Rotatable in base
- USB-C cable included

Headphones

aPOP

The smart micro in-ear headphones will dazzle you with their grand sound. They'll allow you to shut out the world around you and take a captivating moment to yourself.

aHEAD 2

Simple, slim fit and super comfy headphones with round, soft, replaceable ear cushions.

aHEAD 2 headphones have high sound quality and active noise cancellation (ANC) meaning they block out all surrounding sounds, so you get the most out of your music. Included is a handy set of washable sports cushions. Perfect for workouts.

aHEAD 2 microphone

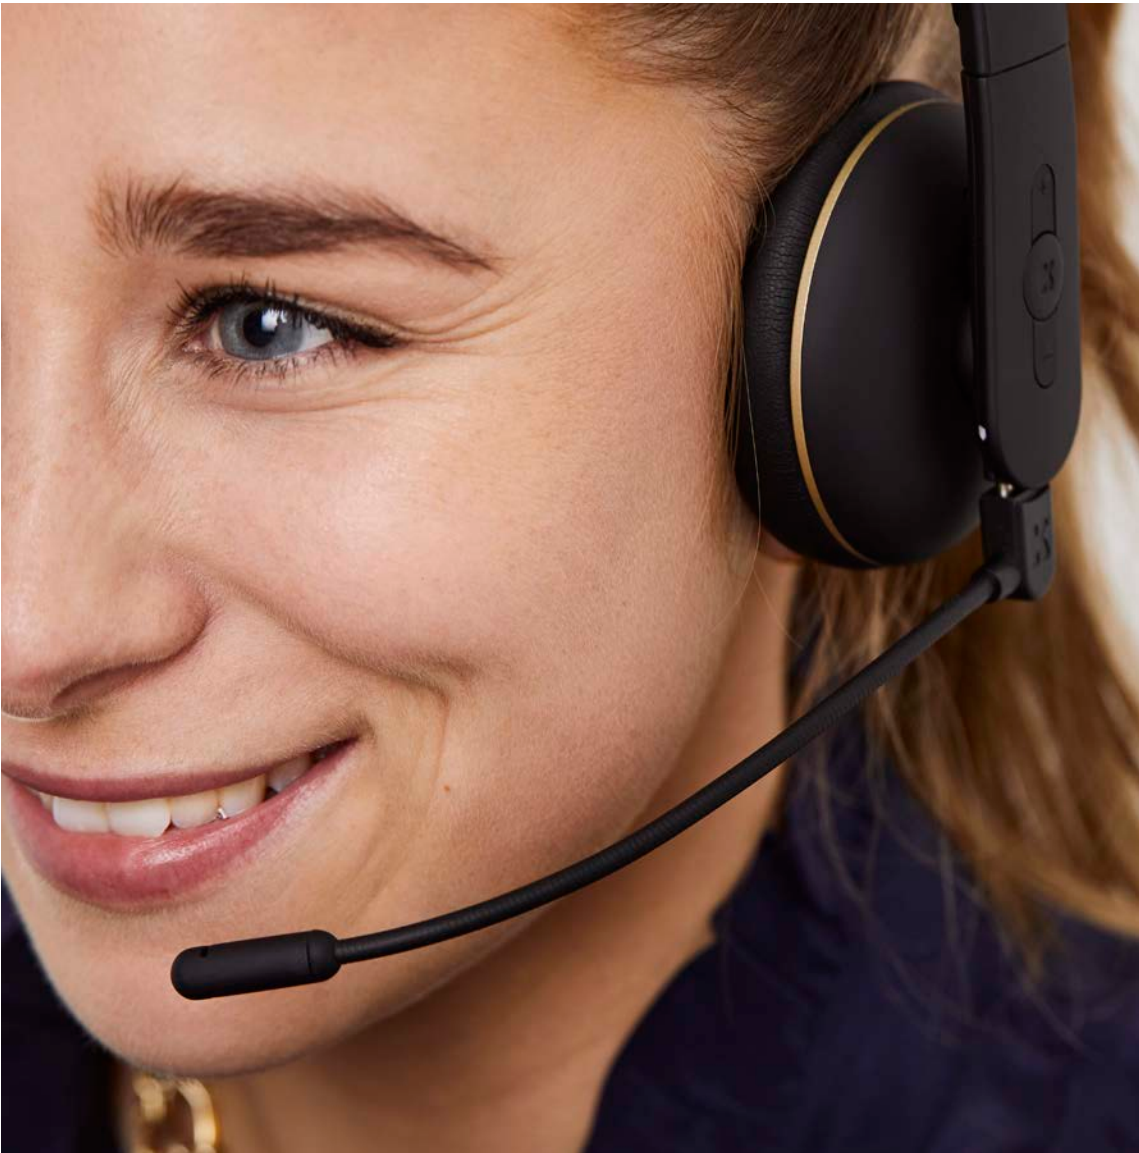

aHEAD 2 + microphone is the perfect couple for those who need crystal clear calls. With this set, you can transform your headphones into a sublime headset when you plug in the separate microphone via the USB-C port. Of course, the aHEAD 2 works alone with the built-in microphone, but with this specially developed one, online meetings and conversations become an even better audio experience.

aBEAT

The capturing and detailed sound gives your music the soundstage it deserves.

And don't worry about any surrounding sounds - the Active Noise Cancelling (ANC) makes them disappear, so all you hear is your favourite tunes or podcasts.

You'll also look forward to up to 30 hours of pure musical bliss on a single charge.

Ear cushions are soft like marshmallows, and the ear cups have a 15 degrees angle for the ultimate comfort.

toCHARGE Qi

A discharged phone will never be a problem again. With toCHARGE Qi you can experience the convenience of wireless charging. It is easy to take with you, so you're always guaranteed fast and easy charging on the go. Its rectangular design matches the shape of your phone, and it has a pleasantly soft touch.

toCHARGE Qi is easily attached to your phone using the magnets that fit the iPhone 12, iPhone 12 Pro or newer iPhone models. The anti-slip material makes sure that it can also stick to other models.

You can charge both your phone and toCHARGE Qi simultaneously, so you are good to go for a new day full of fun.

Power Banks are not sold to countries outside the EU.

Roar

Roar is an adorable Bluetooth speaker. It may not let out a mighty roar, but it will deliver a harmonious and well-balanced sound.

This speaker is made from 100% recycled GRS plastic, just like all our other designs. Additionally, it features a top made from 98% recycled polyester fabric.

Whether you hang it in the kid's room or bring it along on outdoor adventures, Roar is designed to fit seamlessly into your lifestyle.

Its water resistance makes it the obvious choice, even if it's raining cats and dogs.

With the convenience of Qi charging, you can wirelessly power up Roar using our range of Qi wireless chargers.

Specs and details

- 100% recycled GRS plastic
- 98% recycled polyester (fabric)
- PFAS free
- Water-resistant (IPX5)
- NFC connection
- 6W digital amplifiers
- Up to 14 hours playing time
- Charging time: 1.5 hours (USB)
1.5 hours (Qi)

Glowie

Glowie is a delightful companion that combines the functionality of a lamp and speaker into a single device.

Being both practical for babies and endless fun for older kids, Glowie becomes the perfect best buddy for all ages.

It has many talents, such as an integrated sleep noise feature, lulling little ones to sleep. And with its ability to keep a dimmable

light on during the night, it provides a comforting presence.

Older kids will enjoy its playful side - the musical features and coloured lights. It can instantly transform a room into a dance floor and keep everyone entertained for hours.

Cloudy

Introducing Cloudy, the most adorable LED lamp you'll ever see! It's perfect for hanging on the crib whilst lulling your baby to sleep. Switch on the timer function, which will automatically turn off after 2 hours - or keep it gently glowing throughout the night. Cloudy also makes a delightful addition to your nursing table.

Cloudy features both warm, cool and red light, allowing you to create the ideal setting for any situation.

And here's the best part: Cloudy doesn't heat up, so don't worry if your little one gives it a playful squeeze.

Specs and details

- 100% recycled GRS plastic
 - PFAS free
 - Water-resistant (IPX2)
 - Up to 50 hours operating time
- Charging time: 3 hours
 - Light settings: 6 modes
 - Red light for nursing at night
 - Timer: 2 hours
- Hanger strap included
 - USB-C cable included

Specs and details

- 100% recycled GRS plastic
- 50% sand-based silicone
- PFAS free
- Touch and shake sensor
- Up to 5 hours operating time
- Charging time: 0.5 hours
- LED colours: 7 colours
- USB-C cable included

Blob

This utterly charming LED lamp is made of the softest material imaginable.

The lamp provides a warm, ambient light that creates a calming atmosphere in the room or on the nursing table - brilliant for nursing at night.

Give Blob a gentle tap on its head, and it will activate the LED light, while another tender tap will change the colour of the light. Thanks to its soft silicone construction, Blob always remains pleasantly cool to the touch.

Buzz

Say hello to Buzz headphones, the ultimate sound companions for kids. These headphones offer a delightful blend of crisp and balanced sound, promising whimsical adventures. Not only do they have a stylish design, but they're also ultra-comfy with their marshmallow-soft ear cushions.

Whether at home or on the go, Buzz headphones are the perfect essential for enjoying music, movies and games. The headphones limit the volume to a maximum of 85dB, which protects small and large ears whilst giving them a premium sound experience.

The ANC feature (Active Noise Cancellation) magically makes all surrounding noise disappear, and Qi charging allows you to charge wirelessly on our Qi chargers. Try to match them with the Paddy charger - together, they make the cutest couple. They come with a hard case to keep the headphones safe and secure.

Paddy

Meet Paddy, your ultimate companion for charging. Paddy is designed to provide effortless charging for your Qi-compatible phone, headphones, earbuds or speaker. Plug in Paddy, place your device on top, and let Paddy work its magic.

To enhance your experience, pair Paddy with our adorable Roar Bluetooth speaker or the Buzz headphones - they both feature Qi-charging. And with matching colours, they complement Paddy most charmingly.

Say goodbye to battery worries as Paddy keeps your devices powered up throughout the day, all while adding a touch of cuteness to your setup.
